Minnesota Housing Finance Agency has prepared this Official Statement to provide information about the Series Bonds. Selected information is presented on this cover page for the convenience of the user. To make an informed decision regarding the Series Bonds, a prospective investor should read all of this Official Statement. Capitalized terms used on this cover page have the meanings given in this Official Statement.

$9,880,000
MINNESOTA HOUSING FINANCE AGENCY
$2,580,000 Rental Housing Bonds, 2025 Series A-1 (Non-AMT)
$7,300,000 Rental Housing Bonds, 2025 Series A-2 (Non-AMT)

Dated: Date of Delivery **Due: as shown on inside front cover**

Tax Exemption	Interest on the Series Bonds is excludable from gross income for federal income tax purposes, except for interest on any Series Bond for any period during which such Series Bond is held by a "substantial user" of the facilities financed by the Series Bonds or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended. Interest on the Series Bonds is excludable in taxable net income of individuals, trusts and estates for Minnesota income tax purposes. (For additional information, including further information on the application of federal and state alternative minimum tax provisions to the Series Bonds, see "Tax Exemption and Related Considerations" herein.)
Redemption	The Agency may redeem all or a portion of the Series Bonds by optional or special redemption and, with respect to the 2025 Series A-1 Bonds, by sinking fund redemption as described under "The Series Bonds" herein.
Security	Payment of principal and interest on the Series Bonds is secured, on an equal basis with payment of principal and interest on all Outstanding Bonds that the Agency has issued, and may subsequently issue, under the Bond Resolution, by a pledge of Bond proceeds, Mortgage Loans, Investments, Revenues and other assets held under the Bond Resolution. The Series Bonds are also general obligations of the Agency, payable out of any of its generally available moneys, assets or revenues. THE AGENCY HAS NO TAXING POWER. THE STATE OF MINNESOTA IS NOT LIABLE FOR THE PAYMENT OF THE SERIES BONDS AND THE SERIES BONDS ARE NOT A DEBT OF THE STATE. (See "Security for the Bonds.")
Interest Payment Dates	February 1 and August 1, commencing August 1, 2025.
Denominations	$5,000 or any integral multiple thereof.
Closing/Settlement	On or about January 28, 2025 through the facilities of DTC in New York, New York.
Bond Counsel	Kutak Rock LLP.
Underwriter's Counsel	Dorsey & Whitney LLP.
Trustee	Computershare Trust Company, National Association, in St. Paul, Minnesota.
Book-Entry-Only System	The Depository Trust Company. (See Appendix E herein.)

The Series Bonds are offered, when, as and if issued, subject to withdrawal or modification of the offer without notice and to the opinion of Kutak Rock LLP, Bond Counsel, as to the validity of, and tax exemption of interest on, the Series Bonds.

OFFICIAL STATEMENT

relating to
$9,880,000
MINNESOTA HOUSING FINANCE AGENCY
$2,580,000 Rental Housing Bonds, 2025 Series A-1 (Non-AMT)
$7,300,000 Rental Housing Bonds, 2025 Series A-2 (Non-AMT)

This Official Statement (which includes the Appendices) provides certain information concerning the issuance and sale by Minnesota Housing Finance Agency (the "Agency") of its Rental Housing Bonds, 2025 Series A-1 in the principal amount of $2,580,000 (the "Series A-1 Bonds") and its Rental Housing Bonds, 2025 Series A-2 in the principal amount of $7,300,000 (the "Series A-2 Bonds" and together with the Series A-1 Bonds, the "Series Bonds"). The Agency is issuing the Series Bonds pursuant to Minnesota Statutes, Chapter 462A, as amended (the "Act"), a resolution of the Agency adopted February 25, 1988 (as amended and supplemented in accordance with its terms, the "Bond Resolution"), and a series resolution of the Agency adopted October 24, 2024 (the "Series Resolution"). (The Bond Resolution and the Series Resolution are herein sometimes referred to as the "Resolutions.")

The Rental Housing Bonds Outstanding in the aggregate principal amount of $189,680,000 as of December 31, 2024, the Series Bonds and any additional Rental Housing Bonds issued pursuant to the Bond Resolution (collectively referred to as the "Bonds"), are and will be equally and ratably secured under the Bond Resolution.

The Resolutions should be referred to for the definitions of capitalized terms used herein, some of which are reproduced in this Official Statement. The summaries and references herein to the Act, the Resolutions and other documents are only brief outlines of certain provisions and do not purport to summarize or describe all the provisions thereof. All references herein to the Act, the Bond Resolution and the Series Resolution are qualified in their entirety by reference to the Act and the Resolutions, copies of which are available from the Agency, and all references to the Series Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Resolutions.

INTRODUCTION

The Agency is a public body corporate and politic, constituting an agency of the State of Minnesota. The Act authorizes the Agency to issue bonds for the purpose, among other purposes, of making mortgage loans to sponsors of residential housing for occupancy by persons and families of low and moderate income if the Agency determines that those loans are not otherwise available from private lenders with equivalent terms and conditions.

Since its creation in 1971, the Agency has issued bonds to purchase single family mortgage loans, to purchase home improvement loans and to finance multifamily developments. In addition to financing loans through the issuance of debt, the Agency finances grants and loans through State and federal appropriations and its Alternative Loan Fund in the Residential Housing Finance Bond Fund. Please refer to the information in the notes to the financial statements included in Appendix B-1 to this Official Statement at pages 72 and 73 under the heading "Net Position — Restricted by Covenant."

The Agency uses proceeds of Bonds it issues pursuant to the Bond Resolution to finance a portion of the activities undertaken pursuant to the Rental Housing Program (the "Program"). The multifamily division of the Agency administers the Program. The purpose of the Program is to increase the supply of, and to maintain and improve, the rental housing stock in Minnesota that is affordable to low and moderate income households. The Program has also provided financing for nonprofit group homes for the developmentally disabled. Through the use of bond financing and other funding sources, the Agency intends that the Program will provide both short-term and long-term, fixed rate, first lien (or second lien if the Agency also holds the first lien) mortgage loans ("Mortgage Loans"), and, under certain circumstances, subordinate mortgage loans ("Subordinate Mortgage Loans"), to finance the construction, acquisition, rehabilitation or refinancing of multifamily rental housing and group home developments (the "Developments"). The Bond Resolution authorizes, upon conditions set forth therein, the issuance of additional series of Bonds on a parity with the Outstanding Bonds, including the Series Bonds.

In recognition of certain risks inherent in mortgage lending, the Agency has adopted policies and review procedures for detailed evaluation of the Developments that it finances prior to making Mortgage Loan commitments. To assure completion of rehabilitation, construction and proper maintenance, the Agency has established reserve and escrow requirements and procedures for regulating and monitoring operations with respect to the Developments. The procedures the Agency presently uses to reduce those risks are described more fully herein under the heading "The Rental Housing Program."

The Agency intends to use the proceeds of the Series Bonds for the following purposes: (i) proceeds of the Series A-1 Bonds will be used primarily to fund a long-term first lien mortgage loan, and (ii) proceeds of the Series A-2 Bonds will be used to fund a short-term second lien mortgage loan, both to a private owner, that will finance a portion of the costs of acquisition and construction of a multifamily housing development in Little Falls, Minnesota. (See "The Development.") The Series Bonds are general obligations of the Agency payable from any of its moneys, assets or revenues, subject to the provisions of other resolutions and indentures now or hereafter pledging particular moneys, assets or revenues, to particular notes or bonds, and federal or State laws heretofore or hereafter enacted appropriating funds to the Agency for a specified purpose. The net position of the General Reserve and the Alternative Loan Fund are legally available if needed to pay debt service on any obligations of the Agency, including the Series Bonds. (For purposes of the Resolutions, the General Reserve is designated as the General Reserve Account.) (See "The Agency — Net Position Restricted By Covenant and Operations to Date – General Reserve; Alternative Loan Fund.")

The Agency has further pledged as security for the payment of the Series Bonds (on an equal basis with the Outstanding Bonds issued and that may be issued under the Bond Resolution) amounts on deposit and investments in certain accounts and funds established pursuant to the Resolutions, including the Debt Service Reserve Fund established pursuant to the Bond Resolution in accordance with the Act. Under the Act, upon certification by the Agency, the State Legislature may, but is not required to, appropriate amounts that may be necessary to restore the Debt Service Reserve Fund to an amount equal to the Debt Service Reserve Requirement. (See "Security for the Bonds.")

Although the State has appropriated amounts to the Agency for various specific purposes (see "The Agency — State Appropriations"), the Agency generally pays its general and administrative expenses from certain interest earnings and fees charged in connection with its bond-funded programs. For programs funded through State appropriations, the Agency recovers the costs of administering the programs only to the extent of interest earnings on the appropriations. The appropriations are not available to pay debt service on the Bonds.

The Agency has no taxing power. Neither the State of Minnesota nor any political subdivision thereof is or will be obligated to pay the principal or redemption price of, or interest on, the Series Bonds and neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to that payment.

THE AGENCY

Purpose

The Agency was created in 1971 by the Act as a public body corporate and politic, constituting an agency of the State of Minnesota, in response to legislative findings that there existed in Minnesota a serious shortage of decent, safe, and sanitary housing at prices or rentals within the means of persons and families of low and moderate income, and that the then present patterns of providing housing in the State limited the ability of the private building industry and the investment industry to produce that housing without assistance and resulted in a failure to provide sufficient long-term mortgage financing for that housing.

Structure

Under the Act, the membership of the Agency consists of the State Auditor and six public members appointed by the Governor with the advice and consent of the Senate for terms of four years. Pursuant to the Act, each member continues to serve until a successor has been appointed and qualified. The Chair of the Agency is designated by the Governor from among the appointed public members. Pursuant to state law, the State Auditor may delegate duties and has delegated her duties as a member of the Agency in the event that the Auditor is unable to attend a meeting of the Agency.

The present members of the Agency, who serve without compensation (except for per diem allowance and expenses for members not otherwise compensated as public officers), are listed below.

John DeCramer, Chair — Term expires January 2028, Marshall, Minnesota – Magnetics Engineer

The Honorable *Julie Blaha — Ex officio*, St. Paul, Minnesota – State Auditor

Melanie Benjamin, Member — Term expired January 2025,* Onamia, Minnesota – Consultant

Eric Cooperstein, Member — Term expires January 2027, Edina, Minnesota – Attorney

Stephanie Klinzing, Member — Term expires January 2027, Elk River, Minnesota – Writer and Publisher

Stephen Spears, Member — Term expires January 2026, Plymouth, Minnesota – Banker

Terri Thao, Vice Chair — Term expires January 2028, St. Paul, Minnesota – Program Director

---

*Continues to serve until a successor is appointed and qualified.

Staff

The staff of the Agency presently consists of approximately 315 persons, including professional staff members and contractors who have responsibilities in the fields of finance, law, mortgage underwriting, architecture, construction inspection and housing management. The Attorney General of the State of Minnesota provides certain legal services to the Agency.

The Commissioner is appointed by the Governor. The Act authorizes the Commissioner of the Agency to appoint the permanent and temporary employees as the Commissioner deems necessary subject to the approval of the Commissioner of Management and Budget.

The principal officers and staff related to the Program are as follows:

Jennifer Ho — Commissioner-Designee, appointed effective January 2019. When Governor Tim Walz took office on January 7, 2019, Ms. Ho was appointed Commissioner and has all of the powers and will perform all of the duties of the office. The appointment of Ms. Ho as Commissioner may be confirmed or rejected by the advice and consent of the state of Minnesota Senate. Prior to her appointment, Ms. Ho was the Senior Policy Advisor for Housing and Services at the U.S. Department of Housing and Urban Development during the Obama Administration. Prior to that, she served as deputy director at the United States Interagency Council on Homelessness (USICH), shepherding the creation of Opening Doors, the nation's first-ever comprehensive federal plan to prevent and end homelessness. Ms. Ho worked with former First Lady Michelle Obama to launch the Mayors Challenge to End Veteran Homelessness that resulted in reducing the number of veterans experiencing homelessness on any night by nearly half. In 1999, as Executive Director of Hearth Connection, a Minnesota non-profit, she began her work to end homelessness by managing a nationally-recognized demonstration project on supportive housing and long-term homelessness for single adults, youth and families in Ramsey and Blue Earth counties. Ms. Ho oversaw the replication of that project in 34 additional counties in partnership with the Fond du Lac, Bois Fort and Grand Portage Tribal Bands. She has served on the Boards of Directors for West Side Community Health Services in St. Paul, and nationally for the Corporation

for Supportive Housing and the Melville Charitable Trust. Ms. Ho received a Bachelor of Arts Degree in philosophy from Bryn Mawr College.

Rachel Robinson — Deputy Commissioner, appointed effective March 2019. Prior to this position, Ms. Robinson was Fund Manager for the NOAH Impact Fund, a subsidiary of the Greater Minnesota Housing Fund, a certified Community Development Financial Institution, from 2016 to 2019, responsible for securing investment commitments, structuring transactions, developing investor and partner relations, and ensuring that social impact goals and compliance requirements were met. She has worked in affordable housing development and finance for over 15 years, including with CommonBond Communities from 2011 to 2015, where as Vice President she developed and led enterprise asset management systems, and as Senior Housing Development Manager from 2008 to 2011. Ms. Robinson was also Director of Property Development at Artspace Projects, Inc. from 2015 to 2016. She holds a Master's degree in Urban and Regional Planning from the University of Minnesota Humphrey School of Public Affairs and a Bachelor of Arts degree in Urban Studies from Macalester College, St. Paul, Minnesota.

Debbi Larson — Executive Finance Officer appointed effective November 2024. Ms. Larson was Director of Finance from December 2019 to November 2024 and Controller and Director of Financial Operations for the Agency from August 2015 to December 2019. Prior to those positions, she was Director of Finance and Information Technology for a subsidiary of Taylor Corporation and responsible for domestic and international locations and, prior to that, was the Chief Financial Officer for a division of the Minnesota Department of Corrections. Ms. Larson previously held various accounting positions of increasing responsibility. Ms. Larson holds a Bachelor of Science degree with a concentration in Accounting from the University of Phoenix, and an MMBA (accelerated MBA program) Executive Leadership certification from the University of St. Thomas.

Matthew Dieveney — Executive Investment Officer appointed effective November 2024. Mr. Dieveney was previously Secondary Marketing Director for the Agency since 2016. Prior to that position, he held various roles of increasing responsibility in the Single Family division and later the Finance division, since joining the Agency in 2008. Mr. Dieveney holds a Bachelor of Arts degree with a major in Finance from the University of Minnesota-Duluth, and a Master of Business Administration degree from the University of Minnesota Carlson School of Management.

Irene Kao — General Counsel, appointed effective November 2022. Prior to this position, Ms. Kao was the Intergovernmental Relations Counsel at the League of Minnesota Cities where she served as legislative legal counsel and lobbyist representing cities on issues related to land use and zoning, data practices, Open Meeting Law, procurement, and civil liability. She also serves as adjunct faculty at Mitchell Hamline School of Law. Ms. Kao earned a law degree from Mitchell Hamline School of Law, a Master of Arts degree in College Student Personnel from the University of Maryland College Park and a Bachelor of Arts degree in English and Psychology from the University of Minnesota Twin Cities.

James Lehnhoff — Assistant Commissioner, Multifamily, appointed effective March 2019. Mr. Lehnhoff was most recently the Director of Portfolio Strategy at CommonBond Communities. He has more than 16 years of local government, municipal finance, and real estate development experience, including extensive work in affordable housing development, Pro Forma analysis, land use planning, economic development, community engagement, and project management. Mr. Lehnhoff has successfully implemented complex and nationally recognized affordable housing development projects to advance community goals. Prior to joining CommonBond, he was a municipal advisor at Ehlers & Associates from October 2016 to September 2018, served as the Vice President of Real Estate at Aeon from August 2010 to October 2016, and was the Community Development Director for the City of Arden Hills from January 2006 to August 2010. Mr. Lehnhoff earned a Master's degree in Urban and Regional Planning from the University of Minnesota Hubert H. Humphrey School of Public Affairs and a Bachelor of Arts degree in Geography from the University of Minnesota Duluth.

The Agency's offices are located at 400 Wabasha Street North, St. Paul, Minnesota 55102, and its general telephone number is (651) 296-7608. The Agency's website address is http://www.mnhousing.gov. No portion of the Agency's website is incorporated into this Official Statement.

Independent Auditors

The financial statements of the Agency as of and for the year ended June 30, 2024, included in this Official Statement as Appendix B-1, have been audited by RSM US LLP, independent auditors, as stated in their report

appearing herein. RSM US LLP has not been engaged to perform, and has not performed, any procedures on the financial statements after June 30, 2024. RSM US LLP also has not performed any procedures relating to this Official Statement.

Financial Statements of the Agency

The Agency financial statements included in this Official Statement as Appendix B-1 as of and for the fiscal year ended June 30, 2024 are presented in combined "Agency-wide" form followed by "fund" financial statements presented for its major funds in order to comply with the requirements of Statement No. 34 of the Governmental Accounting Standards Board ("GASB") .

Information regarding the Minnesota State Retirement System ("MSRS"), to which the Agency contributes, is included in Appendix B-1 in the Notes to Financial Statements at pages 74 through 77 under the heading "Defined Benefit Pension Plan." The Agency's allocable portion of net pension liability reported at June 30, 2024, with respect to MSRS was $6.694 million. The Agency's total net pension liability and post-employment benefits liability was $8.963 million as of June 30, 2024.

In Appendix B-2 to this Official Statement, the Agency has included certain unaudited financial statements of the Agency (excluding State Appropriated and Federal Appropriated Funds) as of and for the three months ended September 30, 2024. The Agency has prepared the information in Appendix B-2 and, in the opinion of the Agency, that information reflects all normal recurring adjustments and information necessary for a fair statement of the financial position and results of operations of the Agency (excluding State and Federal Appropriated Funds) for the period, subject to year-end adjustments. The information in Appendix B-2 is not accompanied by a statement from the independent auditors.

Disclosure Information

The Agency will covenant in a Continuing Disclosure Undertaking for the benefit of the Owners and Beneficial Owners (as defined in Appendix C hereto) of the Series Bonds to provide annually certain financial information and operating data relating to the Agency (the "Agency Annual Report") and to provide notices of the occurrence of certain enumerated events. (There is no other obligated person under the Continuing Disclosure Undertaking.) The Agency must file the Agency Annual Report no later than 120 days after the close of each fiscal year, commencing with the fiscal year ending June 30, 2025, with the Municipal Securities Rulemaking Board, at its EMMA internet repository. The Agency also must file notices of the occurrence of the enumerated events, if any, with EMMA. (See "Appendix C — Summary of Continuing Disclosure Undertaking.")

