Chapter 1 – Introduction

1.01 Minnesota Housing Mission Statement

Housing is foundational to a full life and a thriving state, so we equitably collaborate with individuals, communities and partners to create, preserve and finance housing that is affordable.

1.02 Values Statement

Our vision is that all Minnesotans live and thrive in a stable, safe and accessible home they can afford in a community of their choice.

To achieve this vision, we will reorient how we work and expand who has a voice at the table and who participates in and benefits from our programs and the housing economy. We acknowledge and understand the intentional harms of the past, how they came to be and persist today, and our responsibility to correct them and remove barriers.

We will:

- Center the people and places most impacted by housing instability at the heart of our decision-making,
- Listen and share the power we have,
- Honor, respect and strengthen communities, and
- Be inclusive, equitable, just and antiracist in our actions.

1.03 Background

The Minnesota Housing Finance Agency (“Minnesota Housing”) was created in 1971 by the Minnesota Legislature.

Minnesota Housing offers two mortgage loan programs to serve low- and moderate-income homebuyers (defined in state law as “persons and families of low and moderate income”):

- The Step Up Program for home purchase or refinance, with access to a downpayment and closing cost loan.
- The Start Up Program for First-Time Homebuyers, a first mortgage loan program with access to downpayment and closing cost loans. Refer to the Start Up Program Procedural Manual for Start Up Program requirements.

Lenders originate and close loans under their individual underwriting and closing procedures. A Master Servicer purchases and securitizes closed loans originated by a Lender under prescribed program requirements. Lenders are advised that underlying eligible product guidelines and Master Servicer requirements apply, which may be more restrictive than the Minnesota Housing guidelines. Minnesota

Housing's current Master Servicer is U.S. Bank Home Mortgage—Housing Finance Agency Division (U.S. Bank – HFA Division).

Minnesota Housing offers the Monthly Payment Loan for Step Up Program Borrowers who need funds for downpayment and closing costs.

1.04 Step Up Program

Step Up Program offers home mortgages and refinance loans throughout Minnesota to low- and moderate-income Borrowers through local participating Lenders.

1.05 Monthly Payment Loan Program

The Monthly Payment Loan provides an amortizing loan with an interest rate equal to the first mortgage to assist Borrowers with downpayment and closing costs. See [Chapter 7](#) for Monthly Payment Loan guidelines. The Monthly Payment Loan is the only Minnesota Housing downpayment and closing cost loan option available with Step Up Program.

Chapter 2 – Responsible Lending

2.01 Procedural Manual

Participating Lenders must execute a Participation Agreement with Minnesota Housing to participate in Minnesota Housing's Single Family Mortgage Programs. This Procedural Manual, which may be updated or amended, is incorporated into the Participation Agreement by reference and Participating Lenders are obligated to adhere to both the Participation Agreement and the Procedural Manual.

Minnesota Housing reserves the right to:

- Change the program interest rate(s) at any time and at its sole discretion
- Change the commitment policy at any time
- Alter or waive any of the requirements
- Impose other or additional requirements
- Rescind or amend any or all materials effective as of the date of issue unless otherwise stated
- Grant waivers, alterations, or make revisions at its sole discretion

2.02 Single Family Responsible Lending Policy

Minnesota Housing uses prudent, sound and responsible business practices in marketing and product design related to its Single Family loan programs. Minnesota Housing designs programs with a focus and goal of successful homeownership, which means Borrowers, must have the knowledge, ability, willingness, and capacity to repay their housing debt. Minnesota Housing does not offer [subprime](#) or high-cost mortgage lending programs. Minnesota Housing reviews portfolio and market conditions regularly to ensure that business practices are updated as needed to meet its responsible lending goals.

