Community Homeownership Impact Fund
Minimum Required Document Checklist

HOW TO USE THIS CHECKLIST AND IMPORTANT INFORMATION

This checklist outlines the minimum documents required for project files, as referenced in the Impact Fund Procedural Manual (Manual). Additional documentation may be needed to meet program or contract requirements.

All project files must include:

- The documents listed in the Administrator File and Unit/Household File under the "All Projects – Minimum Required Documents" checklists, regardless of activity type; and
- All documents listed in the appropriate activity-specific checklist(s) that relate to your project.

All forms required by the Minnesota Housing Impact Fund are located on the Impact Fund Partner Portal.

Minnesota Housing may accept alternative documentation in certain circumstances. Any alternative documentation must be approved in writing by Minnesota Housing.