During the prior five years, the Agency failed to file with EMMA within 10 business days of the occurrence of a May 22, 2023, downgrade of the short-term rating by S&P of the Agency's Residential Housing Finance Bonds, 2019 Series H. The Agency did not receive any notice from S&P of that downgrade, which was triggered by the downgrade by S&P of the liquidity provider for those bonds. Upon discovery of the downgrade on July 6, 2023, the Agency that same day posted notice with EMMA of both the downgrade and failure to file to CUSIP 60416SP61. Also, on June 29, 2023, and July 27, 2023, the Agency entered into derivative agreements with The Bank of New York Mellon in connection with the Agency's Residential Housing Finance Bonds, 2023 Series I, with an issuance date of July 26, 2023, and Residential Housing Finance Bonds, 2023 Series K, with an issuance date of August 24, 2023, respectively. On August 23, 2023, the day after the Agency discovered that it had failed to file event notices regarding each of these financial obligations within 10 business days of their respective incurrence, the Agency posted notice of both the incurrence of those financial obligations and its failure to file to all CUSIPS of its bonds for which it had an obligation to report these events.

The specific nature of the information to be contained in the Agency Annual Report or the notices of events, and the manner in which these materials are to be filed, are summarized in "Appendix C — Summary of Continuing Disclosure Undertaking." The Agency has made these covenants to assist the Underwriter in complying with SEC Rule 15c2-12(b)(5) (the "Rule").

In addition to the information required by the Continuing Disclosure Undertaking, the Agency also uses its best efforts to prepare a semiannual disclosure report for the Bond Resolution and a quarterly disclosure report for its single family bond resolutions. Recent reports are available at the Agency's website at

http://www.mnhousing.gov/investors/disclosure.html, but no information on the Agency's website is incorporated into this Official Statement. The Agency is also committed to providing appropriate credit information as requested by any rating agency rating the Bonds at the Agency's request.

Net Position Restricted By Covenant and Operations to Date—General Reserve; Alternative Loan Fund

In addition to its bond funds pledged to the payment of particular bonds by bond resolutions of the Agency, the Agency has also established certain other funds that it has restricted by covenant. Currently, the restricted funds are the General Reserve and the Alternative Loan Fund. The General Reserve contains the Housing Endowment Fund (also referred to as "Pool 1") and the Agency's net investment in capital assets. The Alternative Loan Fund, which is held under the Residential Housing Finance Bond Resolution but is not pledged to pay bonds issued thereunder, comprises the Housing Investment Fund (also referred to as "Pool 2") and the Housing Affordability Fund (also referred to as "Pool 3"). The net position of the General Reserve and the Alternative Loan Fund is not pledged to the payment of the Bonds or any other debt obligations of the Agency but, to the extent funds are available therein, are generally available to pay any debt obligations of the Agency, including the Bonds.

Subject to the restrictions in the Bond Resolution and its other bond resolutions, the Agency may withdraw excess assets from bond funds held thereunder. To the extent the Agency withdraws excess assets from bond funds, the Agency has pledged to deposit those excess assets in the General Reserve or the Alternative Loan Fund, except for any amounts as may be necessary to reimburse the State for money appropriated to restore a deficiency in any debt service reserve fund.

The Agency has further covenanted that it will use the money in the General Reserve and the Alternative Loan Fund only to administer and finance programs in accordance with the policy and purpose of the Act. This includes creating reserves for the payment of bonds and for loans made from the proceeds thereof, and accumulating and maintaining a balance of funds and investments as will be sufficient for that purpose. To ensure that assets available in the General Reserve and the Alternative Loan Fund provide security for the Agency's bondowners as covenanted in the bond resolutions, the Agency has established investment guidelines for Pools 1 and 2. The investment guidelines are subject to change by the Agency from time to time in its discretion.

Under the net position requirements and investment guidelines effective January 23, 2014, the required size of Pool 1 (which is intended to be a liquidity reserve) is 1 percent of gross loans receivable (excluding mortgage-backed securities, appropriated loans and loans credited to Pool 3) and the required size of Pool 2 is an amount that would cause the combined net position (exclusive of unrealized gains and losses resulting from marking to market investment securities, including mortgage-backed securities, and swaps entered into by the Agency for which the unrealized loss or gain will not be realized if the security or swap is held to maturity or its optional termination date; and realized gains and losses resulting from the purchase and sale of investment securities between Agency funds) in the General Reserve, in Pool 2, and in the funds pledged under bond resolutions to be at least equal to the combined net position of the same funds as of the immediately preceding fiscal year end. Currently, this amount is $493.284 million, representing the combined net position of these funds so calculated as of June 30, 2024. Pool 2 is intended to comprise amortizing interest-bearing housing loans or investment grade securities. Pool 1 and Pool 2 represent, with assets pledged to pay bonds of the Agency, the sustainable lending operations of the Agency. Pool 3 represents the more mission-intensive operations of the Agency and is intended to comprise deferred, zero percent and low interest-rate loans and grants and, for unapplied funds, investment grade securities. Pool 3 is not subject to the investment guidelines. Loan activity related to loans financed by funds in Pool 2 and Pool 3 is recorded as part of the Alternative Loan Fund. The Agency approves all interfund transfers. A further discussion of Pools 1, 2 and 3 and the amounts credited thereto as of June 30, 2024 appears in the Notes to Financial Statements of the Agency included in Appendix B-1 to this Official Statement at pages 72 and 73 under the heading "Net Position — Restricted by Covenant."

The following summary indicates the revenues earned, the expenses paid, and funds transferred to and from the General Reserve (which contains Pool 1 and net investment in capital assets), for the two most recent audited fiscal years of the Agency and for the three-month period ended September 30, 2024 (unaudited) (in thousands):

	Three months Ended September 30, 2024 (unaudited)	Fiscal Year Ended June 30, 2024	Fiscal Year Ended June 30, 2023
Operating revenues

Net position beginning of period	10,332	9,490	8,891
Net position end of period	$10,281	$10,332	$9,490

(1) Fees earned consist primarily of fees collected in conjunction with the administration of the low income housing tax credit program and HUD contract administration of certain non-Agency financed Section 8 developments.

(2) The Agency transfers bond funds to the General Reserve for administrative reimbursement in accordance with the Agency's Affordable Housing Plan based on the adjusted assets of the bond funds. Adjusted assets are defined generally as total assets (excluding the reserve for loan loss), unrealized gains or losses on investments (including mortgage-backed securities and interest rate swap agreements), deferred loss on interest rate swap agreements and assets relating to escrowed debt.

(3) Reimbursement from appropriated accounts consists of the portion of direct and indirect costs of administering the programs funded by the appropriations. The Agency recovers costs associated with administering state appropriations only to the extent of interest earnings on the appropriations. Costs associated with administering federal appropriations generally are recovered from the appropriations.

(4) The Agency may transfer excess assets from bond funds to the General Reserve to the extent permitted by the resolution or indenture securing bonds of the Agency. In addition, the Agency may transfer funds in excess of the requirement for Pool 1 from the General Reserve to the Alternative Loan Fund. See the comments under the headings "Interfund Transfers" and "Net Position Restricted by Covenant" in the Notes to Financial Statements of the Agency in Appendix B-1 to this Official Statement for additional information.

State Appropriations

Over the years, the State Legislature has appropriated funds to the Agency to be used for low interest loans, grants, programs for low and moderate income persons and families and other housing related program costs. The Agency generally does not pay its general or administrative expenses from appropriated funds, although it can recover its allocable costs of administering State appropriations from investment earnings thereon. The State Legislature has appropriated funds to the Agency for its programs in every biennium since 1975. The Agency has expended or committed most of the appropriations.

Over the biennial periods ended June 30, 2015, through June 30, 2023, the total appropriations to the Agency aggregated approximately $562.15 million. For the biennial period ending June 30, 2025, the Legislature has appropriated approximately $1.075 billion to the Agency.

The appropriations are not available to pay debt service on the Bonds.

Agency Indebtedness

The principal amount of general obligation bonds and notes of the Agency that are outstanding at any time (excluding the principal amount of any refunded bonds and notes) is limited to $9,000,000,000 by State statute. The following table lists the principal amounts of general obligation indebtedness of the Agency outstanding as of December 31, 2024:

	Number of Series*	Final Maturity	Original Principal Amount* (in thousands)	Principal Amount Outstanding (in thousands)
Rental Housing Bonds.....	18	2066	$ 190,530	$ 189,680
Residential Housing Finance Bonds.....	107	2055	5,942,745	4,390,830
Homeownership Finance Bonds.....	59	2052	2,674,572	905,859
Multifamily Housing Bonds (Treasury HFA Initiative)	1	2051	15,000	12,160
General Purpose Bonds……..	1	2039	60,000	60,000
Totals.....	186		$8,882,847	$5,558,529

*Does not include series of bonds or the original principal amount of any bonds that had been, as of December 31, 2024, defeased or paid in full, whether at maturity or earlier redemption.

In early February 2025, the Agency expects to sell an estimated $100,000,000 in aggregate principal amount of its Residential Housing Finance Bonds, 2025 Series A and Series B, for delivery in late February 2025.

The payment of principal of and interest on general obligations of the Agency as shown above may be made, if necessary, from the General Reserve or the Alternative Loan Fund. (See "Net Position Restricted By Covenant and Operations to Date—General Reserve; Alternative Loan Fund" above.)

The Agency has entered into liquidity facilities and interest rate swap agreements in respect of its outstanding Residential Housing Finance Bonds that bear interest at a variable rate or floating rate and may be subject to optional and mandatory tender. Certain information related to those variable rate demand bonds, floating rate term bonds, liquidity facilities and swap agreements is included in the Notes to Financial Statements contained in Appendix B-1 to this Official Statement and in the unaudited financial statements contained in Appendix B-2 to this Official Statement. The Agency does not make any representation as to the creditworthiness of any provider or counterparty on facilities and agreements relating to its variable rate bonds.

Certain of the swap agreements obligate the Agency to make periodic fixed rate payments and entitled the Agency to receive periodic payments based on the United States dollar-denominated London Interbank Offered Rate ("USD LIBOR"); as of July 1, 2023, all of such swap agreements have been amended in accordance with industry protocols to replace USD LIBOR with the secured overnight financing rate ("SOFR"), a rate published by the Federal Reserve Bank of New York, but otherwise retaining the same computational periods.

In 2009, the Agency issued $13,270,000 in aggregate principal amount of its Nonprofit Housing Bonds (State Appropriation), Series 2009, to finance permanent supportive housing in two different multifamily housing developments. In 2011, the Agency issued $21,750,000 in aggregate principal amount of its Nonprofit Housing Bonds (State Appropriation), Series 2011, to finance permanent supportive housing in five additional multifamily housing developments. Both series of bonds were issued under a separate indenture of trust, are not general obligations of the Agency and are not payable from any funds or assets of the Agency other than the appropriations the Agency expects to receive from the State General Fund pursuant to a standing appropriation made by the Legislature in 2008.

From time to time, beginning in 2012, the Legislature has authorized the Agency to issue housing infrastructure bonds (the "Housing Infrastructure Bonds") for various purposes payable, like the Nonprofit Housing Bonds, solely from a standing appropriation from the State General Fund and not from any other funds or assets of the Agency. The aggregate principal amount of Housing Infrastructure Bonds that the Agency may issue is $565,000,000. The Agency has issued 33 series of its State Appropriation Bonds (Housing Infrastructure) in 2013 through 2024 in an aggregate principal amount of $511,090,000 under a separate indenture of trust.

On December 23, 2021, the Agency issued its Third Amended and Restated Bank Note (the "Amended Bank Note") to Royal Bank of Canada (the "Bank"), pursuant to a Revolving Credit Agreement dated as of June 1, 2018, as amended by a First Amendment to Revolving Credit Agreement dated as of October 28, 2019, a Second Amendment to Revolving Credit Agreement dated as of November 22, 2019, a Third Amendment to Revolving Credit Agreement dated as of November 12, 2020, a Fourth Amendment to Revolving Credit Agreement dated as of February 25, 2021, a Fifth Amendment to Revolving Credit Agreement dated as of December 23, 2021, a Sixth Amendment to Revolving Credit Agreement dated as of December 14, 2022, a Seventh Amendment to Revolving Credit Agreement dated as of December 22, 2023 and an Eighth Amendment to Revolving Credit Agreement dated as of December 12, 2024 (the "Amended Revolving Credit Agreement"), and as further amended from time to time, for the purpose of preserving current private activity bond volume cap by refunding the maturing principal or redemption price, as the case may be, of portions of Homeownership Finance Bonds and Residential Housing Finance Bonds previously issued by the Agency (collectively, the "Single Family Housing Bonds"). Upon the refunding of Single Family Housing Bonds with amounts advanced to the Agency pursuant to the Amended Revolving Credit Agreement as evidenced by the Amended Bank Note, funds representing prepayments and repayments of mortgage loans financed with Single Family Housing Bonds, and other amounts available under the applicable bond resolution for the payment of those Single Family Housing Bonds, will be deposited into a cash collateral fund established under a separate amended and restated indenture of trust, as amended (the "2018 Revolving Credit Indenture"), between the Agency and Computershare Trust Company, National Association, as successor trustee, as security for the repayment of the principal amount of the Amended Bank Note that has been advanced to the Agency. The Bank agrees to make advances until December 26, 2025, a later date if extended by the Bank or an earlier date upon an event of default or a termination pursuant to the terms of the Amended Revolving Credit Agreement or if the Agency elects an earlier termination. The amount of the advances outstanding and not repaid with respect to the Amended Bank Note bear interest at a variable interest rate equal to the forward looking Term SOFR Reference Rate for the following one month interest period plus a spread (currently 0.65%) and may not exceed $75,000,000 at any time, and the cumulative amount of the advances made may not exceed $1,700,000,000. The obligation of the Agency to pay the interest on, but not the principal of, the Amended Bank Note is a general obligation of the Agency. The Agency has requested advances in the aggregate principal amount of $1,306,799,087, $5,114,139 of which is outstanding.

Agency Continuity of Operations Plan

Certain external events, such as pandemics, natural disasters, severe weather, technological emergencies, riots, acts of war or terrorism or other circumstances, could potentially disrupt the Agency's ability to conduct its business. A prolonged disruption in the Agency's operations could have an adverse effect on the Agency's financial condition and results of operations. To plan for and mitigate the impact such an event may have on its operations, the Agency has developed a Continuity of Operations Plan (the "Plan"). The Plan is designed to (i) provide for the continued execution of the mission-essential functions of the Agency and minimize disruption if an emergency threatens, interrupts or incapacitates the Agency's operations, (ii) provide Agency leadership with timely direction, control and coordination before, during and after an emergency or similar event, and (iii) facilitate the return to normal operating conditions as soon as practical based on the circumstances surrounding any given emergency or similar event. No assurances can be given that the Agency's efforts to mitigate the effects of an emergency or other event will be successful in preventing any and all disruptions to its operations.

Cybersecurity

The Agency relies on a complex technology environment to conduct its operations. As a recipient and provider of personal, private and sensitive information, the Agency faces multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, and other attacks on computers and other sensitive digital networks, systems, and assets. Housing finance agencies and other public finance entities have been targeted by outside third parties, including technologically sophisticated and well-resourced actors, attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide services to the Agency, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

The Agency uses a layered approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. The Agency conducts regular information security and privacy awareness training that is mandatory for all Agency staff. The Agency's Business Technology Support group has management responsibility for all information technology and leads the efforts of the Agency to keep its cyber assets secure. The Agency's Business Technology Support group and contracted services from the Office of MN.IT Services, an agency of the executive branch of the State, regularly conduct risk assessments, audits and tests of the Agency's cybersecurity systems and infrastructure.

Despite its efforts, no assurances can be given that the Agency's security and operational control measures will be successful in guarding against any and each cyber threat and attack, especially because the techniques used by perpetrators are increasingly sophisticated, change frequently, are complex, and are often not recognized until launched. To date, cyber attacks have not had a material impact on the Agency's financial condition, results or business; however, the Agency is not able to predict future attacks or their severity. The results of any attack on the Agency's computer and information technology systems could impact its operations for an unknown period of time, damage the Agency's digital networks and systems, and damage the Agency's reputation, financial performance, and customer or vendor relationships. Such an attack also could result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to the Agency's reputation and relationships could adversely affect the Agency's ability to conduct its programs and operations in the future.

THE DEVELOPMENT

The Development

The Agency intends to use the proceeds of the Series A-1 Bonds to make a long-term first lien Mortgage Loan and the proceeds of the Series A-2 Bonds to make a short-term second lien Mortgage Loan that will finance a portion of the costs of the acquisition and construction of a multifamily housing development. The Development, preliminarily known as The Views on 7th, will be the acquisition and construction of a three-story elevator building, located in Little Falls, Minnesota. The Development will have 45 residential units. The total development cost is estimated to be approximately $19.91 million. The Development is expected to be completed by April 2026. The Development will be acquired and constructed by The Views on 7th Apartments of Little Falls Limited Partnership, a Minnesota limited partnership.

The Agency expects to use the proceeds of the Series A-1 Bonds to be deposited in the Mortgage Loan Account to make a first lien Mortgage Loan with respect to the Development on the date of issuance of the Series Bonds. The first lien Mortgage Loan, in the principal amount of $2.415 million will be amortized in level monthly payments of principal and interest, commencing on February 1, 2027, through January 1, 2054, and thereafter reduced level monthly payments to amortize the remaining principal amount over the remaining portion of the 40 year term. The first lien Mortgage Loan has been established in an amount estimated to be supported by the net operating income of the Development together with tax increment financing revenue from the city of Little Falls. (See "The Rental Housing Program—Low and Moderate Income Rental Program.") The Agency expects to use the proceeds of the Series A-2 Bonds to be deposited in the Mortgage Loan Account to make a non-amortizing second lien bridge Mortgage Loan with respect to the Development on the date of issuance of the Series Bonds. That bridge Mortgage Loan, in the total principal amount of $7.300 million, will mature in full on January 1, 2027. The Mortgage Loans will not be insured but will be secured in part by completion, repayment and operations guaranties from Central Minnesota

Housing Partnership, Inc., a Minnesota nonprofit corporation. The Agency will also make two zero percent deferred payment loans in the aggregate principal amount of $9.156 million for the benefit of the Development. The bridge Mortgage Loan is expected to be repaid from a portion of those loans together with equity contributions from the tax credit investor.