In delivering Single Family loan programs, Minnesota Housing policies address:

- Lender relationships and a Lender's role and responsibility in originating and delivering quality, compliant loans under the Minnesota Housing program. These responsibilities include:
 - Lenders must evaluate a Borrower's repayment capacity, including evaluating risk layering and documenting sources of Borrower income(s), Borrower assets and Borrower liabilities
 - Lenders are prohibited from steering
 - Lenders must comply with all rules and regulations for higher priced mortgage loans. Higher priced mortgage loans are defined in [12 CFR 1026.35 \(Regulation Z\)](#)
 - Lenders are prohibited from delivering high-cost mortgage loans as defined in [12 CFR 1026.32 \(Regulation Z\)](#)
 - Loans containing prepayment penalties or mandatory arbitration clauses are not permitted

- Single Premium Credit Life Insurance may not be required, nor can any funds provided by Minnesota Housing be used toward the purchase of any credit insurance products or premiums
- Compliance with the Interagency Guidelines on Nontraditional Mortgage Product Risks
- Compliance with all local, state and federal regulations as well as Minnesota Housing program guidelines as applicable to each individual loan transaction

2.03 Evidence of Misconduct

- Minnesota Housing will refer any evidence of fraud, misrepresentation, or other misconduct in connection with the operation of these programs to the Minnesota Attorney General's office for appropriate legal action.
- If, after a loan is made, a Lender discovers any material misstatements or misuse of the proceeds of the loan by the Borrower(s) or others, the Lender will promptly report the discovery to Minnesota Housing and U.S. Bank – HFA Division.
- Minnesota Housing, or U.S. Bank – HFA Division, or both, may exercise all remedies available to them under the Participation Agreement or otherwise, both legal and equitable, to recover funds from the Lender or the Borrower(s). This includes possible repayment of loan funds, repayment of administrative costs, repayment of fees or commissions received by the Lender in connection with the loan and reimbursement of all attorney fees, legal expenses, court costs, or any other expenses incurred in connection with the loan or its recovery.

2.04 Disclosure and Use of Social Security Number/Minnesota Tax Identification Number

The Minnesota Revenue Recapture Act (Minnesota Statutes, Sections 270A.01 to 270A.12, as amended) allows the disclosure of the Borrower(s) Social Security Number to the Minnesota Department of Revenue.

This could result in the application of state tax refunds to the payment of any delinquent indebtedness of the Borrower(s) to Minnesota Housing.

This collection remedy is in addition to and not in substitution for any other remedy available by law ([Minn. Stat. 270A.04, subd. 1](#))

2.05 Unauthorized Compensation

The Lender may receive fees as approved in this Procedural Manual. However, the Lender may not receive or demand from the realtor, builder, general contractor, subcontractor, Property Seller, or Borrower(s):

- Kickbacks
- Commissions
- Other compensation in violation of state or federal law including but not limited to the Real Estate Settlement Procedures Act (RESPA)

2.06 Minnesota Housing Due Diligence Audit Guidelines and Requirements

The Lender is required to keep on file a complete copy of documents for each loan originated for purchase by U.S. Bank – HFA Division. Minnesota Housing reserves the right to conduct quality control, audit, and monitoring activities at its sole discretion upon written notice to Lender.

Audited loans are reviewed for:

- Adherence to state and federal laws regulating mortgage lending
- Minnesota Housing program and policy compliance
- Fraud or misrepresentation on the part of any party involved in the transaction
- Trends or other indicators that may have an impact on the success of the Borrower(s) and programs

Loan audits will include, but are not limited to, a minimum of 10% of all loans purchased by U.S. Bank – HFA Division.

2.07 Termination of Lender Participation

Minnesota Housing may terminate the participation of any Lender under the programs at any time and may preclude the Lender's future eligibility for reasons including, but not limited to, nonconformance with:

- This Procedural Manual
- The Participation Agreement
- The U.S. Bank – HFA Division's Lender Guide
- Applicable state and federal laws, rules, and regulations

Upon termination of a Lender's Participation Agreement:

- U.S. Bank – HFA Division may continue to purchase eligible loans delivered to U.S. Bank – HFA Division for loans originated prior to termination.
- Minnesota Housing will not refund participation fees to the Lender.

