Borrower Loan Prepayment Request
Chelsa Circle Apartments
Byron, MN 55920

Dear Mr. Odman,

Chelsa Circle Apartments, the subject housing development, a 24 unit family project-based Federal rental assistance property was developed in 1982 with a loan financed by USDA-Rural Development.

EIRoy Bessler and Don Sotebeer, Owner/Borrowers have made application to USDA-Rural Development to request approval for the existing Agency loan prepayment. Upon Agency approval, the Owner/Borrowers will prepay the loan and the prepayment will results in the termination of any Federal use restrictions that apply to the housing development and termination of the existing housing subsidy program.

In accordance with MN Statute 471.9997 "*Federally Assisted Housing: Impact Statement*", the number of units that will no longer be subject to rent restrictions by the existing Federal program is 24. The current monthly basic rents under the existing Federal program are \$492.00 to \$538.00 for a one-bedroom and \$527.00 to \$574.00 for a two-bedroom unit. It is estimated that the rents to be charged after prepayment will be \$538.00 for a one-bedroom and \$574.00 for a two-bedroom unit. Pursuant to prepayment, actions to be taken by the Owners to assist displaced tenants in obtaining other housing include: based on eligibility and availability, move tenants to other local project-based rental assistance or Section 8 rental housing; assist tenants in applying with other available local subsidized housing projects, and if funding is available, apply to state or federal agencies to develop additional rental assistance housing.

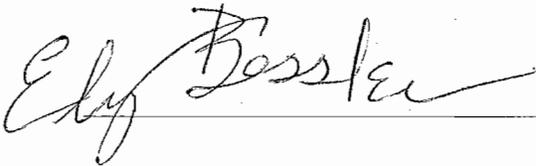

Owner/Borrowers wish to make known that if prepayment is approved on or about July 1st 2010 for Chelsa Circle Apartments, all existing tenants will be allowed to continue to rent under the same conditions as they now have. There will be NO CHANGES to rent formulas for current tenants. Prepayment approval restrictions will allow all existing residents to continue paying rents at the same rental formula as if prepayment had not occurred.

Please be advised that the USDA-Rural Development prepayment application has been addressed and forwarded to Laurie Schmitt, Area Specialist, USDA Rural Development, 1408 21st Ave NW, Suite #3, Austin, MN 55912. Laurie can be reached or by e-mail.

Sincerely,

Chelsa Circle Apartments
