Chapter 1 – Introduction

1.01 Minnesota Housing Mission Statement

Housing is foundational to a full life and a thriving state, so we equitably collaborate with individuals, communities and partners to create, preserve and finance housing that is affordable.

1.02 Values Statement

All Minnesotans live and thrive in a stable, safe and accessible home they can afford in a community of their choice. To achieve the concept of One Minnesota where everyone thrives, we will reorient how we work and expand who has a voice at the table and who participates in and benefits from the housing economy.

We will:

- Center the people and places most impacted by housing instability at the heart of our decision making,
- Listen and share the power we have,
- Honor, respect and strengthen communities, and
- Be inclusive, equitable, just and antiracist in our actions.

1.03 Background

The Minnesota Housing Finance Agency (“Minnesota Housing”) was created in 1971 by the Minnesota Legislature.

Minnesota Housing offers two mortgage loan programs to serve low- and moderate-income homebuyers:

- The Start Up Program for first-time homebuyers, a first mortgage loan program with access to downpayment and closing cost loans.
- The Step Up Program for home purchase or refinance, with access to a downpayment and closing cost loan. Refer to the Step Up Program Procedural Manual for Step Up Program requirements.

Lenders originate and close loans under their individual underwriting and closing procedures. A Master Servicer purchases and securitizes closed loans originated by a Lender under prescribed program requirements. Lenders are advised that underlying eligible product guidelines and Master Servicer requirements apply, which may be more restrictive than the Minnesota Housing guidelines. Minnesota Housing’s current Master Servicer is U.S. Bank Home Mortgage—Housing Finance Agency Division (U.S. Bank – HFA Division).

Minnesota Housing offers the Monthly Payment Loan and Deferred Payment Loan (including Deferred Payment Loan Plus) for Start Up Program Borrowers who need funds for downpayment and closing costs.

1.04 Procedural Manual

This Procedural Manual sets forth the terms and conditions under which U.S. Bank – HFA Division will purchase mortgages under Minnesota Housing’s Start Up Program, including downpayment and closing cost loans.

1.05 Mortgage Revenue Bond Programs

The Start Up Program offers low-interest loans throughout Minnesota to low- and moderate-income, First-Time Homebuyer Borrowers through local participating Lenders.

1.06 Downpayment and Closing Cost Loans

Deferred Payment Loan Program ([see Chapter 7](#)). The Deferred Payment Loans provide an interest-free deferred loan to assist Borrowers with downpayment and closing costs. The Deferred Payment Loan is structured to require a lump-sum balloon payment at loan maturity.

Monthly Payment Loan ([see Chapter 7](#)). The Monthly Payment Loan provides an amortizing loan with an interest rate equal to the first mortgage to assist Borrowers with downpayment and closing costs.

1.07 The Master Servicer

U.S. Bank Home Mortgage Housing Finance Agency Division (U.S. Bank – HFA Division), is the Master Servicer for Minnesota Housing and as such purchases Start Up Program Loans and issues mortgage-backed securities for the Agency. In order to be eligible for purchase, loans must meet the guidelines set forth in this Procedural Manual and all requirements published by U.S. Bank – HFA Division in [AllRegs](#).

Chapter 2 – Responsible Lending

2.01 Procedural Manual

This Procedural Manual is a supplement to the Participation Agreement for Minnesota Housing Single Family Mortgage Programs, as amended or supplemented (referred to as the Participation Agreement) for Minnesota Housing mortgage programs executed between the Lender and Minnesota Housing. This Procedural Manual, which may be changed and modified, is incorporated into the Participation Agreement by reference and is a part of it as fully as if in the Participation Agreement at length.

Minnesota Housing reserves the right to:

- Change the program interest rate(s) at any time and at its sole discretion
- Change the commitment policy at any time
- Alter or waive any of the requirements
- Impose other or additional requirements
- Rescind or amend any or all materials effective as of the date of issue unless otherwise stated
- Grant waivers, alterations, or make revisions at its sole discretion

2.02 Single Family Responsible Lending Policy

Minnesota Housing uses prudent, sound and responsible business practices in marketing and product design related to its Single Family loan programs. Minnesota Housing designs programs with a focus and goal of successful homeownership, which means Borrowers, must have the knowledge, ability, willingness and capacity to repay their housing debt. Minnesota Housing does not offer subprime or high cost mortgage lending programs. Minnesota Housing reviews portfolio and market conditions regularly to ensure that business practices are updated as needed to meet its responsible lending goals.