Remedies and Reinstatement

- Minnesota Housing may, at its option, impose remedies other than termination of the Participation Agreement for the Lender's nonperformance.
- The Lender may request reinstatement into Minnesota Housing programs. The decision to reinstate a Lender is at Minnesota Housing's and U.S. Bank – HFA Division's sole discretion.

2.08 Representations and Warrants

The Lender must comply with all applicable federal, state, and local laws, ordinances, regulations, and orders, including, but not limited to, any rules that the Lender may be subject to, related to mortgage lending or based on their legal organizational structure.

In addition, the Lender must comply with the documents listed below and will ensure that the person who confirms the loan on Minnesota Housing's loan commitment system and who verifies the Lender's Representations and Warranties on behalf of the Lender, has both the authority to legally bind the Lender and is fully conversant with:

- U.S. Bank – HFA Division requirements as published in AllRegs
 - The U.S. Bank – HFA Division Lender Guide unless those terms, conditions, and requirements are specifically waived by Minnesota Housing or U.S. Bank – HFA Division, as applicable, in writing.
 - [US Bank AllRegs](#) section 500 for Minnesota Housing and Section 1400 credit overlays
- Minnesota Housing program requirements
 - The Participation Agreement
 - This Procedural Manual
- Underlying loan product and insurer/guarantor requirements

2.09 Lender Compensation

The Lender is compensated for each loan purchased by U.S. Bank – HFA Division as follows:

- 2.50% is the maximum compensation a Lender may retain on any Minnesota Housing loan file between origination/discount fees and Service Release Premium – see the [Lock, Fee, and SRP Guide](#).
- The Lender receives a service release premium (SRP) paid by U.S. Bank – HFA Division in an amount established by Minnesota Housing and posted on the [Minnesota Housing website](#)
- The Lender may collect an origination fee or discount points from the Borrower(s) in accordance with industry-standard regulations and limited as follows:
 - Origination fee and Discount points cannot exceed 1% when using either the 1.5% SRP option or the 3.5% SRP option (the 3.5% SRP option helps to cover Upfront Paid Mortgage Insurance costs).
 - Lender cannot charge any origination fee or discount points with the 2.5% SRP options.

2.10 Annual Renewal Requirements

- All Lenders must confirm willingness to participate in the Minnesota Housing Loan programs on an annual basis. This is done by completing the Annual Renewal Forms.

Chapter 3 – Master Servicer

Minnesota Housing's Master Servicer, U.S. Bank – HFA Division, has requirements in addition to Minnesota Housing's program requirements and underlying product guidelines. U.S. Bank – HFA Division's requirements may be more restrictive and may vary by different state Housing Finance Agencies.

Lenders must review and comply with all applicable U.S. Bank – HFA Division requirements, including Minnesota Housing specific requirements, located in [AllRegs](#). U.S. Bank – HFA Division has an Overlay Matrix resource in AllRegs highlighting common overlays (not comprehensive). In addition to U.S. Bank – HFA Division's overlays, Lenders must follow U.S. Bank – HFA Division's loan delivery, documentation, servicing, fees policies and all other due diligence.

Any person or entity (including its employees and affiliates) that enters into a contract with Minnesota Housing and witnesses, discovers evidence of, receives a report from another source or has other reasonable basis to suspect that fraud or embezzlement has occurred must immediately make a report through one of the communication channels described in section C.07 of this Addendum.

C.03 Misuse of Funds

A contracting party that receives funding from Minnesota Housing promises to use the funds to engage in certain activities or procure certain goods or services while Minnesota Housing agrees to provide funds to the recipient to pay for those activities, goods or services. Regardless of the Minnesota Housing program or funding source, the recipient must use Minnesota Housing funds as agreed, and the recipient must maintain appropriate documentation to prove that funds were used for the intended purpose(s).

A misuse of funds shall be deemed to have occurred when: (1) Minnesota Housing funds are not used as agreed by a recipient; or (2) a recipient cannot provide adequate documentation to establish that Minnesota Housing funds were used in accordance with the terms and conditions of the contract.