As a result of the issuance of the Series Bonds, all of the dwelling units in the Development will be eligible for low income housing tax credits under Section 42 of the Internal Revenue Code of 1986, as amended. Occupancy in all of those dwelling units will be limited to households with incomes at initial occupancy at or below 60 percent of the area median income, adjusted for household size, for a period of 50 years.

Fourteen of the units in the Development will be benefited from project-based Section 8 rental assistance with a 20 year term, provided through Morrison County Housing and Redevelopment Authority and eight of the units of the units will be benefited by Housing Support rental assistance renewed annually for not less than 15 years, provided through Morrison County.

Estimated Sources and Uses of Series Bond Proceeds and Agency Funds

The estimated sources and uses of proceeds of the Series Bonds and funds to be provided by or through the Agency are as follows:

Sources:	
Principal Amount of Series Bonds	$9,880,000
Funds Available to the Agency	232,755
Total Sources of Funds	$10,112,755
Uses:	
Series A Mortgage Loan Account	$9,715,000
Revenue Fund	75,000
Debt Service Reserve Fund	160,255
Costs of Issuance	162,500
Total Uses of Funds	$10,112,755

THE SERIES BONDS

The Series Bonds will be fully registered bonds initially registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC") which will act as securities depository for the Series Bonds. Computershare Trust Company, National Association, St. Paul, Minnesota, serves as successor Trustee under the Bond Resolution.

The Series A-1 Bonds will be issued as term bonds in the denominations of $5,000 or any integral multiple thereof each of a single stated maturity. The Series A-2 Bonds will be issued as bonds of a single stated maturity in the denominations of $5,000 or any integral multiple thereof. The Series Bonds mature, subject to redemption as herein described, on the dates and in the amounts set forth on the inside front cover hereof.

Each series of the Series Bonds bears interest from their dated date, payable semiannually on February 1 and August 1 of each year, commencing August 1, 2025, at the respective rates set forth on the inside front cover hereof until payment of the principal or redemption price of those Series Bonds. As long as a series of the Series Bonds is in book-entry form, interest on those Series Bonds will be paid by moneys wired by the Trustee to DTC, or its nominee, as registered owner of the Series Bonds, and DTC will redistribute that interest. (See Appendix E – "Book-Entry-Only System.")

For every exchange or transfer of Series Bonds, whether temporary or definitive, the Agency or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to that exchange or transfer.

Sinking Fund Redemption of Series A-1 Bonds

The Series A-1 Bonds maturing on August 1, 2035 are subject to mandatory redemption in part on each February 1 and August 1, commencing August 1, 2027 and concluding February 1, 2035, at their principal amount plus accrued interest, without premium, from funds in the Sinking Fund Account, in the years and in the principal amounts as follows:

Date	Principal Amount	Date	Principal Amount
August 1, 2027	$10,000	February 1, 2032	$15,000
February 1, 2028	10,000	August 1, 2032	15,000
August 1, 2028	10,000	February 1, 2033	15,000
February 1, 2029	10,000	August 1, 2033	15,000
August 1, 2029	10,000	February 1, 2034	15,000
February 1, 2030	10,000	August 1, 2034	15,000
August 1, 2030	10,000	February 1, 2035	15,000
February 1, 2031	10,000	August 1, 2035 (maturity)	15,000
August 1, 2031	15,000		

The Series A-1 Bonds maturing on August 1, 2045 are subject to mandatory redemption in part on each February 1 and August 1, commencing February 1, 2036 and concluding February 1, 2045, at their principal amount plus accrued interest, without premium, from funds in the Sinking Fund Account, in the years and in the principal amounts as follows:

Date	Principal Amount	Date	Principal Amount
February 1, 2036	$15,000	February 1, 2041	$20,000
August 1, 2036	15,000	August 1, 2041	20,000
February 1, 2037	15,000	February 1, 2042	20,000
August 1, 2037	15,000	August 1, 2042	20,000
February 1, 2038	15,000	February 1, 2043	20,000
August 1, 2038	15,000	August 1, 2043	20,000
February 1, 2039	20,000	February 1, 2044	25,000
August 1, 2039	20,000	August 1, 2044	25,000
February 1, 2040	20,000	February 1, 2045	25,000
August 1, 2040	20,000	August 1, 2045 (maturity)	25,000

The Series A-1 Bonds maturing on August 1, 2055 are subject to mandatory redemption in part on each February 1 and August 1, commencing February 1, 2046 and concluding February 1, 2055, at their principal amount plus accrued interest, without premium, from funds in the Sinking Fund Account, in the years and in the principal amounts as follows:

Date	Principal Amount	Date	Principal Amount
February 1, 2046	$30,000	February 1, 2051	$40,000
August 1, 2046	30,000	August 1, 2051	40,000
February 1, 2047	30,000	February 1, 2052	40,000
August 1, 2047	35,000	August 1, 2052	40,000
February 1, 2048	35,000	February 1, 2053	40,000
August 1, 2048	35,000	August 1, 2053	45,000
February 1, 2049	35,000	February 1, 2054	45,000
August 1, 2049	35,000	August 1, 2054	40,000
February 1, 2050	35,000	February 1, 2055	40,000
August 1, 2050	35,000	August 1, 2055 (maturity)	40,000

The Series A-1 Bonds maturing on February 1, 2067 are subject to mandatory redemption in part on each February 1 and August 1, commencing February 1, 2056 and concluding August 1, 2066, at their principal amount plus accrued interest, without premium, from funds in the Sinking Fund Account, in the years and in the principal amounts as follows:

Date	Principal Amount	Date	Principal Amount
February 1, 2056	$40,000	February 1, 2062	$55,000
August 1, 2056	45,000	August 1, 2062	55,000
February 1, 2057	45,000	February 1, 2063	55,000
August 1, 2057	45,000	August 1, 2063	55,000
February 1, 2058	45,000	February 1, 2064	55,000
August 1, 2058	50,000	August 1, 2064	60,000
February 1, 2059	50,000	February 1, 2065	60,000
August 1, 2059	50,000	August 1, 2065	60,000
February 1, 2060	50,000	February 1, 2066	65,000
August 1, 2060	50,000	August 1, 2066	65,000
February 1, 2061	55,000	February 1, 2067 (maturity)	65,000
August 1, 2061	55,000		

Upon optional redemption of Series A-1 Bonds or any purchase and cancellation thereof by the Agency, the principal amount of such Series A-1 Bonds so redeemed or purchased may be credited toward one or more Sinking Fund Installments thereafter to become due on Series A-1 Bonds in the manner specified by the Agency. The portion of any Sinking Fund Installment remaining after the deductions credited to such payments is the unsatisfied balance of such Sinking Fund Installment with respect to the Series A-1 Bonds for the purpose of calculating the payment due on or scheduled for a future date.

Special Redemption at Par

The Agency may redeem the Series Bonds, at its option, in whole or in part on any date, at a redemption price equal to the principal amount thereof plus accrued interest, without premium, (i) from unexpended proceeds of the Series Bonds not used to finance the Development, together with amounts allocable to the Development on deposit in the Debt Service Reserve Fund; and (ii) in the event the Agency receives or recovers Recovery Payments (as defined in Appendix D) relating to the Development. The Agency will apply any unexpended proceeds, Recovery Payments or Prepayments to the redemption of Series Bonds, as determined by the Agency. If Recovery Payments or Prepayments are not sufficient to redeem all Outstanding Series Bonds, the Agency may apply other funds to redeem the Series Bonds in addition to the Recovery Payments or Prepayments.

Optional Redemption

The Agency may redeem the Series A-1 Bonds at its option, in whole or in part, on any date on or after August 1, 2033, in amounts as the Agency may designate, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption, without premium. The Agency may redeem the Series A-2 Bonds at its option, in whole or in part, on any date on or after July 1, 2026, in amounts as the Agency may designate, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption, without premium.

General Redemption Provisions

Any Series Bonds to be redeemed other than upon mandatory sinking fund redemption will be redeemed only upon receipt by the Trustee of a certificate signed by an authorized officer of the Agency stating the series and principal amount of the Series Bonds to be redeemed. If less than all Series Bonds of a series are to be redeemed, the Series Bonds to be redeemed are to be selected in $5,000 principal amounts at random by the Trustee. The Agency will not at any time cause Series Bonds to be optionally redeemed if this would have any material adverse effect on its ability to pay when due the principal of and interest on the Bonds Outstanding after the redemption.

The Trustee is required to mail a copy of the notice of redemption to the registered owner of any Series Bond called for redemption at least 30 days prior to the redemption date. Any defect in or failure to give the required mailed

notice of redemption will not affect the validity of any proceedings for the redemption of Series Bonds not affected by that defect or failure.

SECURITY FOR THE BONDS

Outstanding Bonds, including the Series Bonds, are secured as provided in the Bond Resolution by a pledge and a grant of a security interest in (a) all proceeds of the sale of Bonds (other than proceeds deposited in trust for the retirement of outstanding bonds and notes), (b) all Mortgage Loans and Investments made or purchased from the proceeds, (c) all Revenues as defined in the Bond Resolution, and (d) money, Investments, and other assets and income held in and receivables of Funds established by or pursuant to the Bond Resolution. The Bonds, including the Series Bonds, are also general obligations of the Agency, payable out of any of its moneys, assets or revenues, subject only to the provisions of other resolutions or indentures now or hereafter pledging and appropriating particular moneys, assets or revenues to particular notes or Bonds, and federal or State laws heretofore or hereafter enacted pledging particular funds for a specified purpose. The pledge and security interests granted by the Bond Resolution are for the equal benefit, protection and security of Holders of all Bonds, including the Series Bonds.

The Agency has no taxing power. The State of Minnesota is not liable for the payment of the Bonds, including the Series Bonds, and the Series Bonds are not a debt of the State.

Mortgage Loans

The Bond Resolution requires, except in certain circumstances hereinafter described, that each Mortgage Loan be secured by a first mortgage lien (subject to permitted encumbrances) on the real property, or leasehold interest of the Mortgagor in the real property under a lease with a term at least twice the length of the term of the Bonds, that is the site of the Development financed by that Mortgage Loan, and all improvements thereon. At the initial closing for each Development, the Agency receives a recorded Mortgage and a mortgagee's title insurance policy in the amount of the Mortgage Loan. The Agency may also participate with other parties in the making of a Mortgage Loan if the Agency's mortgage lien, in proportion to its participation, is on a parity with or superior to that of all other parties, but the interest rate and time and rate of amortization of that part of the Mortgage Loan made by the Agency and that made by others need not be equal. The Bond Resolution also permits the Agency, if it holds a Mortgage that constitutes a first mortgage lien on a Development, to make an additional Mortgage Loan for the Development and secure the additional Mortgage Loan by a Mortgage on a parity with or junior and subordinate to the first lien Mortgage held by the Agency. In addition, the Bond Resolution allows the Agency to make Subordinate Mortgage Loans with respect to a Development upon the terms and conditions as the Agency may deem appropriate, but solely from amounts that would otherwise be available to be removed by the Agency from the lien of the Bond Resolution.

Under the Bond Resolution, there will at all times be scheduled payments of principal and interest on Mortgage Loans pledged under the Bond Resolution that, when added to any other legally enforceable payments on Mortgage Loans or with respect to the Bond Resolution (including Counterparty Hedge Payments), and interest and other income estimated by the Agency to be derived from the investment or deposit of money available therefor in any Fund or Account created by the Bond Resolution, will be sufficient to pay the Principal Installments of and interest on all Outstanding Bonds (excluding from the calculations all amounts scheduled to be received pursuant to the provisions of Subordinate Mortgage Loans). In making a determination as of any date that this covenant is met, the Agency may make assumptions as to future events (including, as applicable, assumptions as to the amounts of Agency Hedge Payments and Counterparty Hedge Payments and the amount of interest payable on Variable Rate Bonds), which assumptions must be based upon the Agency's reasonable expectations as of the date of the determination. The Agency may forgive a portion of the interest on any Mortgage Loan provided that, after giving effect to the reduction and all similar reductions then in effect, the Agency continues to comply with the covenant.

The scheduled payments of the Principal Installments of and interest on the Bonds are generally based on the receipt of scheduled payments by the Agency on the Mortgage Loans and any Subordinate Mortgage Loans, together with capitalized interest and estimated investment income of certain Funds and Accounts established by the Bond Resolution, to the extent provided therein. The ability of the Mortgagors to make scheduled payments to the Agency depends, among other things, on the Developments achieving and sustaining occupancy and rental levels necessary to generate rental income that, together with any applicable subsidies, the Agency expects will be sufficient to meet the required loan payments, to fund required reserves and escrows and to meet operating expenses. Under the Bond

Resolution, the Agency (unless otherwise required by any agency of the United States guaranteeing, insuring or otherwise assisting in the payment of the Mortgage Loan or Subordinate Mortgage Loan) may give its consent to Prepayment of a Mortgage Loan or Subordinate Mortgage Loan only if certain conditions as described under the caption "Summary of Certain Provisions of the Bond Resolution — Mortgage Provisions and Conditions — Prepayments" in Appendix D hereto have been met. If any Mortgage Loan or Subordinate Mortgage Loan goes into default or investment income differs from the amounts estimated to be received, the amount of money available for the payment of Principal Installments of and interest on the Bonds may be adversely affected; however, as is described elsewhere in this Official Statement, moneys may be available from other sources, including the Debt Service Reserve Fund.

Appendix A to this Official Statement contains a brief description of the Mortgage Loans outstanding as of June 30, 2024 that have been financed by Bonds or that have been pledged as additional security under the Bond Resolution for the payment of Outstanding Bonds.

Debt Service Reserve Fund

The Debt Service Reserve Requirement for the Series A-1 Bonds is $160,255. Upon issuance of the Series A-1 Bonds, not less than $160,255, of the proceeds of the Series A-1 Bonds will be deposited into the Debt Service Reserve Fund to meet the Debt Service Reserve Requirement for the Series A-1 Bonds.

No funds will be credited to the Debt Service Reserve Fund with respect to the Series A-2 Bonds (and the Debt Service Reserve Requirement in respect of the Series A-2 Bonds will be $0.00), since, in addition to the other security provided pursuant to the Bond Resolution, payment of principal with respect to the short-term portion of the Mortgage Loan funded by the Series A-2 Bonds will be secured as described under "The Development."

Upon issuance of the Series Bonds, the aggregate Debt Service Reserve Requirement for the Bond Resolution will be approximately $8,076,822 and the value of the investments in the Debt Service Reserve Fund as calculated under the Bond Resolution will not be less than the aggregate Debt Service Reserve Requirement. The Debt Service Reserve Fund secures all Bonds issued under the Bond Resolution, including the Series Bonds, on an equal basis.

The Act provides that the Agency may create and establish one or more debt service reserve funds for the security of its bonds. The Agency will use moneys held in or credited to a debt service reserve fund solely for the payment of principal of bonds of the Agency as the same mature, the purchase of those bonds, the payment of interest thereon or the payment of any premium required when the bonds are redeemed before maturity, provided that the moneys in that fund must not be withdrawn therefrom at any time in an amount as would reduce the amount reasonably necessary for the purposes of the fund, except for the purpose of paying principal and interest due on the bonds secured by the fund for the payment of which other moneys of the Agency are not available. The Agency may not issue any additional bonds or notes that are secured by a debt service reserve fund if the amount in that debt service reserve fund or any other debt service reserve fund at the time of that issuance does not equal or exceed the minimum amount required by the resolution creating that fund unless the Agency deposits in each fund at the time of the issuance from the proceeds of the bonds or otherwise an amount that, together with the amount then in the fund, will be no less than the minimum amount so required. The Act further provides that:

> In order to assure the payment of principal and interest on bonds and notes of the agency and the continued maintenance of all debt service reserve funds created and established therefor, the agency shall annually determine and certify to the governor, on or before December 1, (a) the amount, if any, then needed to restore each debt service reserve fund to the minimum amount required by the resolution or indenture establishing the fund, not exceeding the maximum amount of principal and interest to become due and payable in any subsequent year on all bonds or notes which are then outstanding and secured by such fund; and (b) the amount, if any, determined by the agency to be needed in the then immediately ensuing fiscal year, with other funds pledged and estimated to be received during that year, for the payment of the principal and interest due and payable in that year on all then outstanding bonds and notes secured by a debt service reserve fund the amount of which is then less than the minimum amount agreed. The governor shall include and submit to the legislature, in the budget for the following fiscal year, or in a supplemental budget if the regular budget for that year has previously been approved, the amounts certified by the agency . . . .

In the opinion of Bond Counsel and counsel to the Agency, the Legislature is legally authorized, *but not legally obligated,* to appropriate those amounts to the Debt Service Reserve Fund.

Additional Bonds

The Bond Resolution permits the Agency to issue additional Bonds, upon the adoption of a series resolution, to provide funds for the purpose of financing the making of Mortgage Loans for Developments, or financing Mortgage Loans previously made from moneys in the Housing Investment Fund, under the Agency's programs of making Mortgage Loans and, in addition, to refund outstanding Bonds or other obligations issued to finance Mortgage Loans, upon certain conditions contained therein (see Appendix D – "Summary of Certain Provisions of the Bond Resolution—Additional Bonds"), without limitation as to amount except as may from time to time be provided by law. Any additional Bonds issued under the Bond Resolution will be secured on an equal basis with the Series Bonds and the Outstanding Bonds and entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Bond Resolution.

Nothing in the Bond Resolution prohibits the financing of other multifamily housing developments under other bond resolutions.

State Pledge Against Impairment of Contracts

The State in the Act has pledged to and agreed with the Bondholders that it will not limit or alter the rights vested in the Agency to fulfill the terms of any agreements made with them or in any way impair the rights and remedies of the Bondholders until the Bonds, together with the interest thereon and on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of those Holders, are fully met and discharged.

THE RENTAL HOUSING PROGRAM

The Bond Resolution is currently the primary source of funds borrowed by the Agency to fund its multifamily housing programs. The proceeds of Bonds issued under the Bond Resolution are lent by the Agency to for-profit, nonprofit and limited profit sponsors that agree to construct or rehabilitate the Developments and lease the dwelling units therein principally to persons and families with low and moderate incomes.

The precise nature of the multifamily housing programs financed under the Bond Resolution has varied over the years and is expected to continue to vary based on the housing needs of the State of Minnesota and resources available to address those needs. There follows a description of the housing programs for which there are loans outstanding that were either funded from Bond proceeds under the Bond Resolution or are pledged as additional security under the Bond Resolution. All of the Developments financed under the Bond Resolution in recent years have been processed under the Low and Moderate Income Rental Program, either as long-term loans or as bridge loans. Recently originated loans have included the acquisition and construction of rental properties that will be eligible for federal low-income housing tax credits and loans for the preservation of existing federal subsidies under the Section 8 program.