In delivering Single Family loan programs, Minnesota Housing policies address:

- Lender relationships and a Lender's role and responsibility in originating and delivering quality, compliant loans under the Minnesota Housing program. These responsibilities include:
 - Lender must evaluate a Borrower's repayment capacity, including evaluating risk layering and documenting sources of Borrower income(s), Borrower assets and Borrower liabilities
 - Lenders are prohibited from steering
 - Lenders must comply with all high cost and higher priced home loan rules and regulations
 - Loans may not contain prepayment penalties
 - Mandatory arbitration clauses are not permitted

- Single Premium Credit Life Insurance may not be required, nor can any funds provided by Minnesota Housing be used toward the purchase of any credit insurance products or premiums
- Compliance with the Interagency Guidelines on Nontraditional Mortgage Product Risks
- Compliance with all local, state and federal regulations as well as Minnesota Housing program guidelines as applicable to each individual loan transaction

2.03 Evidence of Misconduct Referred to Attorney General

- Minnesota Housing will refer any evidence of fraud, misrepresentation, or other misconduct in connection with the operation of these programs to the Minnesota Attorney General’s office for appropriate legal action.
- If, after a loan is made, the Lender discovers any material misstatements or misuse of the proceeds of the loan by the Borrower(s) or others, the Lender must promptly report the discovery to Minnesota Housing and U.S. Bank – HFA Division.
- Minnesota Housing, or U.S. Bank – HFA Division, or both, may exercise all remedies available to them under the Participation Agreement or otherwise, both legal and equitable, to recover funds from the Lender or the Borrower(s). This includes possible repayment of loan funds, repayment of administrative costs, repayment of fees or commissions received by the Lender in connection with the loan, reimbursement of all attorney fees, legal expenses, court costs, or any other expenses incurred in connection with the loan or its recovery.

2.04 Disclosure and Use of Social Security Number/Minnesota Tax Identification Number

The Minnesota Revenue Recapture Act (Minnesota Statutes, Sections 270A.01 to 270A.12, as amended) allows the disclosure of the Borrower(s) Social Security Number to the Minnesota Department of Revenue.

This could result in the application of state tax refunds to the payment of any delinquent indebtedness of the Borrower(s) to Minnesota Housing.

This collection remedy is in addition to and not in substitution for any other remedy available by law.

2.05 Unauthorized Compensation

The Lender may receive fees as approved in this Procedural Manual. However, the Lender may not receive or demand from the realtor, builder, Property Seller, or Borrower(s):

- Kickbacks
- Commissions
- Other compensation

2.06 Minnesota Housing Due Diligence Audit Guidelines and Requirements

The Lender is required to keep on file a complete copy of documents for each loan originated for purchase by U.S. Bank – HFA Division. A loan file may be requested to be forwarded to Minnesota Housing for review. Loan audits will include, but are not limited to, a minimum of 10% of all loans purchased by U.S. Bank – HFA Division.

Audited loans are reviewed for:

- Mortgage revenue bond law compliance
- Minnesota Housing program and policy compliance
- Fraud or misrepresentation on the part of any party involved in the transaction
- Trends or other indicators that may have an impact on the success of the Borrower(s) and programs

- This Procedural Manual
- The Participation Agreement
- The U.S. Bank – HFA Division Lender Guide
- Applicable state and federal laws, rules, and regulations

Upon termination of a Lender’s Participation Agreement:

- U.S. Bank – HFA Division will continue to purchase eligible loans delivered to U.S. Bank—HFA Division for loans originated prior to the termination.
- Minnesota Housing will not refund participation fees to the Lender.
- Minnesota Housing may, at its option, impose remedies other than termination of the Participation Agreement for Lender nonperformance.
- The Lender may request reinstatement into Minnesota Housing programs. The decision to reinstate a Lender is at Minnesota Housing’s and U.S. Bank – HFA Division’s sole discretion.

2.08 Representations and Warrants

The Lender agrees to follow all applicable federal, State, and local laws, ordinances, regulations, and orders including, but not limited to:

- Ability-to-Repay Qualified Mortgage (QM) Rule

In addition to the above-listed representations and warranties, the Lender will ensure that the person who confirms the loan on Minnesota Housing’s loan commitment system and who verifies the Lender Representations and Warranties on behalf of the Lender, has both the authority to legally bind the Lender and is fully conversant with:

2.11 Marketing Materials Terms of Use

Lenders must follow Minnesota Housing's [Terms of Use](#) for marketing materials and the Participation Agreement requirements for marketing and use of Minnesota Housing's name or logo.

Chapter 3 – Master Servicer Requirements

Minnesota Housing's Master Servicer, U.S. Bank – HFA Division, has requirements in addition to Minnesota Housing's program requirements and underlying product guidelines. U.S. Bank – HFA Division's requirements may be more restrictive and may vary by different state Housing Finance Agencies.

