

Housing Tax Credit Program Authorized Market Analyst List

This list is applicable for the 2024 Consolidated Request for Proposals (RFP)/2025 Housing Tax Credits (HTC) funding round. Minnesota Housing will only accept market studies conducted by market analysts on this list in the form and format outlined in Minnesota Housing’s Market Study Guidelines found on the Minnesota Housing website. Minnesota Housing does not endorse or recommend any market analyst on the authorized list and will not be a party to the individual transactions.

The Pilot List consists of market analysts who have not yet completed a market study for an HTC property but have comparable rental housing analysis experience. An applicant may choose a market analyst from the Pilot List. Pending a satisfactory final review by Minnesota Housing of the market study, the analyst will move from the Pilot List to the Market Analyst List.
