Health & Human Services

Housing Services: We strive to eliminate homelessness, serve those at risk of becoming homeless and help those with housing insecurity get affordable and accessible housing.

- Information & referral service for housing resources
- Eviction Prevention
- Support Services such as short-term rental assistance, assistance in security deposit, and rental applications
- Education services on lease agreements
- Transitional services (from shelter to stable housing)
- Landlord engagement services
- Short- and long-term housing case management
- Connections to community resources

To make a referral call 763-765-4000 and press 4 or make a referral using the HHS Service Request form on the Sherburne County Health & Human Services website.
