Job Opportunity at Minnesota Housing for Single Family Homeownership Programs

Minnesota Housing is seeking a qualified candidate to work with Single Family Programs as part of the Business and Program Development Team. The focus of this position is to support program and policy development for Minnesota Housing's mortgage revenue bond loan products and to enhance and develop lender business relationships. Experience in home mortgage or installment lending, and/or experience in the development of single family housing programs or policy is required. A Bachelor's Degree in a business field is required, with a Master Degree in business or policy preferred. Familiarity with the Minnesota housing market, lending institutions and loan products is a plus. Strong communication (written and verbal), collaboration, sales and problem solving skills are a must. Experience in leading project teams is desired. Minnesota Housing, located in downtown St. Paul, is an Equal Opportunity Employer. Please submit a resume with cover letter by October 17, 2011.