The existing Developments financed by Outstanding Bonds have been originated under the following programs:

—Low and Moderate Income Rental Program (including HUD Risk-Sharing Program)

—Section 8 Housing Assistance Payment New Construction/Substantial Rehabilitation Program (Uninsured Developments)/Asset Management Program

In addition to the programs listed above, loans contributed as additional security under the Bond Resolution have been financed under the following program:

—Market Rate Mortgage Loan Program

The following table provides summary data regarding the outstanding loans financed or pledged as a portion of the security for the Rental Housing Bond Resolution as of June 30, 2024 for the programs as listed above:

Rental Housing Program Mortgage Loan Program Summary as of June 30, 2024

Program	Number of Loans	Number of Units	Outstanding Loan Amount	Percentage of Total Amount
Section 8 Housing Assistance Payments/Asset Management Program*	8	619	$ 16,855,841	9.68%
Low and Moderate Income Rental Program**	60	3,865	155,976,605	89.63
Market Rate Mortgage Loan Program	2	163	1,194,231	0.69
	70	4,647	$174,026,677	100.00%

*Includes six HUD Risk-Sharing loans for Developments originally financed with loans originated under this program with 493 aggregate units and an aggregate outstanding loan amount of $15,889,777.

**Includes 38 HUD Risk-Sharing loans for Developments with 2,577 aggregate units and an aggregate outstanding loan amount of $80,927,439, including one loan for a Development with 30 units and an aggregate outstanding loan amount of $1,757,440 that was a refinance of an existing third-party loan, and seven bridge loans for Developments with 444 units and an aggregate outstanding loan amount of $53,670,000, including one bridge loan for a Development with 52 units and an aggregate outstanding loan amount of $10,640,000 that is not bridging a Low and Moderate Income end loan.

Low and Moderate Income Rental Program

The Low and Moderate Income Rental Program (the "LMIR Program") is the program under which the Agency is currently making loans funded from the proceeds of Bonds issued under the Bond Resolution. Some of the loans involve the preservation of existing federal housing subsidies. The federal housing subsidies preserved in connection with loans under the LMIR Program have included Section 8 project-based assistance; this subsidy program is described below. Most recent developments financed under this program have also benefited from the receipt of federal low-income housing tax credits.

In the LMIR Program, which is administered by the Multifamily Division of the Agency, the Agency uses the proceeds of Bonds issued under the Bond Resolution to provide permanent and construction loan financing for the acquisition/rehabilitation or construction of multifamily housing Developments. The Agency, under the LMIR Program, may also use other available funds to provide permanent and construction loan financing for the acquisition/rehabilitation, refinance/rehabilitation or construction of multifamily housing Developments. The proceeds of the Bonds or other available funds are lent by the Agency to nonprofit or limited profit entities that agree to construct or rehabilitate the Developments and lease the dwelling units therein principally to persons and families of low and moderate income. Several of the loans made under the LMIR Program have been insured under the FHA Section 223(a)(7) and 241 insurance programs. Generally, loans to Developments financed under the LMIR Program also receive one or more low- or non-interest bearing, non-amortizing subordinate loans that facilitate keeping rents below market rate levels and reduce the amount of amortizing debt.

In the Agency's administration of its LMIR Program, the Agency has made Mortgage Loans of up to 100 percent of total development costs. Mortgage Loans for Developments are generally made for terms of 30 to 40 years or are made as short-term loans payable when construction or rehabilitation is completed.

HUD Risk-Sharing Program

As part of the LMIR Program under the Bond Resolution, the Agency has made and expects to make Mortgage Loans under the Department of Housing and Urban Development Housing Finance Agency Risk-Sharing

Program for Insured Affordable Multifamily Project Loans ("HUD Risk-Sharing Program"). Section 542(c) of the Housing and Community Development Act of 1992, as amended (the "Risk-Sharing Act") authorized the Secretary of the Department of Housing and Urban Development ("HUD") to enter into risk-sharing agreements with qualified state or local housing finance agencies ("HFAs") to enable those HFAs to underwrite and process loans for which HUD, acting through the Federal Housing Administration ("FHA"), will provide full mortgage insurance for eligible projects. HUD has promulgated regulations at 24 C.F.R. Part 266 (the "Regulations") pursuant to the Risk-Sharing Act. The HUD Risk-Sharing Program allows HFAs to carry out certain HUD functions, including the assumption of underwriting, loan management and property disposition functions and responsibility for defaulted loans, and provides for reimbursement of HUD for a portion of the loss from any defaults that occur while the HUD contract of mortgage insurance is in effect.

The HUD Risk-Sharing Program requires that an interested HFA first be approved as a qualified housing finance agency. Upon notification of approval as a qualified HFA, the HFA must execute a risk-sharing agreement between the Commissioner of FHA and the HFA. The risk-sharing agreement must state the agreed upon risk apportionment between HUD and the HFA, the number of units allocated to the HFA, a description of the HFA's standards and procedures for underwriting and servicing loans, and a list of HFA certifications designed to assure its proper performance.

Projects eligible to be insured under the HUD Risk-Sharing Program include projects receiving Section 8 or other rental subsidies, single room occupancy projects, board and care/assisted living facilities and elderly projects. Transient housing or hotels, projects in military impact areas, retirement service centers, and nursing homes or intermediate care facilities are specifically excluded from eligibility for insurance under the program.

The Agency has been designated by HUD as a "qualified HFA" under the Risk-Sharing Act. The Agency has entered into a risk-sharing agreement with HUD dated as of May 3, 1994 (the "Risk-Sharing Agreement") which sets out the terms for the Agency's participation in the HUD Risk-Sharing Program. The Agency has a "Level I" and "Level II" approval under the regulations, which means the Agency agrees to reimburse HUD for 50 percent, or from 10 percent to 50 percent, of any losses incurred as a result of a default under a HUD Risk-Sharing Program loan. "Level I" approval permits the Agency to use its own underwriting standards and loan terms and conditions (as disclosed and submitted with its application) to underwrite and approve loans with review and approval by the local HUD office. Most of the Developments committed to be financed to date under the HUD Risk-Sharing Program have been insured based upon a 50/50 split of any losses.

Prior to funding of a Mortgage Loan by the Agency, HUD issues a Risk-Sharing Firm Approval Letter under which it agrees to endorse the Mortgage Note either at closing (in which case all advances are insured) or upon completion of construction and satisfaction of various conditions relating to the Mortgage Loan, including funding of all anticipated sources of funds. If the Mortgage Note is not endorsed until completion of construction, HUD is not obligated to reimburse the Agency for any losses that occur as a result of a default under the loan documents prior to completion of construction and endorsement of the Mortgage Note for insurance by HUD.

A mortgagee under an FHA-insured mortgage is entitled to receive the benefits of insurance after the mortgagor has defaulted and that default continues for a period of 30 days. If the default continues to exist at the end of the 30-day grace period, the mortgagee is required to give HUD written notice of the default within 10 days after that grace period and monthly thereafter, unless waived by HUD, until the default has been cured or the Agency has filed an application for an initial claim payment. Unless a written extension is granted by HUD, the Agency must file an application for initial claim payment (or, if appropriate, for partial claim payment) within 75 days from the date of default unless extended at the request of the HFA. The initial claim amount is based on the unpaid principal balance of the mortgage note as of the date of default, plus interest at the mortgage note rate from the date of default to the date of initial claim payment. HUD must make all claim payments in cash. The initial claim payment is equal to the initial claim amount, less any delinquent mortgage insurance premiums, late charges and interest assessment under the Regulations. Within 30 days of the initial claim payment, the HFA must use the proceeds of the initial claim payment to retire any bonds or any other financing mechanisms and must also issue to HUD a debenture, payable in five years unless extended, in an amount equal to the amount of the initial claim payment, representing the HFA's reimbursement obligation to HUD under its Risk-Sharing Agreement.

The Regulations provide that not later than 30 days after either (1) foreclosure sale or sale after acceptance of a deed-in-lieu of foreclosure or (2) expiration of the term of the HFA debenture, loss on the mortgaged property is

determined and allocated between HUD and the HFA in accordance with their respective percentages of risk specified in the Mortgage Note and the Risk-Sharing Agreement.

The Agency Regulatory Agreement

The uninsured Section 8-assisted Developments and Developments financed under the LMIR and HUD Risk-Sharing Programs are all subject to regulatory agreements with the Agency regulating their rents, distributions, occupancy, management and operation. The regulatory agreements are in effect during the entire term of the Mortgage Loan. Under the regulatory agreements, a limited-profit or nonprofit owner may not make distributions to its partners or members in any one year in excess of a percentage of its initial equity in a Development. The allowable percentage of equity ranges from 6 percent to 15 percent, depending on the program under which the Mortgage Loan was financed.

Section 8 Program

General Description

Under the Section 8 Program, HUD provides for the payment of a subsidy for the benefit of low income families, which are defined generally as those families whose incomes do not exceed 80 percent of the median income for the area, as determined by HUD. Until recent years, almost all of the Developments with Section 8 subsidies financed by the Agency were financed from a set-aside from HUD under which the Developments were underwritten and financed by the Agency. The Agency entered into Traditional Contract Administration ("TCA") Annual Contributions Contracts ("ACC"s) with HUD and Section 8 Housing Assistance Payments Contracts ("HAP Contracts") with owners under which the subsidy payments were made on behalf of tenants in the Developments. Pursuant to the ACC for each Development, HUD committed funding through the entire term of the HAP Contract. The Agency receives monthly subsidy payments with respect to each assisted dwelling unit, and then in turn disburses or credits monthly housing assistance payments to the owner of the Development under the HAP Contract. In addition, several of these Developments also received an Agency first mortgage loan, some of which were insured under an FHA insurance program. After the initial contract expiration, many of these HAP Contracts have been renewed for a period of 20 years. The owner has the option to renew for a shorter term. It is anticipated, but not assured, that HUD will continue to provide the opportunity for owners to renew expiring HAP Contracts under the provisions of Section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997, as amended. In recent years, the Agency has provided new financing (deferred or amortizing) to Developments with HAP Contracts, many in conjunction with a Declaration of Covenants, Conditions and Restrictions pursuant to which the owner has agreed to continuously renew the HAP Contract through the maturity date of the Agency's Mortgage Loan. It is anticipated, but not assured, that the federal government will continue to provide these owners with the option to renew their HAP Contracts upon expiration. Renewals of HAP Contracts beyond the expiration of the initial contract term are subject to annual appropriations and spending authority in the federal budget. Contracts to convert tenant-based HUD vouchers or certificates into project-based assistance (as described below) are also subject to annual appropriation and spending authorization in the federal budget.

HAP Contract Term for State Agency Set-Aside Program

Under HUD regulations, the initial terms of the HAP Contracts for uninsured Developments financed under the state agency set-aside program were for either 30 or 40 years, with provisions for renewal for five-year periods within the 30- or 40-year term. The term of the initial ACC is the same as the initial HAP Contract term. Nonrenewal of the Section 8 HAP Contract under federal law and Minnesota state statutes requires proper notification to the residents, the applicable city, the Metropolitan Council Housing and Redevelopment Authority, the Agency and HUD. This nonrenewal (opt-out) of the HAP Contract is independent of the Development's existing first mortgage financing. (See "Certain Information Regarding Housing Assistance Payment Contracts – Certain Recent Developments.") Although the Section 8 housing assistance payments are made to the owner and in effect represent rental income, the HAP Contract may, with HUD's consent, be assigned as security by the owner to the first mortgage lender for the Development. All of the Developments with HAP Contracts within the Agency's first mortgage loan portfolio are assigned to the Agency as security for the Mortgage Loan. HAP Contracts may not be terminated by HUD if the Mortgage Loan on the Development goes into default, so long as the owner has not breached any of the owner's obligations under the HAP Contract. In the event of a breach of the HAP Contract by the owner, HUD may abate subsidy payments or terminate the HAP Contract after giving the owner reasonable opportunity to comply with the requirements of the HAP Contract. Under HUD regulations, the HAP Contract may be assigned to a new owner of the

Development. HUD may also determine that the HAP Contract may be terminated or may reassign the Section 8 housing assistance payments subsidy to another development. If the Section 8 subsidy is assigned to another development, the HAP Contract and the ACC will continue in effect and housing assistance payments will continue in accordance with the terms of the HAP Contract. (See "Certain Information Regarding Housing Assistance Payment Contracts – Certain Recent Developments.")

Certain Information Regarding Housing Assistance Payment Contracts

General

The following discussion provides certain information with regard to the Section 8 program and HAP Contract requirements that may affect payments made by HUD pursuant to the HAP Contracts. That information is not comprehensive or definitive and, as appropriate, is qualified in its entirety by reference to the United States Housing Act of 1937, as amended (the "Housing Act"), and HUD Section 8 Program Guidebooks, Handbooks, Notices, and Memoranda.

Adjustments in Contract Rents

The HAP Contract defines the type of contract rent adjustment that the Development can request. For HAP Contracts in the Agency's Traditional Contract Administration portfolio that are in their original term, owners can request an Annual Adjustment Factor Rent Adjustment based on the annual adjustment factor published by HUD. Interim revisions may be made where market conditions warrant. The annual adjustment factor is applied on the anniversary date of each HAP Contract to contract rents, resulting in upward adjustment. Pursuant to federal legislation enacted in 1997, if the contract rents for a Development exceed the applicable HUD fair market rents, then contract rents may not be increased beyond comparable market rents (plus the initial differential between the initial contract rents and the comparable rents). The comparable rents are determined by independent appraisals of Developments in the form of a Rent Comparability Study submitted by the owner. In addition, special additional adjustments may be granted to reflect increases in the actual and necessary expenses of owning and maintaining a Development resulting from substantial "and general increase in real property taxes, assessments, utility rates and hazard insurance increases, where the increased cost is not sufficiently covered by the annual AAF adjustment." HUD Notice H 2002-10. Adjustments may not result in material differences between rents charged for assisted units and unassisted units of similar quality and age in the same market area, except to the extent of the initial difference at the time of contract execution. Under current law, "[t]he Secretary may not reduce the contract rents in effect on or after April 15, 1987, for newly constructed, substantially rehabilitated, or moderately rehabilitated projects assisted under this section, unless the project has been refinanced in a manner that reduces the periodic payments of the owner." 42 U.S.C. § 1437f(c)(1)(C). There can be no assurance that increases in contract rents will result in revenues sufficient to compensate for increased operating expenses of the Developments. There can be no assurance that there will not be a decrease in contract rents. A rent decrease may affect the ability of the owners of the Developments to pay principal and interest on the Mortgage Loans, which in turn could adversely affect the ability of the Agency to make timely payments of interest and principal on the Bonds with amounts pledged under the Bond Resolution. (See "Certain Recent Developments.")

Limitations on Increases in Housing Assistance Payments

An increase in contract rents, because of the application of an annual adjustment factor or a special additional adjustment, will normally result in an increase in Housing Assistance Payments payable to the owner under the HAP Contract. The annual maximum housing assistance payments are initially limited to the initial contract rents. A project account is required to be established and maintained by HUD, in an amount determined by HUD, and the account must be established and maintained consistent with its responsibilities under the Housing Act. Whenever the estimated annual housing assistance payment exceeds the annual maximum housing assistance commitment and would cause the amount in the project account to be less than 40 percent of that maximum commitment, HUD is required to take additional steps authorized by Section 8(c)(6) of the Housing Act to assure that housing assistance payments will be increased on a timely basis. Section 8(c)(6) of the Housing Act authorizes "the reservation of annual contributions authority for the purpose of amending housing assistance contracts, or the allocation of a portion of new authorizations for the purpose of amending housing assistance contracts." Based on this guidance, HUD does not increase annual contributions contract authority until the project account has been exhausted.

Certain Recent Developments

In July 2002, HUD announced an interpretation of its Office of General Counsel with respect to the form of HAP Contract in use prior to 1979 (the "Old Regulation HAP Contract"). This interpretation provides that the HAP Contract terminates upon any prepayment of the original permanent financing of the related development, including any refinancing that included prepayment of the first Mortgage Loan. HUD also stated that it would agree to amend any HAP Contract to eliminate that termination. All of the first mortgage loans with this form of HAP Contract in the Agency's TCA portfolio were provided by the Agency. There are many Developments with Agency mortgage loans that have been prepaid where HUD has continued to make payments under the HAP Contracts during the years since the Agency loans were prepaid. It is the Agency's understanding that current HUD practice is to approve the continuation of HAP Contracts upon payment of the original financing when the owner has elected to remain in the Section 8 program. In 2015, HUD issued the final version of the Section 8 Renewal Policy Guide Book. Chapter 16 of the Guide Book reiterates the Office of General Counsel interpretation of the Old Regulation HAP Contract and gives prepaying owners the option to amend the HAP Contract to extend the term to the originally scheduled maturity date, renew the HAP contract under the Multifamily Assisted Housing Reform and Affordability Act ("MAHRA"), or opt out of the Section 8 program. Contracts that are subject to Chapter 16 will be renewed and amended as outlined in the newly revised chapter. At this time, the Agency cannot predict the potential risk for opt-outs under the provisions of Chapter 16; however, the Agency handles potential opt-outs proactively to support the Agency's priority for preservation of federally assisted housing.

In recent years, there have been numerous pronouncements from HUD officials and various elected officials as to the future of HUD and the Section 8 program. The scope of these pronouncements has ranged from a total elimination of HUD and the Section 8 program to a restructuring of HUD and the reduction in funding of the Section 8 program. In addition, the consolidation and alignment of HUD's programs and the transfer of certain administrative responsibilities for HUD programs to contract administrators, state and local governments and other entities continue to be proposed. (Note that HUD has contracted project-based Section 8 program administration services to state and local governments and other entities since 1999.) Furthermore, Congress continues to propose reductions in all federal spending, including funding for HUD and its programs.

HUD officials have from time to time proposed to Congress that it repeal the provision of the Housing Act prohibiting the Secretary of HUD from reducing contract rents below the current contract rents in effect as of April 15, 1987. (See "Adjustments in Contract Rents.") It is not clear whether such a repeal would withstand a constitutional challenge. The effect of repealing those provisions would be to permit HUD to reduce the contract rents for Section 8 Developments to "market rents," but not lower than the initial contract rents, plus the initial difference, approved by HUD for the Development. Reductions in current contract rents have occurred and continue to occur due to HUD's changes to its Section 8 Renewal Policy Guide Book and its 4350.1 Handbook (Chapter 7).

