

Homeownership Capacity Program is funded by Minnesota Housing that helps organizations provide enhanced financial empowerment and homeownership training to Black, Indigenous, and People of Color (BIPOC) communities and low-income renters who have the goal of homeownership. If you are interested in getting the coaching and education you need to buy a home, please contact one of our Homeownership Capacity providers in the [Twin Cities Metro Area](#) or [Greater Minnesota](#) for more information. Many of our Homeownership Capacity providers have both virtual and in-person services. Virtual services are available to households in need, regardless of geographic location.
