

Top Producing Loan Officer Program

Single Family Homeownership Loans

Recognizing your work to help Minnesota Housing borrowers Make Home a Reality

What is it?

The Top Producing Loan Officer Program for Single Family Homeownership Loans recognizes individual Minnesota Housing loan officers on an annual basis who have closed the highest number of loans. The number needed to achieve this designation varies from year to year based upon the percentage of loan officers who closed loans during the calendar year, as well as the location of the property where it was closed.

How will I be recognized?

We know the time and commitment it takes to help our borrowers achieve their homeownership goals. Each Top Producer receives a Certificate of Recognition and thank you from our leadership and are eligible to receive **featured marketing opportunities** that may include: Branded marketing and promotions templates, news release, elogs, and options to participate in social media shout outs, event support and more. In addition, all Top Producers receive an icon with their listing on the "[Find A Lender](#)" directory on our website, that allows users to sort results by this designation.

How do I participate?

Recognition is based on the number of Minnesota Housing closed loans entered (True and Certify process completed) into our commitment system by the end of the calendar year.

To receive credit for all your loans:

1. Ask your Web Administrator to set you up as a Loan Officer in Minnesota Housing's commitment system, if not already completed.
2. Make sure your name is entered in the "Loan Officer" field.

Top Producers are announced during the first quarter of each year.

The Minnesota Housing Top Producing Loan Officer Program recognizes individual loan officers based solely on the number of Minnesota Housing first-time homebuyer loans produced in one of the designated regions for the program on an annual basis. Designations are not intended as a formal referral or preference for individual loan officers and no financial or other measurable benefit is intended to be granted to loan officers on a preferential basis.