At this time, the Agency cannot predict the terms of the legislation, if any, that may be enacted with respect to HUD. Legislation could significantly change HUD's structure, its administration and its programs (including the Section 8 program), and the funding of HUD and its programs. The Agency also cannot predict whether any legislation, if enacted, would adversely affect the ability of the Agency to make timely payments of interest and principal on the Bonds (including the Series Bonds) with amounts pledged under the Resolutions.

Over the years, there have been several court decisions with respect to the Section 8 program and HAP Contracts. The United States Supreme Court, in its 1993 decision, *Cisneros v. Alpine Ridge Group*, held that HAP Contracts between private landlords and HUD did not prohibit the use of comparability studies with private market rents to impose an independent cap on formula-based rent adjustments. In a January 1997 decision, *National Leased Housing Association v. United States*, the United States Court of Appeals for the Federal Circuit upheld a decision of the Court of Claims that the "overall limitation" provision contained in the rent adjustment section in HAP Contracts (which states, in effect, that notwithstanding any other provision of the HAP Contract, adjustments provided for in that section of the HAP Contract must not result in material differences between the rents charged for assisted and comparable unassisted units except to the extent that differences existed with respect to the contract rents set at contract execution or cost certification, as applicable) permits HUD to use comparability studies to decrease contract rents to eliminate material differences between rents charged for assisted and comparable unassisted units that are greater than the initial difference. In addition, the Court of Appeals affirmed the decision of the Court of Claims that HAP Contracts permit HUD to reduce rents below a previous year's rent levels through the use of comparability studies, and that the "initial difference" referred to in the HAP Contract is determined by the initial dollar amount and not by a percentage of the initial rents. Based on guidance in HUD's Section 8 Renewal Policy Guidebook, issued in 2000, as amended,

HAP Contracts that are renewed under MAHRA may have their contract rents reduced to "market rents." This Guidebook also provides the opportunity for debt restructuring by HUD's Office of Affordable Housing Preservation in conjunction with the reduction in contract rents if a property is eligible.

At this time, the Agency is unable to predict what additional actions, if any, HUD or Congress will take in the future with respect to rent adjustments. Future policy changes for rent adjustments may be impacted by federal budget constraints. Beginning in federal fiscal year 2012, HUD implemented three primary cost cutting measures that affect all New Regulation (i.e., post-1979) HAP Contracts. These cost cutting measures, which have been continued for federal fiscal year 2015, include using residual receipts in lieu of rent increases, using residual receipts in lieu of subsidy payments, using the lesser of budget-based or Operating Cost Adjustment Factor ("OCAF") rent adjustments, offering automatic OCAF rent adjustments that are limited to market rents including option 4 multi-year annual renewals, and short funding HAP Contracts. Old Regulation HAP Contracts that have not initially renewed under MAHRA have not been affected by the cost cutting measure of using residual receipts in lieu of subsidy payments. As noted above under "Adjustments in Contract Rents," Congress has passed legislation and HUD has implemented procedures to restrict Annual Adjustment Factor rent increases above fair market rents for the 1997 and subsequent federal fiscal years for contracts that are in their original 20-, 30- or 40-year term. Upon initial renewal of the HAP Contract, the Development generally is not eligible for Annual Adjustment Factor rent adjustments under MAHRA, but is eligible for budget based, Operating Cost Adjustment Factor, mark-up-to-market, and mark-to-market (mark down to market) rent adjustments. HUD's Section 8 Renewal Policy Guide Book, as amended, and its Handbook 4350.1, Chapter 7 do not allow for the use of initial differences, Financing Adjustments, or Financing Adjustment Factors when determining these rent adjustments; they are excluded from rent adjustment calculations. Also, HUD has proposed additional changes to the Section 8 HAP Contracts that include provisions around combining HAP Contracts and risk-based monitoring. Currently, guidance for combining HAP Contracts has been issued through a HUD memorandum. The Agency has not seen this tool leveraged by owners; however, the potential does exist. This measure would reduce the number of on-site inspections and the number of financial statements that owners must submit, as well as allow properties to share income and operating expenses. The 2014 cost cutting measures remain in effect. Actions by HUD that limit options for contract renewals and restrict the definition of market rents in many cases result in a decrease in contract rents, which could negatively impact the ability of owners to pay principal and interest on the Mortgage Loans, which in turn could adversely affect the ability of the Agency to make timely payments of interest and principal on the Bonds from the amounts pledged under the Bond Resolution.

Project-Based Vouchers

Recently, the Agency has been working with local housing and redevelopment authorities and public housing authorities to provide for project-based Section 8 Housing Choice Vouchers for a portion of the units in a Development financed under the LMIR Program. Under this program, approximately 20 percent of the units in a Development receive year-to-year project-based Housing Choice Vouchers with the rents set at the Section 8 Existing Housing Fair Market Rent ("FMR") or payment standard. The Agency has found that the HUD-published FMR or payment standard is typically less than the market rent that could be charged without the subsidy; therefore, staff considers there to be minimal risk in the event of nonrenewal of the year-to-year ACC.

Section 8 Contract Administration

In 2000, the Agency was awarded an Annual Contributions Contract ("ACC") with HUD as a Performance-Based Contract Administrator ("PBCA") for the contract administration of a portion of HUD's project-based Section 8 portfolio. Under the ACC, HUD partners with qualified entities for the administration of Section 8 HAP Contracts made directly between HUD and owners of the affected developments. In 2011, HUD held a national competitive rebid to qualified entities for the work performed under the ACC. The Agency was one of 11 states that had only one bid and were awarded a contract uncontested. As a result, the Agency was awarded a new two-year PBCA contract for the State of Minnesota, which was originally set to expire on September 30, 2013. The Agency has been granted extensions of its ACC since September 30, 2013. The most recent extension is in effect through January 31, 2026. The 2011 national rebid process resulted in a number of bid protests. As a result of those protests and the resultant litigation, the U.S. Court of Appeals for the Federal Circuit ruled that the PBCA ACCs should be awarded through the federal procurement process rather than the Notice of Funding Availability and cooperative agreements that HUD used in making its 2011 contract awards. The Supreme Court declined to review the ruling.

HUD issued two draft Request for Funding Proposals ("RFPs") that encapsulated the work conducted under the PBCA program in late 2017. The draft RFPs contemplated significant program changes, including dividing the

work between a national contract and multiple regional contractors. In March of 2018, HUD cancelled the RFPs in light of the extensive comments that were submitted regarding the drafts. The cancellation notices indicate that HUD plans to undertake additional due diligence and expects to issue new RFPs at some point in the future. It is unclear when HUD may issue any more RFPs related to the work conducted under the PBCA program. Depending on the form and content of any RFPs, there may be bid protests and litigation with respect to the RFPs and any new awards of the PBCA contracts that result from the RFPs. The Agency intends to seek to retain the PBCA work in the State of Minnesota. There is, however, significant uncertainty in this area as it is unknown when HUD will release any subsequent RFPs, what the terms of those RFPs will be, and what impact any bid protests or litigation may have on the process. HUD reserved the right to terminate the ACC with 120 days' notice if HUD completes or anticipates completing the RFP solicitation process before the end of the extension term.

Market Rate Mortgage Loan Program

In its Market Rate Mortgage Loan Program, which is administered by the Multifamily Division of the Agency, the Agency issues Bonds under the Bond Resolution to provide permanent and construction loan financing for the acquisition/rehabilitation or construction of multifamily housing Developments. The proceeds of the Bonds are lent by the Agency to nonprofit or limited profit sponsors that agree to construct the Developments and lease the dwelling units therein principally to persons and families of low and moderate income. The Agency is not presently making any new Mortgage Loans pursuant to this Program.

Monitoring of Developments

In an attempt to minimize the risk inherent in long-term Mortgage Loans, the Agency has established the following guidelines for the monitoring of Developments:

- The Agency's Accounting Division is responsible for monthly billing of principal and interest and escrows, and for paying insurance, property taxes and other expenses in a timely manner.
- The Agency's Multifamily Asset Management Section is responsible for the supervision of all Developments, beginning with the feasibility processing. Prior to loan closing the Asset Management Section works with the sponsors and their marketing and management agents to review marketing and management plans. The management plan of a Development includes information on the management agent's proposed method of operating the Development. That information relates to the organizational structure and on-site duties and staffing of the management agent, initial and on-going marketing plans, contents of an orientation handbook for residents and requirements for reporting operating expenses, budget and energy conservation information. Upon completion of construction or rehabilitation, the Asset Management Section begins to monitor the implementation of the management plan, rent up and ongoing occupancy and reviews periodic submissions of income and expense data.

The Asset Management Section generally monitors the operations of Developments on an ongoing basis in generally the following ways:

- *On-Site Inspections*. After initial marketing has been completed, on-site inspections are periodically made to check on management performance. Reports summarizing findings of inspections are submitted to the owner and management agent along with a timetable for correcting deficiencies, if necessary.
- *Reporting Requirements*. Management agents for each Development are required to submit regular accounting and occupancy reports to the Agency's Asset Management Section. Smaller, non-subsidized Developments have proven to be erratic in meeting the Agency's reporting requirements. The reports are reviewed by the Housing Management Officer assigned to each Development in order to identify significant deviations from the operating budget or change in occupancy.

  The Agency generally receives the following financial information related to each Development:

  (i) Monthly Operating Report—due the 15th day of the following month;

(ii) Analysis of Accounts Payable and Receivable—due the 15th day of the month following the end of each quarter;

(iii) Analysis of Reserve Accounts—prepared monthly by Asset Management staff;

(iv) Annual Budget—due 60 days prior to the beginning of the fiscal year to which the budget relates; and

(v) Annual Audited Financial Statements—due not more than 90 days (60 days for HUD Risk Share) following the end of each fiscal year.

For seasoned, well-maintained, financially sound Developments, the Agency may only require annual operating reports in the future.

- *Training Sessions*. The Agency provides technical assistance when needed for new management agents and the on-site resident manager to acquaint them with Agency and HUD procedures and requirements. Technical assistance is provided, as needed, throughout the life of the Mortgage Loan.

Applicable Federal Law Requirements

Applicable federal tax law imposes significant limitations on the financing of Mortgage Loans for Developments with the proceeds of qualified residential rental property bonds, such as the Series Bonds. (See "Tax Exemption and Related Considerations.")

OTHER PROGRAMS

In addition to the Program funded from the proceeds of the Bonds, the Agency finances other housing programs that provide loans for the purchase or improvement of single family housing and the acquisition, construction or rehabilitation of multifamily rental housing in the State of Minnesota. The assets devoted to these programs are briefly described in the notes to the Financial Statements in Appendix B-1.

TAX EXEMPTION AND RELATED CONSIDERATIONS

Series Bonds – Federal Tax Matters

General. In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, interest on the Series Bonds is excludable from gross income for federal income tax purposes, except for interest on any Series Bond for any period during which such Series Bond is held by a "substantial user" of the facilities financed by the Series Bonds or a "related person" within the meaning of Section 147(a) of the Code, and interest on the Series Bonds is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the Series Bonds may affect the federal alternative minimum tax imposed on certain corporations. The opinion described above assumes the accuracy of certain representations and compliance by the Issuer and the Borrower with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Series Bonds. Failure to comply with such requirements could cause interest on the Series Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Series Bonds. The Issuer and the Borrower have covenanted to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the Series Bonds.

The accrual or receipt of interest on the Series Bonds may otherwise affect the federal income tax liability of the owners of the Series Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences. Purchasers of the Series Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and certain corporations subject to the alternative minimum tax imposed on corporations), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase

or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Series Bonds.

A copy of the form of opinion of Bond Counsel is attached hereto as Appendix F.

State Tax Matters

In addition, in the opinion of Bond Counsel, interest on the Series Bonds is not includable in the taxable net income of individuals, trusts and estates for Minnesota income tax purposes. Interest on the Series Bonds is includable in the income of corporations and financial institutions for purposes of the Minnesota franchise tax. Interest on the Series Bonds is not includable in the Minnesota alternative minimum taxable income of individuals, estates and trusts.

Backup Withholding

As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on tax-exempt obligations such as the Series Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments to any owner of the Series Bonds that fails to provide certain required information including an accurate taxpayer identification number to any person required to collect such information pursuant to Section 6049 of the Code. The reporting requirement does not in and of itself affect or alter the excludability of interest on the Series Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding, or selling tax-exempt obligations.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX EXEMPTION AND RELATED CONSIDERATIONS" or adversely affect the market value of the Series Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series Bonds or the market value thereof would be impacted thereby. Purchasers of the Series Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives, or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE SERIES BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES BONDS.

LITIGATION

There is not now pending or, to the best knowledge of the officers of the Agency, overtly threatened any litigation against the Agency seeking to restrain or enjoin the sale, issuance, execution or delivery of the Series Bonds or in any manner questioning or affecting the validity of the Series Bonds or the proceedings or authority pursuant to which they are to be issued and sold.

The Agency is a party to various litigation arising in the ordinary course of business. While the ultimate effect of those actions cannot be predicted with certainty, the Agency expects that the outcome of these matters will not result in a material adverse effect on the financial position or results of operations of the Agency.

LEGAL MATTERS

The validity of the Series Bonds and the tax exemption of interest thereon are subject to the legal opinion of Kutak Rock LLP, Bond Counsel. A copy of the opinion of said firm, substantially in the form set forth in Appendix F hereto, will be available at the time of delivery of the Series Bonds. Certain legal matters will be passed upon for the Underwriter by its counsel, Dorsey & Whitney LLP.

FINANCIAL ADVISOR

CSG Advisors Incorporated (the "Financial Advisor") is serving as financial advisor to the Agency with respect to the planning, structuring and sale of the Series Bonds. The Financial Advisor does not underwrite or trade bonds and will not engage in any underwriting activities with regard to the issuance and sale of the Series Bonds. The Financial Advisor is not obligated to undertake, and has not undertaken to make, an independent verification, or to assume responsibility for the accuracy, completeness or fairness, of the information contained in this Official Statement and is not obligated to review or ensure compliance with continuing disclosure undertakings.

RATINGS

The Series Bonds are rated "Aa1" by Moody's Investors Service, Inc., and "AAA" by S&P Global Ratings, a division of Standard & Poor's Financial Services LLC. The ratings reflect only the views of the applicable rating agency, and an explanation of the significance of that rating may be obtained only from the rating agency and its published materials. The ratings described above are not a recommendation to buy, sell or hold the Series Bonds. The Agency cannot give any assurance that any rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely if, in the judgment of the rating agency, circumstances so warrant. Therefore, after the date of this Official Statement, investors should not assume that the ratings are still in effect. A downward revision or withdrawal of either rating is likely to have an adverse effect on the market price and marketability of the Series Bonds. The Agency has not assumed any responsibility either to notify the owners of the Series Bonds of any proposed change in or withdrawal of any rating subsequent to the date of this Official Statement, except in connection with the reporting of events as provided in the Continuing Disclosure Undertaking (see Appendix C to this Official Statement), or to contest any revision or withdrawal.

TRUSTEE

Computershare Trust Company, National Association (the "Trustee"), a national banking association, serves as successor Trustee under the Bond Resolution to Wells Fargo Bank, National Association ("WFBNA"). The Trustee also serves as bond trustee for other outstanding bonds of the Agency. As part of the sale of WFBNA's corporate trust services to the Trustee, virtually all corporate trust services employees of WFBNA along with most existing corporate trust services systems, technology and offices, transferred to the Trustee, together with all duties, obligations and rights of WFBNA under the Bond Resolution.

Pursuant to the Bond Resolution, any successor Trustee, including a successor by sale or transfer of the corporate trust business, must be a bank or trust company or national banking association having trust powers and combined capital and surplus aggregating at least $75,000,000.

UNDERWRITING

RBC Capital Markets, LLC (the "Underwriter") will purchase the Series Bonds. The Underwriter is to be paid a fee of $92,500.00 with respect to its purchase of the Series Bonds. The Underwriter may offer and sell the Series Bonds to certain dealers and certain dealer banks at prices lower than the public offering prices stated on the inside front cover hereof.

The Underwriter is a full service financial institution engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal

investment, hedging, financing and brokerage activities. The Underwriter may have, from time to time, performed and may in the future perform, various investment banking services for the Agency, for which it may have received or will receive customary fees and expenses. In the ordinary course of its various business activities, the Underwriter may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for its own account and for the accounts of its customers and may at any time hold long and short positions in those securities and instruments. Those investment and securities activities may involve securities and instruments of the Agency.

The Underwriter is a subsidiary of Royal Bank of Canada.

MISCELLANEOUS

This Official Statement is submitted in connection with the offering of the Series Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. Any statement made in this Official Statement involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the Agency and the purchasers or holders of any of the Series Bonds.

The execution and delivery of this Official Statement have been duly authorized by the Agency.

DESCRIPTION OF MORTGAGE LOANS INTENDED TO BE FINANCED WITH PROCEEDS FROM RENTAL HOUSING BONDS 2025 SERIES A-1 and A-2

Development Name	Location	Mortgage Loan Rate	Mortgage Loan Amount	Estimated Development Reserves	Mortgage Note Maturity	Program Type	Subsidy Expiration	No. of Subsidized Units	Total No. of Units
The Views on 7th	Little Falls	6.220%	$2,415,000		1/1/2067	LMIR	Determined after completion	22	45
		4.350%	$7,300,000		1/1/2027	LMIR/ Bridge Loan			

Notes:

(1) All loans can be prepaid subject to Agency approval.

(2) Amounts listed under the heading "reserves" are pledged by the project owner under the project regulatory agreement. The reserve can be applied for project purposes under the regulatory agreement, and are paid to the owner when the mortgage loan is paid or prepaid in full. The reserves are not pledged as security under the Bond Resolution. The real estate tax and insurance reserves are excluded.

(3) Subsidy expiration date will not be determined until development is placed in service.

***Program Type Legend**

AMP = Asset Management Program
HAP = Section 8 Housing Assistance Payment Program (Uninsured Developments)
HRS = FHA Risk Share Insurance
LMIR = Low And Moderate Income Rental Program
MR = Market Rate Loan Program

Minnesota Housing spent much of 2024 Going Big on every front. The state legislature's historic commitment of $1.3 billion to housing in May 2023 has required the Agency to balance the urgency of the housing needs with the complexity and demands of establishing over 15 new programs.

The Agency has made significant strides in hiring new staff, creating a new Housing Stability Division and a new Local Government team and building new programs from scratch in a coordinated manner. Several new programs have already launched, and others will soon open as we end 2024 and head into 2025.

The legislature directed about half of the housing funds to capital resources to create and preserve housing, about a quarter of the funds to increase housing stability, and just under a quarter of the funds to make homeownership more accessible.

