We assure you that all information shared both orally and in writing will be managed within the limitations of law. Please read the disclosures and acknowledgements carefully.

Private data requested to enable processing of your application is legally required to determine if you qualify for participation in this Minnesota Housing Finance Agency (Minnesota Housing) program and to help Minnesota Housing manage the program.

For grant assistance, your name and address are private data. For loan assistance, your name and address are public data. Regardless of whether you receive grant or loan assistance, the amount of assistance you receive is public data.

This information is being collected to determine your eligibility for a grant or loan under a Minnesota Housing program and to assist Minnesota Housing in administering that program. Some of the information being requested is considered private data on individuals under Minnesota Statutes, chapter 13 (the "Government Data Practices Act"). The information considered private under the Government Data Practices Act includes such data as financial information, account information, social security numbers (SSN), and other personally identifying data. This data may be shared with Minnesota Housing staff to administer the program or to otherwise perform their duties, the state or legislative auditor, Minnesota Department of Revenue, Minnesota Attorney General, U.S. Internal Revenue Service (IRS), and other contractors and governmental entities as Minnesota Housing deems necessary to administer the program or as otherwise required by law or upon court order. You may choose to not provide any or all of this information, but without this data, we may be unable to determine your

eligibility for this program and approve your application. Where access to the data is authorized by state statute or federal law, it may be made available to others as so authorized.

Disclosure of your SSN for the purposes of verifying your income and credit is voluntary. However, if adequate verification of your income and credit is impossible without your SSN, we may be unable to determine your eligibility.

If you agree to allow us to create, collect and share information as described above, please indicate approval with your signature below.
