

Rural/Tribal Designated Areas

Because communities in rural parts of Minnesota will no longer compete for economic integration priority points, the selection process will now have criterion for rural communities.

Minnesota Housing defines rural communities using tracts outside of the Twin Cities 7 County Metropolitan Area and communities in Greater Minnesota with populations over 50,000. These areas include tracts in, Duluth, Rochester, and St Cloud.

The map below shows areas receiving the rural/tribal designation points in orange. The following pages list the tracts eligible by county.