Any recipient (including its employees and affiliates) of Minnesota Housing funds that discovers evidence, receives a report from another source or has other reasonable basis to suspect that a misuse of funds has occurred must immediately make a report through one of the communication channels described in section C.07 of this Addendum.

C.04 Conflict of Interest

A conflict of interest – Actual, Potential or Appearance of a Conflict of Interest – occurs when a person has an actual or apparent duty or loyalty to more than one organization and the competing duties or loyalties may result in actions which are adverse to one or both parties. A Potential Conflict of Interest or Appearance of a Conflict of Interest exists even if no unethical, improper or illegal act results from it.

- **Actual Conflict of Interest:** An Actual Conflict of Interest occurs when a person's decision or action would compromise a duty to a party without taking immediate appropriate action to eliminate the conflict.
- **Potential Conflict of Interest:** A Potential Conflict of Interest may exist if a person has a relationship, affiliation or other interest that could create an inappropriate influence if the person is called on to make a decision or recommendation that would affect one or more of those relationships, affiliations or interests.
- **Appearance of a Conflict of Interest:** The Appearance of a Conflict of Interest means any situation that would cause a reasonable person, with knowledge of the relevant facts, to question whether another person's personal interest, affiliation or relationship inappropriately influenced that person's action, even though there may be no Actual Conflict of Interest.

A conflict of interest includes any situation in which one's judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to a Partner, Family Member, Relative, Friend, Business or other Outside Interest with which they are involved. Such terms are defined below.

- **Business:** Any company, corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual or any other legal entity which engages either in nonprofit or profit-making activities.

- **Friend:** A person with whom the individual has an ongoing personal social relationship. "Friend" does not generally include a person with whom the relationship is primarily professional or primarily based on the person being a current or former colleague. "Friend" does not include mere acquaintances (that is, interactions are coincidental or relatively superficial). Social media friendships, connections, or links, by themselves, do not constitute friendship.
- **Outside Interest:** An Outside Interest may occur when an individual, their Family Member or their Partner has a connection to an organization via employment (current or prospective), has a financial interest or is an active participant.
- **Partner:** A person's romantic and domestic partners and outside Business partners.
- **Relative:** Uncle or aunt; first or second cousin; godparent; godchild; other person related by blood, marriage or legal action with whom the individual has a close personal relationship.

Once made aware of a conflict of interest, Minnesota Housing will make a determination before disbursing any further funds or processing an award. Determinations could include:

- Revising the contracting party's responsibilities to mitigate the conflict
- Allowing the contracting party to create firewalls that mitigate the conflict
- Asking the contracting party to submit an organizational conflict of interest mitigation plan
- Terminating the contracting party's participation

Any person or entity (including its employees and affiliates) that enters into a contract with Minnesota Housing must avoid and immediately disclose to Minnesota Housing any and all conflicts of interest through one of the communication channels described in section C.07 of this Addendum.

C.05 Assistance to Employees and Affiliated Parties

Any party entering into a contract with Minnesota Housing for the purpose of receiving an award or benefit in the form of a loan, grant, combination of loan and grant or other funding is restricted in issuing a loan, grant, combination of loan and grant or other funding to a recipient (“Affiliated Assistance”) who is also: (1) a director, officer, agent, consultant, employee or Family Member of an employee of the contracting party; (2) an elected or appointed official of the State of Minnesota; or (3) an employee of Minnesota Housing, unless each of the following provisions are met:

- The recipient meets all eligibility criteria for the program;
- The assistance does not result in a violation of the contracting party’s internal conflict of interest policy, if applicable;
- The assistance does not result in a conflict of interest as outlined in section C.04 of this addendum;
- The assistance is awarded utilizing the same costs, terms and conditions as compared to a similarly situated unaffiliated recipient and the recipient receives no special consideration or access as compared to a similarly situated unaffiliated recipient; and
- The assistance is processed, underwritten and/or approved by staff/managers who are independent of the recipient and independent of any Family Member of the recipient. Family Member is defined in section C.04 of this Addendum.