While about $750 million was directed to programs that were already up and running at Minnesota Housing, another $400 million went toward new programs that did not yet exist and had to be created. An additional $180 million went toward legislatively named grantees, each of which require contracts with the Agency.

As might be expected, the funds that were directed to existing programs have proven to be the fastest to be deployed. The Agency was able to award over $250 million to multifamily and single-family developments from state resources in December 2023 as part of its annual project selections, the most ever selected. This included $160 million in Housing Infrastructure resources. The Agency's overall selections are expected to produce the following housing outcomes:

- 28 multifamily developments that will create and/or preserve 1,486 rental units,
- 78 single-family proposals that will create and/or preserve 1,314 homes, and
- 19 manufactured housing communities will receive infrastructure upgrades to improve 1,920 home lots in manufactured home communities.

Beyond the Consolidated RFPs for multifamily and single-family activities and manufactured housing selections, Minnesota Housing conducted numerous RFPs in the first half of 2024 that greatly expanded funding for the following existing programs:

- Over $100 million in Family Homeless Prevention Assistance to provide financial stability to families at risk of eviction or homelessness.
- $39.5 million for the Publicly Owned Housing Program to rehabilitate public housing across the state.
- The Greater Minnesota Workforce Housing Development program opened in spring 2024 and received $100 million in requests for $39 million available. Selections will be made in fall 2024.
- $50 million for Agency downpayment assistance through our statewide lender network.

The Agency also successfully designed and launched several new programs:

- The Stable Housing Organization Relief Program awarded $50 million in assistance to nonprofit housing developers.
- The First-Generation Homeownership Loan Program opened in May 2024 with $50 million for people who have never owned a home before, nor have their parents (or lost a home to foreclosure).
- Many more programs are in the works that will open later in 2024 or early 2025 including the statewide Bring It Home rental assistance, Homeownership Investment Grants, Community Stabilization, High-Rise Sprinkler Grants and more, providing more than $250 million additional housing resources.

The Agency has also signed contracts with the majority of the legislatively named grantees, including:

- $100 million for Midwest Minnesota Community Development Corporation to run a First-Generation Downpayment Assistance program similar to Minnesota Housing's program,
- $10 million for Northcountry Cooperative Foundation to help residents of manufactured housing communities develop cooperative ownership models, and
- $10 million for Family Homeless Prevention Assistance allocated directly to Tribal Nations for the first time in Agency history.

Helping Minnesotans achieve homeownership

Despite higher interest rates than previous years and continued low inventory of homes, Minnesota Housing's home mortgage production continued to deliver at a pace of over $1 billion in loans a year. For the most recent program year that complete data is available (federal fiscal year 2023):

- Programs for first-time and repeat homebuyers totaled more than $1.1 billion in mortgage financing for over 4,400 households.
- The Agency provided $62 million in loans to cover downpayment and closing costs related to first-mortgage financing.
- Over 1,300 borrowers accessed more than $40 million in capital to improve or rehabilitate their homes.
- The Agency delivered 37% of its first-time homebuyer mortgages to Black and Indigenous households and households of color, compared to the mortgage industry of 23% in Minnesota.

Providing housing stability to people with low incomes

In addition to direct lending, Minnesota Housing administers a variety of programs that provide rental and homelessness prevention assistance, access to supportive housing for individuals and families who are homeless or who face housing instability, as well as individuals experiencing behavioral health issues. Minnesota Housing runs grant programs providing resources aimed at making homelessness rare, brief and one-time. Minnesota Housing also manages the federal Section 8 performance-based contract programs on behalf of the United States Department of Housing and Urban Development.

- Administered programs to assist individuals and families who are homeless or who face housing instability, reaching over 10,000 individuals and families in the most recent year.
- Delivered more than $236 million in Section 8 rental assistance on behalf of HUD to serve nearly 30,000 units across Minnesota.

Commitment to Equity and Inclusion

Minnesota Housing is committed to applying an equity lens in all of its work, from hiring practices, to program design, to investments in new partners. Governments have played a role in creating racial disparities and must play a role in righting them.

Per Minnesota Housing's 2024-2027 Strategic Plan, the Agency aims to create an inclusive, equitable and just housing system by addressing the root causes of deep and systemic disparities. Doing so will help the Agency address disparities in housing access as well as close the homeownership gap between white households and Black, Indigenous and households of color. The Agency centers the people and places most impacted by housing instability at the heart of our decision making.

Minnesota Housing wishes to express its gratitude to its partners and investors across the state and country, and to the Agency's dedicated staff, without whom these tremendous accomplishments would not be possible.

Jennifer Leimaile Ho, Commissioner
Minnesota Housing

Independent Auditor's Report

Board of Directors
Minnesota Housing Finance Agency

Report on the Audit of the Financial Statements

Opinions
We have audited the financial statements of the business-type activities and each major fund of Minnesota Housing Finance Agency (the Agency), a component unit of the State of Minnesota, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and each major fund of the Agency, as of June 30, 2024, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

RSM US LLP is the U.S. member firm of RSM International, a global network of independent assurance, tax, and consulting firms. Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards,* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information
Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedule of selected pension and postemployment benefits other than pension information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information
Our audit for the year ended June 30, 2024, was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic financial statements. The accompanying supplementary information as listed in the table of contents as of and for the year ended June 30, 2024, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended June 30, 2024, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information as listed in the accompanying table of contents is fairly stated, in all material respects, in relation to the basic financial statements as a whole for the year ended June 30, 2024.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statements of the Agency as of and for the year ended June 30, 2023 (not presented herein), and have issued our report thereon dated October 6, 2023 which contained unmodified opinions on the respective financial statements of the business-type activities and each major fund. The accompanying supplementary information as listed in the table of contents for the year ended June 30, 2023 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information was subjected to the audit procedures applied in the audit of the 2023 basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare those financial statements or to those financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information as listed in the table of contents is fairly stated in all material respects in relation to the basic financial statements as a whole for the year ended June 30, 2023.

Other Information
Management is responsible for the other information included in the annual report. The other information comprises the introductory section and other information section as listed in the accompanying table of contents but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Report on Summarized Comparative Information
We have previously audited the Agency's June 30, 2023, financial statements and we expressed unmodified opinions on the respective financial statements of the business-type activities and each major fund in our report dated October 6, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*
In accordance with *Government Auditing Standards,* we have also issued our report dated December 9, 2024, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

RSM US LLP

Duluth, Minnesota
December 9, 2024

MINNESOTA HOUSING FINANCE AGENCY
A Component Unit of the State of Minnesota
Management's Discussion and Analysis of Financial Condition and Results of Operations (unaudited)

Introduction

Management's Discussion and Analysis of Financial Condition and Results of Operations is not audited. However, it is supplementary information required by accounting principles generally accepted in the United States of America. This discussion should be read in conjunction with the financial statements and notes thereto.

The Minnesota Housing Finance Agency (Minnesota Housing or the Agency) was created in 1971 by the Minnesota legislature through the enactment of Minnesota Statutes, Chapter 462A, which has been amended from time to time. The Agency was established to facilitate the construction and rehabilitation of housing in Minnesota for families of low- and moderate-income by providing mortgage loans, development loans, and technical assistance to qualified housing sponsors. Minnesota Housing is a component unit of the State of Minnesota and receives appropriations from the state legislature, substantially all of which are used to make loans or grants under specified state-defined programs and to pay debt service and related expenses on state appropriation-backed housing bonds. Minnesota Housing also receives funds appropriated by the federal government for similar program purposes and distribution of emergency assistance. The Agency's mission is affordable housing.

Minnesota Housing is authorized to issue its general obligation bonds and notes to fulfill its corporate purposes up to a total outstanding amount of $9.0 billion and to incur other indebtedness. None of the bonds, notes or other indebtedness is a debt of the State of Minnesota or any political subdivision thereof.

Minnesota Housing operates four program divisions; Multifamily, Single Family, Housing Stability and Community Development which offer housing programs with funding from the sale of tax-exempt and taxable bonds, state and federal appropriations, the Housing Development Fund, Alternative Loan Fund, and the State budget investment. The federal Low Income Housing Tax Credit is another resource the Agency allocates. The members of Minnesota Housing (the Board) consist of six public members appointed by the Governor with the advice and consent of the state senate for terms of four years and the State Auditor as an ex-officio member.

Discussion of Financial Statements

The Financial Section of this report consists of the following parts including: the independent auditors' report, required supplementary information, (this section), the basic financial statements and supplementary information. The basic financial statements are prepared on an accrual basis and presented on an agency-wide basis and by fund.

- Agency-wide financial statements provide information about Minnesota Housing's overall financial position and results of operations. These statements consist of the Statement of Net Position and the Statement of Activities. Significant interfund transactions have been eliminated within the agency-wide statements. Assets and revenues of the separate funds that comprise the agency-wide financial statements are generally restricted as to use, and the reader should not assume they may be used for every corporate purpose.
- The fund financial statements provide information about the financial position and results of operations for Minnesota Housing's eight proprietary funds.
- The financial statements also include notes to financial statements which provide more detailed explanations of certain information contained in the agency-wide and fund financial statements.

Required and other Supplementary Information is presented following the Notes to Financial Statements for certain funds of Minnesota Housing, which have been established under the bond resolutions under which Minnesota Housing issues bonds and other debt for its programs. These funds consist of General Reserve and the bond funds, which are Rental Housing, Residential Housing Finance, Homeownership Finance, Home Ownership Mortgage-backed Exempt Securities (HOMES[SM]), and Multifamily Housing.

The basic financial statements also include summarized comparative totals as of and for the year ended June 30, 2023. Although not required, these comparative totals are intended to facilitate an understanding of Minnesota Housing's financial position and results of operations for fiscal year 2024 in comparison to the prior fiscal year.

General Overview

Minnesota Housing financial statements are presented in two formats: agency-wide and by fund. Funds include Rental Housing, Residential Housing Finance, Homeownership Finance, Multifamily Housing, and HOMES[SM] (collectively the bond funds); State and Federal Appropriated (collectively the appropriated funds) and General Reserve. Agency-wide financial statements are provided to display a comprehensive view of all Minnesota Housing funds as required by accounting principles generally accepted in the United States of America applicable to governmental entities under accounting standards promulgated from time to time by the Governmental Accounting Standards Board (GASB). Agency-wide financial statements reflect totals of similar accounts for various funds. However, substantially all of the funds in these accounts are restricted as to use by Agency covenants or legislation as further described below.

Assets and revenues of the bond funds are restricted to uses specifically set forth in the respective bond resolutions and are pledged for the primary benefit of the respective bondholders and interest rate swap agreement counterparties. General Reserve is created under the Minnesota Housing bond resolutions as part of the pledge of the general obligation of Minnesota Housing. Minnesota Housing covenants in the bond resolutions that it will use the assets in General Reserve only for administration and financing of programs in accordance with the policy and purpose of the Minnesota Housing enabling legislation, including reserves for the payment of bonds and notes and of loans made from the proceeds thereof, and to accumulate and maintain therein such a balance of funds and investments as will be sufficient for the purpose.

Minnesota Housing has no taxing power and neither the State of Minnesota nor any political subdivision thereof is legally obligated to pay the principal of or interest on bonds or other obligations issued by Minnesota Housing. The state has pledged to and agreed with bondholders that it will not limit or alter the rights vested in Minnesota Housing to fulfill the terms of any agreements made with bondholders or in any way impair the rights and remedies of the bondholders.

Public funds directly appropriated to Minnesota Housing by the State of Minnesota or made available to Minnesota Housing from the federal government are restricted by law to specified uses set forth in the state appropriations or federal contracts. Assets and revenues of appropriated funds are not pledged or available to secure bonds issued under the bond funds or other obligations of Minnesota Housing or its general obligation pledge in respect thereof.

In addition to its audited annual financial statements, Minnesota Housing has published unaudited quarterly disclosure reports for Residential Housing Finance and Homeownership Finance bond resolutions and unaudited semiannual disclosure reports for the Rental Housing bond resolution. Recent disclosure reports can be found in the "Investors" section on Minnesota Housing's web site at https://www.mnhousing.gov and on EMMA (Electronic Municipal Markets Access system) at emma.msrb.org.

Discussion of Individual Funds

General Reserve

The purposes of General Reserve are to maintain sufficient liquidity for Minnesota Housing operations, to hold escrowed funds and to maintain the Housing Endowment Fund (also referred to as Pool 1). The costs of administering Minnesota Housing programs are captured on the Statement of Revenues, Expenses, and changes in Net Position for General Reserve. The fees earned are generally related to the administration of the federal Low Income Housing Tax Credit program, administration of the federal Housing Assistance Payment program, and contract administration of the Section 8 program for developments not financed by Minnesota Housing.

Rental Housing

Over 55% of the developments with a first mortgage loan presently held in Rental Housing receive Section 8 payments under contracts with U.S. Department of Housing and Urban Development ("HUD"), 63% of the principal amount of multifamily first mortgage loans receivable held in Rental Housing are insured by HUD pursuant to a risk sharing agreement whereby HUD agrees to assume 50% or greater of the loss upon a default of the mortgage loan.

Inherent risks remain in these portfolios, especially for multifamily developments without project-based tenant subsidies or HUD risk sharing agreements. Maintaining asset quality is a high priority for Minnesota Housing; therefore, this portfolio receives a significant amount of oversight.

All of Minnesota Housing's bond-financed multifamily loans, except loans financed under state appropriation-backed housing bonds, conduit bonds, and one loan under Multifamily Housing, are financed in Rental Housing as of June 30, 2024. Funds in excess of bond resolution requirements may be withdrawn and used to redeem any Agency bonds, to fund housing programs and for Agency operations.

Residential Housing Finance

Included within Residential Housing Finance are the bonds issued and outstanding under the Residential Housing Finance bond resolution, the 2018 limited obligation Index Bank Note issued under a separate trust indenture, the General Purpose Bonds issued under a separate trust indenture, and the restricted by covenant, Alternative Loan Fund which consists of the Housing Investment Fund (Pool 2), and the Housing Affordability Fund (Pool 3). The Alternative Loan Fund is not pledged as security for any bonds of the Agency but is available to pay debt service on any bonds except state appropriation-backed bonds and conduit bonds.

Bonds have been issued for the purpose of funding purchases of single family first mortgage loans, mortgage-backed securities backed by single family mortgage loans, certain down payment and closing cost housing assistance loans, and unsecured and secured subordinated home improvement mortgage loans. The mortgage-backed securities are guaranteed as to payment of principal and interest by one of the Government National Mortgage Association (GNMA), the Federal National Mortgage Association (FNMA) or the Federal Home Loan Mortgage Corporation (FHLMC). The majority of the single family first mortgage loans financed by these bond issues are insured by private mortgage insurance or the Federal Housing Administration (FHA) or guaranteed by the U.S. Department of Veterans Affairs (VA) or the U.S. Department of Agriculture Rural Development (RD). While mortgage insurance and guarantees help mitigate the risk of loss to the Agency, inherent risks remain including the impact of declining home values on default recoveries and the risk of deterioration to the credit worthiness of insurers. The Agency's collection experience among mortgage insurers has been generally favorable.

This bond resolution, along with the Homeownership Finance bond resolution, are the principal sources of financing for bond-financed homeownership programs. Minnesota Housing may also issue bonds for its home improvement loan program under this bond resolution although no bonds were issued to support home improvement lending during fiscal year 2024.

Assets of Pool 2 consist of investment quality housing loans, as defined by the Agency, and investment grade securities. During fiscal year 2024 this fund provided capital for several Agency programs including its home improvement loan program and its multifamily first-mortgage loan program. It also provided capital for warehousing purchases of mortgage-backed securities secured by single family first mortgage loans before those securities are permanently financed by issuing bonds or sold into the to-be-announced (TBA) market. In addition, it provided capital for amortizing second lien homeownership loans made in conjunction with the Agency's single family first mortgage loans, for tax credit bridge loans, for loans to partner organizations to acquire, rehabilitate and sell foreclosed homes and to develop new affordable housing, and index bank note interest expenses, and for contributions related to bond sales. The fund may also provide interim financing for construction and rehabilitation of single-family housing and may be used to advance funds to retire debt.

Assets of Pool 3 consist of investment-grade securities when not utilized for program purposes. Program purposes include but are not limited to no-interest loans, loans at interest rates substantially below market, high risk loans, deferred loans, revolving funds, and grants. During fiscal year 2024 funds from Pool 3 were used for down payment and closing cost assistance loans for first-time homebuyers, below-market interim financing for construction and rehabilitation of single-family housing, capital costs and rental assistance for permanent supportive housing, advances for certain multifamily housing developments in anticipation of permanent funding and deferred, subordinated multifamily loans.

Funds in excess of bond resolution requirements may be withdrawn and used to redeem any Agency bonds, to fund housing programs and for Agency operations.

Homeownership Finance

This bond resolution was originally adopted for the purpose of issuing mortgage revenue bonds under the United States Treasury's Single Family New Issue Bond Program (NIBP). Non-NIBP mortgage revenue bonds, which also meet resolution requirements, have also been issued under this resolution. Bonds issued under this resolution fund mortgage-backed securities backed by single family mortgage loans. These securities are guaranteed as to payment of principal and interest by one of the GNMA, FNMA or the FHLMC. Funds in excess of bond resolution requirements may be withdrawn and used to redeem any Agency bonds, to fund housing programs and for Agency operations.

HOMES[SM]

This bond indenture implements a program developed by the investment banking division of a major bank whereby the Agency issues and sells to the investment bank limited obligations of the Agency (HOMES[SM] certificates), each secured by a mortgage-backed security guaranteed by FNMA or GNMA. Minnesota Housing is not committed to sell any HOMES[SM] certificates but has the option to accept the investment bank's bid for HOMES[SM] certificates, which may be a higher price than the Agency could achieve by selling the mortgage-backed security in the open market. The HOMES[SM] Certificates are not secured by the general obligation pledge of the Agency and are not protected by the moral obligation backing from the State of Minnesota. Since the initial issuance in fiscal year 2014, the Agency has not issued any additional HOMES[SM] certificates.

Multifamily Housing

This bond resolution was adopted for the purpose of issuing multifamily housing bonds under the United States Treasury's Multifamily New Issue Bond Program.

State and Federal Appropriated Funds

The appropriated funds are maintained by Minnesota Housing for the purpose of receiving and disbursing monies appropriated by the state and federal government for housing. All funds appropriated by the state and federal government must be used for specific uses as set forth in the state appropriations or federal contracts and except for funds appropriated to pay debt service on state appropriation-backed bonds are not pledged or available to secure the bondholders or creditors of Minnesota Housing. Because the Agency is the issuer of the state appropriation-backed bonds they are shown in bonds payable section even though they are not a general obligation of the Agency. These bonds are payable solely from appropriations from the State of Minnesota. Per the offering disclosures for these appropriation-backed bonds, the Agency has not pledged, and will not use or pledge its own resources to redeem or repay the bonds.

