

2019 QAP - Rural/Tribal Designated Areas

Because communities in rural parts of Minnesota are not eligible for priority points under economic integration or higher performing schools, the selection process provides 10 points to rural and tribal communities.

Minnesota Housing defines rural and tribal communities as census tracts outside of the Twin Cities seven-county Metropolitan area and communities in Greater Minnesota with populations over 50,000. These areas include census tracts in Duluth, Rochester and St. Cloud.

The map below shows areas receiving the rural/tribal designation points in orange. The following pages list the tracts eligible by county.