Lenders should review and comply with all applicable U.S. Bank – HFA Division requirements, including Minnesota Housing specific requirements, in [AllRegs](#). U.S. Bank – HFA Division has an Overlay Matrix resource on AllRegs highlighting common overlays (not comprehensive). In addition to U.S. Bank – HFA Division's overlays, Lenders must follow U.S. Bank – HFA Division's loan delivery, documentation, servicing, fees policies and all other due diligence.

6.04 Refinancing of an Existing Mortgage

Borrowers may not use the Start Up Program to refinance an existing loan unless the Start Up Program loan replaces or refinances temporary initial financing.

6.05 Subsidy Recapture Statement

Federal law requires that all loans funded by mortgage revenue bonds be subject to subsidy recapture regulations. Subsidy recapture enables the federal government to collect some of the subsidy realized by Borrower(s) from the interest rate differential resulting from the mortgage revenue bond financing.

The recapture tax is payable through the Borrower's Federal Income Tax Returns for the year the Borrower sells or transfers an eligible residence. The recapture tax provisions of the Code apply to all Borrowers. The recapture may apply if all three of the following conditions occur at once:

- The residence is sold within the first nine years of the closing date
- The Borrower realizes a gain on the sale of the residence (as defined by the IRS)
- The Borrower's income has increased since the closing date and exceeds the limits established by the IRS

To ensure understanding and disclosure of subsidy recapture, the Lender must:

- Explain subsidy recapture to the Borrower(s) at the time of loan application (see the [Start Up Program Required Forms Summary](#))

Require the Borrower(s) to sign the completed Subsidy Recapture Statement

- At closing or as close to closing as possible

6.06 Interest Rate/Amortization Requirements

C.04 Conflict of Interest

A conflict of interest – Actual, Potential or Appearance of a Conflict of Interest – occurs when a person has an actual or apparent duty or loyalty to more than one organization and the competing duties or loyalties may result in actions which are adverse to one or both parties. A Potential Conflict of Interest or Appearance of a Conflict of Interest exists even if no unethical, improper or illegal act results from it.

- **Actual Conflict of Interest:** An Actual Conflict of Interest occurs when a person’s decision or action would compromise a duty to a party without taking immediate appropriate action to eliminate the conflict.
- **Potential Conflict of Interest:** A Potential Conflict of Interest may exist if a person has a relationship, affiliation or other interest that could create an inappropriate influence if the person is called on to make a decision or recommendation that would affect one or more of those relationships, affiliations or interests.
- **Appearance of a Conflict of Interest:** The Appearance of a Conflict of Interest means any situation that would cause a reasonable person, with knowledge of the relevant facts, to question whether another person’s personal interest, affiliation or relationship inappropriately influenced that person’s action, even though there may be no Actual Conflict of Interest.

A conflict of interest includes any situation in which one’s judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to a Partner, Family Member, Relative, Friend, Business or other Outside Interest with which they are involved. Such terms are defined below.

- **Business:** Any company, corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual or any other legal entity which engages either in nonprofit or profit-making activities.
- **Family Member:** A person’s current and former spouse; children, parents, and siblings; current and former children-in-law, parents-in-law, and siblings-in-law; current and former stepchildren and stepparents; grandchildren and grandparents; and members of the person’s household.
- **Friend:** A person with whom the individual has an ongoing personal social relationship. “Friend” does not generally include a person with whom the relationship is primarily professional or primarily based on the person being a current or former colleague. “Friend” does not include mere acquaintances (i.e., interactions are coincidental or relatively superficial). Social media friendships, connections, or links, by themselves, do not constitute friendship.
- **Outside Interest:** An Outside Interest may occur when an individual, their Family Member or their Partner has a connection to an organization via employment (current or prospective), has a financial interest or is an active participant.
- **Partner:** A person’s romantic and domestic partners and outside Business partners.
- **Relative:** Uncle or aunt; first or second cousin; godparent; godchild; other person related by blood, marriage or legal action with whom the individual has a close personal relationship.

Once made aware of a conflict of interest, Minnesota Housing will make a determination before disbursing any further funds or processing an award. Determinations could include:

- Revising the contracting party’s responsibilities to mitigate the conflict
- Allowing the contracting party to create firewalls that mitigate the conflict
- Asking the contracting party to submit an organizational conflict of interest mitigation plan
- Terminating the contracting party’s participation

Any person or entity (including its employees and affiliates) that enters into a contract with Minnesota Housing must avoid and immediately disclose to Minnesota Housing any and all conflicts of interest through one of the communication channels described in section C.07.