The State Appropriated Fund was established to account for funds, received from the state legislature, which are to be used for programs for low- and moderate-income persons and families and multifamily housing developments in the form of low-interest loans, no-interest deferred loans, low-interest amortizing loans, down-payment assistance, debt service and other costs associated with appropriation-backed housing bonds, and other housing-related program costs.

The Federal Appropriated Fund was established to account for funds received from the federal government which are to be used for programs for low- and moderate-income persons and families and multifamily housing developments in the form of no-interest deferred loans and grants in support of foreclosure counseling and remediation efforts, assistance to tax credit developments, federal emergency housing assistance and other housing-related program costs.

General Reserve and Bond Funds – Statement of Net Position

Financial Highlights

The following financial highlights section refers to the General Reserve and bond funds. The reader is encouraged to review the Fund Financial Statements as well as supplementary information in this 2024 Financial Report.

Investments-including program Mortgage-backed securities (MBS), cash, cash equivalents, investment securities-other, loans receivable, and interest receivable comprise the majority of assets. Deferred pension expense, deferred loss on refunding and deferred loss on interest rate swap agreements comprise the majority of deferred outflows of resources in the General Reserve and bond funds. Capital assets, real estate owned, and other assets continue to be insignificant in relation to the total General Reserve and bond fund assets and deferred outflows of resources.

Program MBS is the single largest category of bond fund assets. Those assets are pledged as security for the payment of certain Agency mortgage revenue bonds held in acquisition accounts pledged to bond holders as security for bonds. This category of investments increased 30.6% to $4,149.3 million. Single Family mortgage loan production was very strong in fiscal year 2024 driving the increase in MBS.

120+ Days	752	2.2%	641	2.1%
Total count	34,769		31,019	
Total past due	1,663	4.8%	1,397	4.5%

Similar to the homeownership loan portfolio described below, borrowers with mortgage loans that back the MBS portfolio were able to seek up to 18 months of payment forbearance due to the COVID Pandemic; the MBS payments are guaranteed by GNMA, FNMA or FHLMC and are not delinquent.

Cash and cash equivalents are carefully managed to provide adequate resources for future debt service requirements and other liquidity needs. This category increased 53.4% to $513.3 million. Cash and Cash equivalents can fluctuate based on the timing of bond sales, the rate of production, debt repayments, purchase of investments and loan transactions.

Investments securities-other consists of MBS that are held by the Agency as investments, MBS held in the warehouse for future bond sales and MBS held for sale in the TBA market as well as other quality investments such as US agency obligations, US treasuries, municipal bonds and government backed investment pools at the trustee, Computershare, and the State Board of Investments (SBI). This category decreased by 31.0% to $104.9 million.

Loans receivable, net is another large single category of bond fund assets. Loans are limited to housing-related lending for low- and moderate-income individuals and families and multifamily housing developments; including Monthly Payment Second lien (MP 2nds) loans that include down payment and closing cost assistance loans. Loans receivable, net, increased 3.4% to $1,032.5 million at June 30, 2024, as a result of repayments, prepayments, and loss reserves net of new loan purchases and originations. Amortizing homeownership loans at fixed interest rates, secured by first mortgages, continue to be the dominant loan product offered by Minnesota Housing. The reserve for loan loss for the homeownership loan portfolio increased slightly. The reserve for loan loss for the home improvement loan portfolio grew due to a slight increase in the 120 day past due category. Amortizing multifamily loans at fixed interest rates, secured by first mortgages (referred to as the multifamily portfolio) exhibited little change in delinquency rate and aggregate loan receivable balance. Minnesota Housing's primary loan programs offer fixed interest rate financing and therefore

General Reserve and Bond Funds – Statement of Net Position (continued)

differ from the high-risk characteristics associated with some adjustable payment loan products. During the national emergency concerning the COVID Pandemic, borrowers with mortgage loans that are FHA insured, VA, HUD, or RD, or purchased or securitized by FNMA or FHLMC were able to seek up to 18 months of payment forbearance. The Agency has chosen to grant similar forbearance relief for other single-family homeownership and home improvement loans.

Total Count	5,717		5,077	
Total Past Due	133	2.3%	99	1.9%

Due to the unique program characteristics of the Minnesota home improvement loan portfolio, the Agency has determined that delinquency data from other available sources is not directly comparable. The table above excludes inactive home improvement loans defined as delinquent loans for which the Agency has a valid lien, but active collection efforts have been exhausted.

FHA/VA insurance claims, net consist of non-performing homeownership loans that are FHA insured or VA guaranteed. These loans are reclassified as claims receivable at the time the Agency files a claim. FHA/VA insurance claims was zero at June 30, 2024.

Over 55% of the developments with a first mortgage loans held in Rental Housing receive Section 8 payments under contracts with the U.S. Department of Housing and Urban Development ("HUD"), and 63% of the principal amount of

General Reserve and Bond Funds – Statement of Net Position (continued)

multifamily first mortgage loans receivable held in Residential Housing Finance, are insured by the HUD pursuant to a risk sharing agreement whereby HUD agrees to assume 50% or greater of the loss upon a default of the mortgage loan.

Real estate owned; net consists of properties acquired upon foreclosure of homeownership loans. There was a net decrease in real estate owned of 39.4% to $0.6 million at June 30, 2024.

While the delinquency rates and foreclosures in the Agency's loan portfolio remained above historical norms during fiscal year 2024, the combined net total of FHA/VA insurance claims and real estate owned remains immaterial compared to total loans receivable at June 30, 2024, being less than 1.0% of total net loans receivable.

Management believes that reserves for loan losses are adequate based on the current assessment of asset quality.

No loans reside in General Reserve.

Interest receivable on loans and investments is a function of the timing of interest payments and the general level of interest rates. Combined loan and investment interest receivable increased 43.8% to $23.3 million at June 30, 2024.

Bonds payable is the largest single category of liabilities, resulting primarily from debt issued to fund housing-related lending. Bonds payable increased 30.1% to $4,919.4 million at June 30, 2024, because new bond issuance related to lending activities outpaced scheduled redemptions and early bond redemptions of existing debt.

The companion category of interest payable increased 78.9% to $74.3 million at June 30, 2024, largely due to an increase in the amount of outstanding debt and higher market interest rates.

While there is no debt issued in General Reserve, there is a significant liability for funds held for others. These funds are routinely collected and held in escrow on behalf of multifamily borrowers pursuant to loan documents and are used for future periodic payments of real property taxes, casualty insurance premiums, and certain capital expenditures. Funds held for others in General Reserve, Pool 2 and HOMES^{SM} increased 5.8% in fiscal year 2024 to $78.7 million at June 30, 2024.

On the Statement of Net Position there are three accounts that report the overall pension and other post-employment benefits (OPEB) picture. As of June 30, 2024, the Net Pension Liability and OPEB decreased to $9.0 million, the Deferred Pension Expense decreased 22.0% to $8.4 million, and the Deferred Pension Credit increased 42.9% to $6.6 million. This increase was due to Minnesota State Retirement System (MSRS) making changes to the assumptions that were used for the plans actuarial reports. GASB 68, *Accounting and Financial Reporting for Pensions-an amendment of GASB Statement No. 27*, prescribes how these accounts are recorded and how income and expense are recognized. GASB 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, prescribes that OPEB are now included in these numbers. The net result of the pension entries is an overall decrease of $4.5 million to the net position.

Accounts payable and other liabilities decreased 23.8% to $74.6 million at June 30, 2024.

Interfund payable/receivable exists primarily as a result of interfund borrowing and pending administrative and program reimbursements between funds. Most administrative expenses are paid from General Reserve, with the bond funds and appropriated funds owing an administrative reimbursement to General Reserve for the respective fund's contribution to those administrative expenses.

General Reserve and Bond Funds Revenues over Expenses

Operating revenues over expenses of General Reserve and bond funds increased 41.4% to $183.1 million.

Total operating revenues increased 40.2% to $282.8 million. The largest impact on revenue is the result of increased interest rates on investments-program mortgage-back securities.

Total operating expenses increased 38.2% to $99.7 million. The majority of the increase is the result of increased staffing levels needed to manage new programs.

The largest revenue component, interest earned on MBS and investments increased 50.5% to $193.0 million. This is primarily due to higher market interest rates in fiscal year 2024. Loan interest revenue increased 10.3% to $41.0 million as repayments and prepayments decreased the size of the homeownership loan portfolio, interest rates increased in the overall portfolio. Administrative reimbursements to General Reserve from bond funds were $53.3 million in fiscal year 2024 compared to $34.9 million during the prior fiscal year. General Reserve also incurs overhead expenses to administer state and federal appropriated housing programs. General Reserve received overhead reimbursements of $20.1 million from the State and Federal Appropriated funds to recover certain overhead expenses incurred during fiscal year 2024 compared to $7.3 million during the prior fiscal year.

Other fee income to General Reserve and bond funds increased 9.5% to $23.6 million compared to the prior fiscal year. The primary components are service acquisition fees earned from the sale of mortgage servicing rights, fees earned from the federal low-income housing tax credit program, Section 8 contract administration, federal Housing Assistance Payments (HAP) administration, and various loan programs.

The net loss on the sale of mortgage-backed securities held for sale was $0.8 million a slight decrease over prior fiscal year. Components of the net gain, in addition to the gain or loss on the security itself, include the cost of hedging activities that seek to minimize interest rate risk through forward sale contracts, certain trustee fees, and service release premiums.

Net appreciation/depreciation in fair value on investment securities for fiscal year 2024 are $45.7 million compared to $149.3 million of losses for fiscal year 2023. The net appreciation/depreciation in fair value on investments arise due to the changes in fair value and mark-to-market in accordance with GASB Statement 31. The fair value adjustments are booked quarterly and fluctuate based on market conditions. Of these net appreciation/depreciation in fair value on investments, a majority of the unrealized losses are related to the program MBS portfolio pledged to bond holders for payments of debt service and $1.1 million of unrealized gains are related to the investment securities portfolio. The Agency will hold these MBS until all requirements of the Residential Housing Finance and Homeownership Finance Bond resolution are satisfied. The Agency is not permitted by the bond resolution to sell the program MBS at this time. This value fluctuation is booked as required by GASB; however, analysis performed on income normally excludes the net appreciation/depreciation in fair value on investment securities as the Agency does not plan to sell investments prior to maturity and realize gains or losses.

Interest expense increased 56.0% to $150.6 million compared to the prior fiscal year as a result of higher interest rates impacting new bond issues.

Financing costs increased 295.4% to $12.1 million; this is primarily related to hedge gains in prior year.

Expenses for loan administration and trustee fees in the bond funds increased 16.0% to $3.8 million for current fiscal year. Of the total administrative reimbursement revenue in General Reserve of $53.3 million, the interfund charge to the bond funds and State Appropriated fund of $47.8 million was eliminated for purposes of financial reporting in the Agency-wide financial statements.

Salaries and benefits in General Reserve of $40.7 million increased 39.3% from the prior year.

General Reserve and Bond Funds Revenues over Expenses (continued)

Other general operating expense in General Reserve and bond funds was $9.6 million, an increase of 11.9% over prior year.

Reductions in carrying value of certain low interest rate deferred loans in the bond funds increased from $0.1 million to $9.8 million in current fiscal year.

The provision for loan loss expense in the bond funds decreased from $3.2 million to $2.6 million.

The provision for loan loss expense for the homeownership loan portfolio for current fiscal year is ($0.1) million and prior fiscal year was $0.1 million.

The provision for loan loss expense for the home improvement loan portfolio and MP 2nds was at $0.87 million compared to prior year of $0.34 million.

The provision for loan loss expense for the multifamily loan portfolio was $0.8 million.

Non-operating transfers occur as a result of bond sale contributions related to new debt issues, the periodic transfer of assets to maintain the Pool 1 requirement, periodic fiscal year end transfers to the Pool 3, if any, and periodic transfers from the bond funds of amounts in excess of bond resolution requirements. During fiscal year 2024, $23.3 million of Pool 1 funds in excess of requirements were transferred to Pool 2. Revenues over expenses in General Reserve that are in excess of the Pool 1 requirement are transferred periodically to Pool 2 for use in housing programs. Pool 2 also recorded a $15.0 million transfer to Pool 3 to be used for highly subsidized housing programs. Per the Rental Housing Bond Resolution requirement, funds must be transferred to General Reserve when they are removed from the Rental Housing Bond Resolution. Revenues over expenses plus non-operating transfers in Pool 2 may be transferred periodically, with approval of the Board, to Pool 3 for use in more highly subsidized housing programs. Board investment guidelines establish required balances for Pool 1 and Pool 2. In addition, Pool 2 made $0.18 million in bond sale transfers to the Homeownership Finance and Rental Housing Funds.

Total combined net position of General Reserve and bond funds decreased 0.4% to $662.9 million as of June 30, 2024. The net position of General Reserve and bond funds is divided into two primary categories. Restricted by Bond Resolution is pledged to the payment of bonds, subject to bond resolution provisions that authorize Minnesota Housing to withdraw funds in excess of the amounts required to be maintained under the bond resolutions. Restricted by Covenant is subject to a covenant with bondholders that the Agency will use the money in General Reserve, and money that would otherwise have been released to General Reserve, only for the administration and financing of programs in accordance with the policy and purpose of Minnesota Housing's enabling legislation, including the creation of reserves for the payment of bonds and of loans made from the proceeds thereof, and will accumulate and maintain therein such a balance of funds and investments as will be sufficient for the purpose. The Board of the Agency has established investment guidelines for these funds to implement this covenant.

State and Federal Appropriated Funds – Statement of Net Position

Assets of the appropriated funds are derived from the appropriation of funds by the State of Minnesota and funds made available to Minnesota Housing by the federal government for housing purposes. Housing preservation and development typically requires appropriations received in the current period to be expended over several future years of planned development. This timing difference is the primary reason for the presence of investments, cash, and cash equivalent assets in the appropriated funds and for the balance of net position restricted by law. In fiscal year 2018, the Agency added a new line called Unrestricted - State Appropriation-backed Bonds. This line shows the amount of outstanding Appropriation-backed Bonds issued by the Agency.

Investments, cash, and cash equivalents combined are the largest category of assets in the appropriated funds. The June 30, 2024, combined balance increased 119.3% to $1,134.3 million as a result of the combined appropriations

State and Federal Appropriated Funds – Statement of Net Position (continued)

received and other revenues being more than the combined disbursements for programs, loans, and expenses during the fiscal year.

Certain state appropriations are expended as housing loans which are in a first lien position and with near- or below-market interest rates, resulting in net loans receivable. At June 30, 2024, State Appropriated fund net loans receivable increased 138.6% to $98.5 million.

Interest receivable in appropriated funds is a function of the timing of interest payments and the general level of interest rates on investments. Interest receivable on appropriated funds increased from $1.3 million at June 30, 2023, to $4.4 million on June 30, 2024. Accounts payable and other liabilities represent amounts payable to program participants as of year-end. The balance of payables at June 30, 2024, was $10.9 million compared to $9.2 million at June 30, 2023. Interfund payable occurs in the Federal Appropriated fund as a result of overhead expense and indirect cost recoveries owed to General Reserve. Interfund payable occurs in the State Appropriated fund because of accrued overhead expense payable to General Reserve. At June 30, 2024, the combined net interfund receivable was a $7.0 million.

At June 30, 2024, and June 30, 2023, the balance of funds held for others was $0.1 million.

The appropriated net position is broken into two categories. Restricted by law is for use with housing programs only and is not pledged or available to secure bonds issued under any of the Agency's bond funds or other obligations of the Agency or its general obligation pledge in respect thereof. Unrestricted - State Appropriation-backed shows the amount of state appropriation-backed bonds outstanding. These bonds are backed solely by the standing appropriation by the State of Minnesota and the Agency's resources are not pledged or available to secure the bondholders. Per GASB, as the issuer, the Agency is required to show these bonds as bonds payable. The combined net position of the appropriated funds increased from $59.8 million as June 30, 2023, to $729.0 million as of June 30, 2024. This increase is predominately due to state appropriated legislative awarded funds of $832.1 million. The balance in restricted by law at June 30, 2024, was $1063.9 million. There was an increase in restricted by law net position of 195.5% for fiscal year 2024. The principal amount outstanding of the state appropriation-backed bonds payable was $438.8 million as of June 30, 2023, and $448.8 million as of June 30, 2024. Refer to Note 10. State and federal appropriated funds are recorded as revenue in the period in which such appropriations are earned. Funds are spent for eligible program activities as defined by Minnesota Housing, the State of Minnesota, or agencies of the federal government. Unexpended appropriations are invested and the interest income on the investments is recorded as it is earned, except for interest earned on certain unexpended federal appropriations, which is recorded as funds held for others. Similarly, interest income on certain State Appropriated fund loan receivables is recorded as it is earned.

State and Federal Appropriated Funds – Revenues over Expenses

Historically, the largest revenue category is appropriations received, and is a function of the fiscal, legislative, and political environment of the State of Minnesota and the federal government. The combined appropriations received increased from $421.7 million in fiscal year 2023 to $1,196.6 million in fiscal year 2024. In fiscal year 2024 the disbursement of COVID emergency assistance funds received in prior fiscal years had a major impact on our ending balance. Federal appropriations received decreased by $18.2 million. State appropriations received increased by $793.1 million.

The combined interest income from investments increased 278.7% to $59.0 million for fiscal year 2024 due to higher market interest rates.

Loan interest income from state appropriations loan assets continues to be minimal at $0.9 million as relatively few loans bear interest.

Fees earned and other income, in the amount of $9.3 million were recorded in the State Appropriated Fund during fiscal year 2024.

State and Federal Appropriated Funds – Revenues over Expenses (continued)

Combined unrealized losses was a loss of $0.2 million for fiscal year 2024 compared to zero for fiscal year 2023. The unrealized gains and losses arise due to the changes in fair value and mark-to-market in accordance with GASB. The fair value adjustments are booked quarterly and fluctuate based on market conditions.

Administrative reimbursements to General Reserve of overhead expenses to administer State Appropriated Fund programs increased 155.6% to $14.6 million compared to the prior fiscal year. The Agency incurs the overhead expense in General Reserve. General Reserve is reimbursed for these overhead expenses by the state appropriated funds to the extent of investment earnings on unexpended state appropriations.