A contracting party need not disclose Affiliated Assistance to Minnesota Housing. However, the contracting party must document and certify, prior to the award, that the Affiliated Assistance meets each of the provisions outlined above. This documentation must be included in the Affiliated Assistance file and must be made available to Minnesota Housing upon request. Affiliated Assistance that does not meet each of the provisions outlined above will be considered a violation of Minnesota Housing conflict of interest standards and must be reported by the contracting party through one of the communication channels outlined in section C.07 of this Addendum.

C.06 Suspension

By entering into any contract with Minnesota Housing, a contracting party represents that the contracting party (including its employees or affiliates that will have direct control over the subject of the contract) has not been suspended from doing business with Minnesota Housing. Please refer to Minnesota Housing’s website for a list of [suspended individuals and organizations](#) (Go to mnhousing.gov, scroll to the bottom of the screen and select Report Wrongdoing, then select Suspensions from the menu).

The use of e-signatures for eligible program documents is voluntary. Questions regarding which documents Minnesota Housing permits to be e-signed should be directed to Minnesota Housing staff.

C.09 Fair Housing Policy

It is the policy of Minnesota Housing to affirmatively further fair housing in all its programs so that individuals of similar income levels have equal access to Minnesota Housing programs, regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, familial status, gender identity or sexual orientation.

Minnesota Housing’s fair housing policy incorporates the requirements of Title VI of the Civil Rights Act of 1968; the Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendment Act of 1988; and the Minnesota Human Rights Act. Housing providers and other entities involved in real estate related transactions are expected to comply with the applicable statutes, regulations and related policy guidance. Housing providers should ensure that admissions, occupancy, marketing and operating procedures comply with non-discrimination requirements. Housing providers and other entities involved in real estate related transactions must comply with all non-discrimination requirements related to the provision of credit, as well as access to services.

In part, the Fair Housing Act and the Minnesota Human Rights Act make it unlawful, because of protected class status, to:

- Discriminate in the selection/acceptance of applicants in the rental of housing units;
- Discriminate in the making or purchasing of loans for purchasing, constructing or improving a dwelling, or in the terms and conditions of real estate related transactions;
- Discriminate in the brokering or appraisal of residential property;
- Discriminate in terms, conditions or privileges of the rental of a dwelling unit or services or facilities;
- Discriminate in the extension of personal or commercial credit or in the requirements for obtaining credit;
- Engage in any conduct relating to the provision of housing that otherwise make unavailable or denies the rental of a dwelling unit;
- Make, print or publish (or cause to make, print or publish) notices, statements or advertisements that indicate preferences or limitations based on protected class status;
- Represent a dwelling is not available when it is in fact available;
- Refuse to grant a reasonable accommodation or a reasonable modification to a person with a disability;
- Deny access to, or membership or participation in, associations or other services organizations or facilities relating to the business of renting a dwelling or discriminate in the terms or conditions of membership or participation; or
- Engage in harassment or quid pro quo negotiations related to the rental of a dwelling unit.

Minnesota Housing has a commitment to affirmatively further fair housing for individuals with disabilities by promoting the accessibility requirements set out in the Fair Housing Act, which establish design and construction mandates for covered multifamily dwellings and requires those in the business of buying and selling dwellings to make reasonable accommodations and to allow persons with disabilities to make reasonable modifications.

C.10 Minnesota Government Data Practices

Minnesota Housing, and any party entering into a contract with Minnesota Housing, must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota Housing under the contract, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by the contracting party under the contract. The civil remedies of Minnesota Statutes Section 13.08 apply to the release of the data referred to in this section by either the contracting party or Minnesota Housing. If the contracting party receives a request to release the data referred to in this section, the contracting party must notify Minnesota Housing. Minnesota Housing will give the contracting party instructions concerning the release of the data to the requesting party before the data is released. The contracting party's response to the request shall comply with applicable law.
