

Rural/Tribal Designated Areas¹

Because communities in rural parts of Minnesota will no longer compete for economic integration priority points, the selection process will now have a new 7 point criterion for rural communities.

Minnesota Housing defines rural communities using tracts outside of the Twin Cities 7 County Metropolitan Area and communities in Greater Minnesota with populations over 50,000. These areas include tracts in, Duluth, Rochester, and St Cloud.

The map below shows areas receiving the rural/tribal designation points in orange. The following pages list the tracts eligible by county.

¹ NOTE: This methodology memo is new since approval of the proposed 2017 QAP in February. For ease of reading track changes has not been used.