C.05 Assistance to Employees and Affiliated Parties

Any party entering into a contract with Minnesota Housing for the purpose of receiving an award or benefit in the form of a loan, grant, combination of loan and grant or other funding is restricted in issuing a loan, grant, combination of loan and grant or other funding to a recipient (“Affiliated Assistance”) who is also: (1) a director, officer, agent, consultant, employee or Family Member of an employee of the contracting party; (2) an elected or appointed official of the State of Minnesota; or (3) an employee of Minnesota Housing, unless each of the following provisions are met:

- The recipient meets all eligibility criteria for the program;
- The assistance does not result in a violation of the contracting party’s internal conflict of interest policy, if applicable;
- The assistance does not result in a conflict of interest as outlined in section 1.04;
- The assistance is awarded utilizing the same costs, terms and conditions as compared to a similarly situated unaffiliated recipient and the recipient receives no special consideration or access as compared to a similarly situated unaffiliated recipient; and
- The assistance is processed, underwritten and/or approved by staff/managers who are independent of the recipient and independent of any Family Member of the recipient. Family Member is defined in section C.04.

A contracting party need not disclose Affiliated Assistance to Minnesota Housing. However, the contracting party must document and certify, prior to the award, that the Affiliated Assistance meets each of the provisions outlined above. This documentation must be included in the Affiliated Assistance file and must be made available to Minnesota Housing upon request. Affiliated Assistance that does not meet each of the provisions outlined above will be considered a violation of Minnesota Housing conflict of interest standards and must be reported by the contracting party through one of the communication channels outlined in section C.07.

C.06 Suspension

By entering into any contract with Minnesota Housing, a contracting party represents that the contracting party (including its employees or affiliates that will have direct control over the subject of the contract) has not been suspended from doing business with Minnesota Housing. C.09 Fair Housing Policy

It is the policy of Minnesota Housing to affirmatively further fair housing in all its programs so that individuals of similar income levels have equal access to Minnesota Housing programs, regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, familial status, gender identity or sexual orientation.

Minnesota Housing’s fair housing policy incorporates the requirements of Title VI of the Civil Rights Act of 1968; the Fair Housing Act, Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendment Act of 1988; and the Minnesota Human Rights Act. Housing providers and other entities involved in real-estate related transactions are expected to comply with the applicable statutes, regulations and related policy guidance. Housing providers should ensure that admissions, occupancy, marketing and operating procedures comply with non-discrimination requirements. Housing providers and other entities involved in real-estate related transactions must comply with all non-discrimination requirements related to the provision of credit, as well as access to services.

In part, the Fair Housing Act and the Minnesota Human Rights Act make it unlawful, because of protected class status, to:

- Discriminate in the selection/acceptance of applicants in the rental of housing units;
- Discriminate in the making or purchasing of loans for purchasing, constructing or improving a dwelling, or in the terms and conditions of real-estate related transactions;
- Discriminate in the brokering or appraisal of residential property;
- Discriminate in terms, conditions or privileges of the rental of a dwelling unit or services or facilities;
- Discriminate in the extension of personal or commercial credit or in the requirements for obtaining credit;
- Engage in any conduct relating to the provision of housing that otherwise make unavailable or denies the rental of a dwelling unit;
- Make, print or publish (or cause to make, print or publish) notices, statements or advertisements that indicate preferences or limitations based on protected class status;
- Represent a dwelling is not available when it is in fact available;
- Refuse to grant a reasonable accommodation or a reasonable modification to a person with a disability;
- Deny access to, or membership or participation in, associations or other services organizations or facilities relating to the business of renting a dwelling or discriminate in the terms or conditions of membership or participation; or
- Engage in harassment or quid pro quo negotiations related to the rental of a dwelling unit.

Minnesota Housing has a commitment to affirmatively further fair housing for individuals with disabilities by promoting the accessibility requirements set out in the Fair Housing Act, which establish design and construction mandates for covered multifamily dwellings and requires those in the business of buying and selling dwellings to make reasonable accommodations and to allow persons with disabilities to make reasonable modifications.

C.10 Minnesota Government Data Practices

Minnesota Housing, and any party entering into a contract with Minnesota Housing, must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota Housing under the contract, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by the contracting party under the contract. The civil remedies of Minnesota Statutes Section 13.08 apply to the release of the data referred to in this section by either the contracting party or Minnesota Housing. If the contracting party receives a request to release the data referred to in this section, the contracting party must notify Minnesota Housing. Minnesota Housing will give the contracting party instructions concerning the release of the data to the requesting party before the data is released. The contracting party's response to the request shall comply with applicable law.