Combined appropriations disbursed increased 10.1% to $455.5 million compared to the prior fiscal year, reflecting state appropriations disbursed of $129.9 million and federal appropriations disbursed of $325.6 million.

Increased expenditures of state appropriated funds for fully reserved below-market and zero-percent interest rate loans impacted expense from reductions in carrying value of certain loans. Net reductions of carrying value increased 39.8% to $111.5 million compared to the prior fiscal year.

Other general operating expenses in the State Appropriation Fund represent fees for professional and technical support to implement and administer certain housing programs and disbursements of funds. Other general operating expenses in the State Appropriation Fund decreased 68.8% to $0.5 million at June 30, 2024.

Combined operating expenses were less than combined operating revenue of the appropriated funds by $590.4 million at June 30, 2024. Historically, the entire existing state restricted by law and federal appropriated funds' net position is likely to be expended for housing programs. In fiscal year 2024 the legislature appropriated $832.0 million for new programs for the Agency. The majority of the programs were being developed in FY24 therefore a large portion of the appropriation has not been spent.

Capital Assets and Significant Long Term Debt Activities

The Agency's net capital assets balance at June 30, 2024, was $8.2 million, as compared to $9.5 million on June 30, 2023. Included in this amount were $25.1 million of depreciable assets and $16.9 million of accumulated depreciation. The Agency had capital asset additions of $1.8 million and $2.3 million in fiscal year 2024 and 2023, respectively. Refer to note 5 for table.

The principal amount of general obligation bonds and notes of the Agency that are outstanding at any time (excluding the principal amount of any refunded bonds and notes) is limited to $9.0 billion by State statute.

Minnesota Housing issues a significant amount of bonds, having outstanding at June 30, 2024, not including state appropriation-backed bonds, long-term bonds totaling $4,919.4 million. Bond proceeds and related revenues are held by a trustee, who is responsible for administration of bond resolution requirements including payment of debt service. The bond resolutions may require funding debt service reserve accounts and insurance reserve accounts. At June 30, 2024, amounts held by the trustee in principal, interest, redemption, and reserve accounts represented full funding of those requirements as of that date. In addition, at year-end the Agency had $493.3 million in state appropriation-backed bonds outstanding.

Minnesota Housing continually investigates and utilizes financing and debt management techniques designed to achieve its goals of reducing interest expense and efficiently utilizing bonding authority while managing risk and responding to changing capital markets. During 2024 fiscal year, Minnesota Housing issued thirty-three series of bonds aggregating $1,388.3 million (excluding state appropriation-backed housing bonds, limited obligation drawdown index bank note, and short-term borrowing against a line of credit), compared to the issuance of nineteen series totaling $713.1 million the previous fiscal year. Long-term bonds are issued as capital is needed for program purposes and as opportunities arise to economically refund outstanding bonds. Short-term bonds and notes and other indebtedness may be issued to preserve

Capital Assets and Significant Long Term Debt Activities (continued)

tax-exempt bonding authority for future program use and to warehouse purchases of mortgage-backed securities in advance of permanent financing. A total of $26.6 million in state appropriation-backed bonds were issued in fiscal year 2024.

A total of $293.5 million in bond principal repayments and $138.7 million of bond-related interest expense occurred during fiscal year 2024 not including state appropriation-backed bonds. Of the total bond principal repayments, $152.6 million were repayments made on bonds prior to the scheduled maturity date using a combination of optional and special redemption provisions. A total of $16.7 million in bond principal repayments for state appropriation-backed bonds were made in fiscal year 2024.

Most of the bonds issued by Minnesota Housing bear interest that is not includable in gross income for federal and State of Minnesota income taxation, in accordance with requirements of the federal Internal Revenue Code (IRC) and Treasury regulations governing either qualified mortgage bonds, bonds issued to provide qualified residential rental projects or bonds issued to finance certain types of loans to nonprofit entities for single family and multifamily housing. Minnesota Housing's ability to issue certain types of tax-exempt debt is limited by its share of the state's allocation of private activity bond volume cap, which is established by Minnesota statutes. Minnesota Housing's ability to issue tax-exempt debt is also limited by a provision in the IRC (commonly known as the 10 year rule) that requires single family mortgage loan repayments and prepayments received more than ten years after the date of issuance of the bonds that financed those mortgage loans to be used to redeem bonds.

While most of the Agency's bonds are tax-exempt, taxable bonds have been issued to supplement limited tax-exempt private activity bond volume cap in order to meet demand for financing single family mortgage loans. Taxable bonds may also be issued to refund existing debt or to finance lending programs where federal tax-exempt bond restrictions are inconsistent with program goals. Variable-rate demand bonds and interest-rate swaps were incorporated into Minnesota Housing's financings from fiscal year 2003 through fiscal year 2010, and again in fiscal years 2016 through fiscal year 2020 and in fiscal years 2022 and 2024, and two financings originally issued in fiscal years 2018 and 2019 as interest-rate swaps were converted from floating rate term bonds to variable rate demand bonds in fiscal year 2024. Interest-rate swaps help to hedge the mismatch between fixed-rate loans and variable-rate bonds.

State Legislative Actions that May Impact Financial Conditions and/or Operations

At the State Capitol, the second year of the biennium typically focuses on policy initiatives, a capital investment bill and supplemental budget initiatives after enacting a two-year budget the previous year which included $1.3 billion in housing resources. The session landscape in 2024 included a $3.7 billion budget surplus for the FY 2024-25 budget, with the DFL in the majority in both the House and Senate. Both bodies had finance committees exclusively focused on housing finance, policy and homelessness prevention issues and the legislative session started on February 12.

Governor Walz and Lt. Gov. Flanagan released their 2024 Capital Investment proposal in January that included $50 million in new Housing Infrastructure Bonds and $7.5 million in state General Obligation bonds to support the rehabilitation of public housing. The Governor did not have supplemental budget recommendations for the agency. In March, the Legislature agreed to joint budget targets for housing that included a $10 million one-time increase in FY 2024-25 and $1 million in FY 2026-27 to support state debt service appropriations on a $50 million new authorization for Housing Infrastructure Bonds.

On May 19, the Legislature passed the housing bill as part of a larger tax bill. For housing, the bill included new one-time spending of $10 million and $50 million in additional Housing Infrastructure Bond authority. The Legislature was unable to pass a capital investment bill (which requires a supermajority vote), so there were no new resources for public housing rehabilitation. Of the $10 million in new spending, just over $8 million was appropriated to the Family Homeless Prevention and Assistance Program. The remaining $2 million was directed to implementing recommendations from the Workgroup on Expediting Rental Assistance, legislatively directed grants and initiatives at other state agencies.

State Legislative Actions that May Impact Financial Conditions and/or Operations (continued)

In addition to the $10 million in one-time spending, the Legislature reallocated $25 million from three programs to increase the total available in the Community Stabilization program from $90 million to $115 million for FY 2024-25. The Community Stabilization program was a new program created in 2023. The reallocations came from the Strengthening Supportive Housing program ($15 million), Challenge Program ($7 million) and Workforce Homeownership Program ($3 million).

The bill also included numerous policy changes to the agency's statutes and programs to help the agency continue to respond to the ongoing needs and challenges faced by people, housing organizations and property owners across the state. Notably the bill increased the agency's outstanding debt limit from $5 billion to $9 billion for allow the agency to continue to finance rental and homeownership opportunities.

Additional Information

Questions and inquiries may be directed to Ms. Debbi Larson at Minnesota Housing Finance Agency, 400 Wabasha Street North, Suite 400, St. Paul, MN 55102 (651-296-8183 or 800-657-3769 or if T.T.Y. 651-297-2361)

Note 1 – Nature of Business and Fund Structure

The Minnesota Housing Finance Agency (the Agency or Minnesota Housing) was created in 1971 by the Minnesota legislature through the enactment of Minnesota Statutes, Chapter 462A, which has been amended from time to time. The Agency was established to facilitate the construction and rehabilitation of housing in Minnesota for families of low- and moderate-income by providing mortgage loans, development loans, and technical assistance to qualified housing sponsors. The Agency, as a special purpose agency engaged in business-type activities is reflected on the State's annual comprehensive financial report as a discrete component unit of the State of Minnesota. The Agency receives appropriations from the state legislature annually, substantially all of which are used to make loans or grants under specified programs. The Agency also receives funds from the federal government and other entities for similar program purposes.

A primary government that appoints a voting majority of the organization's governing Board, and either (1) is able to impose its will on the organization or (2) has the potential to receive specific financial benefits or burdens imposed on it by the organization, is financially accountable to that organization. Based on this criterion, the Agency is considered a discretely presented component unit of the State of Minnesota and is included in its basic financial statements. The Agency has no component units required to be included as part of the reporting entity.

The Agency is authorized to issue general obligation bonds and notes to fulfill its corporate purposes up to a total outstanding amount of $9.0 billion and to incur other indebtedness. None of the bonds, notes or other indebtedness is a debt of the State of Minnesota or any political subdivision thereof.

The following describes the funds maintained by the Agency. All Agency funds are presented as a major fund for public interest purposes, and are included in this report, all of which conform to the authorizing legislation and bond resolutions:

General Reserve

General Reserve was established in fulfillment of the pledge by the Agency of its full faith and credit to the payment of its general obligation bonds in its bond resolutions. Administrative costs of the Agency and multifamily development escrow receipts and related disbursements are recorded in this fund. The net position of General Reserve is available to support the following funds which are further described below: Rental Housing, Residential Housing Finance, Homeownership Finance and Multifamily Housing. Also described below is the Home Ownership Mortgage-backed Exempt Securities (HOMES[SM]) fund which carries limited obligations of the Agency and is therefore not supported by General Reserve.

Rental Housing

Activities relating to bond-financed multifamily housing programs are maintained under the Rental Housing bond resolution. Loans are generally secured by first mortgages on real property. The Rental Housing bond resolution prescribes the application of bond proceeds, debt service requirements of the bond indebtedness, permitted investments, and eligible loans to be financed from the bond proceeds.

Residential Housing Finance

Included within Residential Housing Finance are the bond funds, which include bonds issued and outstanding under the Residential Housing Finance bond resolution, the 2018 limited obligation and Index Bank Note and General Purpose Bonds trust indenture each issued under a separate trust indentures, and the Alternative Loan Fund which consists of the Housing Investment Fund (Pool 2) and the Housing Affordability Fund (Pool 3). All of these funds are restricted by a covenant with bondholders as to their use.

The bond resolution within Residential Housing Finance, along with the Homeownership Finance bond resolution, were the principal sources of financing for bond-financed homeownership programs (see Homeownership Finance below). Bonds were issued for the purpose of funding purchases of single family first mortgage loans, mortgage-backed securities backed by single family first mortgage loans, some related down payment and closing cost housing assistance loans, and subordinated home improvement loans. The majority of the single family first mortgage loans financed by these bond issues are insured by private mortgage insurers or the Federal Housing Administration (FHA) or guaranteed by the U.S.

Note 1 – Nature of Business and Fund Structure (continued)

Department of Veterans Affairs (VA) or the U.S. Department of Agriculture Rural Development (RD). Assets financed by the bonds issued and outstanding under the Residential Housing Finance bond resolution are pledged to the repayment of Residential Housing Finance bonds.

The Alternative Loan Fund has been established in Residential Housing Finance and residing therein are two sub funds: Pool 2 and Pool 3. Funds deposited therein would otherwise be available to be transferred to General Reserve. The Alternative Loan Fund is not pledged to the payment of the Residential Housing Finance bonds or any other debt obligation of the Agency but, to the extent that funds are available therein, is available to honor the general obligation pledge of the Agency.

Assets of the Pool 2 consist of investment quality housing loans, as defined by the Agency, and investment grade securities. During fiscal year 2024 this fund provided capital for several Agency programs including its home improvement loan program and its multifamily first-mortgage loan program. It also provided capital for warehousing purchases of mortgage-backed securities secured by single family first mortgage loans before these securities are permanently financed by issuing bonds or sold into the to be announced (TBA) market. In addition, it provided capital for amortizing second lien homeownership loans made in conjunction with the Agency's single family first mortgage loans. The fund may also provide interim financing for construction and rehabilitation of single-family housing and may be used to advance funds to retire Agency high interest-rate debt to provide tax credit bridge loans, for loans to partner organizations to acquire, rehabilitate and sell foreclosed homes, and to develop new affordable housing.

Assets of the Pool 3 consist of investment-grade securities when not utilized for program purposes. Program purposes include but are not limited to no-interest loans, loans at interest rates substantially below market, high risk loans, deferred loans, revolving funds, and grants. During fiscal year 2024 funds from Pool 3 were used for down payment and closing cost assistance for first-time homebuyers for capital costs and rental assistance for permanent supportive housing, for advances for certain multifamily housing developments in anticipation of permanent funding through state appropriation-backed housing bonds, and to provide deferred, subordinated multifamily loans.

The Residential Housing Finance bond resolution prescribes the application of bond proceeds, debt service requirements of the bond indebtedness, permitted investments, and eligible loans to be financed from the bond proceeds. The limited obligation index bank note trust indenture and the General Purpose Bonds trust indenture each prescribes the application of debt proceeds and permitted investments.

Homeownership Finance

This bond resolution was originally adopted for the purpose of issuing mortgage revenue bonds under the United States Treasury's Single Family New Issue Bond Program (NIBP). Non-NIBP mortgage revenue bonds, which also meet resolution requirements, have also been issued under this resolution. Bonds issued under this resolution fund mortgage-backed securities backed by single family first mortgage loans. These securities are guaranteed as to payment of principal and interest by either the GNMA or the FNMA or the Federal Home Loan Mortgage Corporation (FHLMC).

Multifamily Housing

This bond resolution was adopted for the purpose of issuing multifamily housing bonds under the United States Treasury's Multifamily New Issue Bond Program. Bonds were issued during a prior fiscal year for one rental housing project.

Home Ownership Mortgage-backed Exempt Securities (HOMES^{SM})

This bond indenture implements a program developed by the investment banking division of a major bank whereby the Agency issues and sells to the investment bank limited obligations of the Agency (HOMES^{SM} certificates), each secured by a mortgage-backed security guaranteed by FNMA or GNMA. The HOMES^{SM} Certificates are not secured by the general obligation pledge of the Agency and are not protected by the moral obligation backing from the State of Minnesota.

Note 1 – Nature of Business and Fund Structure (continued)

State Appropriated

The State Appropriated fund was established to account for funds received from the Minnesota legislature which are to be used for programs for low- and moderate-income persons and families in the form of low-interest loans, no-interest deferred loans, low-interest amortizing loans, down-payment assistance, debt service and other costs associated with appropriation-backed housing bonds, and other housing-related program costs. The net position of the State Appropriated fund is not pledged or available to secure bonds issued under any of the Agency's bond funds, nor available to creditors of the Agency. State appropriations received for debt service payments on State appropriation-backed bonds are restricted for that use only and are not pledged or available for any other purpose. The unrestricted – state appropriated-backed bonds will be retired through future appropriations from the State.

Federal Appropriated

The Federal Appropriated fund was established to account for funds received from the federal government which are to be used for programs for low- and moderate-income persons and families in the form of no-interest deferred loans and grants in support of foreclosure counseling and remediation efforts, assistance to tax credit developments and other housing-related program costs. Beginning in fiscal year 2021 the fund was also for funds received from the federal government for COVID emergency rental assistance and beginning in fiscal year 2022 funds received were also used for COVID emergency homeowners assistance. The net position of the Federal Appropriated fund is not pledged or available to secure bondholders or creditors of the Agency.

Note 2 – Summary of Significant Accounting and Reporting Policies

Basis of Accounting

The Agency's financial statements present both Agency-wide and Fund Financials and have been prepared on the accrual basis utilizing the proprietary fund concept which pertains to financial activities that operate in a manner similar to private business enterprises and are financed through fees and charges assessed primarily to the users of the services. Eliminations have been made to minimize the double-counting of internal activities in the Agency-wide financial statements.

Proprietary fund operating revenues result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Agency' enterprises are investment and loan related revenues, appropriations received, and administrative reimbursements. The principal operating expenses of the proprietary funds are administrative reimbursements, salaries and benefits, appropriations disbursed, and reduction in carrying value of certain low interest rate deferred loans. All revenue and expenses not meeting these definitions are reported as nonoperating revenues and expenses.

Accounting Principles Generally Accepted in the United States (GAAP)

The financial statements of the Agency have been prepared in conformity with GAAP as applied to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standards setting body for establishing governmental accounting and financial reporting principles.

The following are GASB statements adopted during fiscal 2024.

GASB Statement No. 100, Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability.

This Statement defines *accounting changes* as changes in accounting principles, changes in accounting estimates, and changes to or within the financial reporting entity and describes the transactions or other events that constitute those

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

changes. As part of those descriptions, for (1) certain changes in accounting principles and (2) certain changes in accounting estimates that result from a change in measurement methodology, a new principle or methodology should be justified on the basis that it is preferable to the principle or methodology used before the change. That preferability should be based on the qualitative characteristics of financial reporting—understandability, reliability, relevance, timeliness, consistency, and comparability. This Statement also addresses corrections of errors in previously issued financial statements.

This Statement prescribes the accounting and financial reporting for (1) each type of accounting change and (2) error corrections. This Statement requires that (a) changes in accounting principles and error corrections be reported retroactively by restating prior periods, (b) changes to or within the financial reporting entity be reported by adjusting beginning balances of the current period, and (c) changes in accounting estimates be reported prospectively by recognizing the change in the current period. The requirements of this Statement for changes in accounting principles apply to the implementation of a new pronouncement in absence of specific transition provisions in the new pronouncement. This Statement also requires that the aggregate amount of adjustments to and restatements of beginning net position, fund balance, or fund net position, as applicable, be displayed by reporting unit in the financial statements.

This Statement requires disclosure in notes to financial statements of descriptive information about accounting changes and error corrections, such as their nature. In addition, information about the quantitative effects on beginning balances of each accounting change and error correction should be disclosed by reporting unit in a tabular format to reconcile beginning balances as previously reported to beginning balances as restated.

Furthermore, this Statement addresses how information that is affected by a change in accounting principle or error correction should be presented in required supplementary information (RSI) and supplementary information (SI). For periods that are earlier than those included in the basic financial statements, information presented in RSI or SI should be restated for error corrections, if practicable, but not for changes in accounting principles.

This statement had no effect on the 2024 financial statements.

Future Accounting Pronouncements

GASB Statement 101 – Compensated Absences. The requirements of this Statement are effective as follows:

The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. This Statement requires that liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Leave is attributable to services already rendered when an employee has performed the services required to earn the leave. Leave that accumulates is carried forward from the reporting period in which it is earned to a future reporting period during which it may be used for time off or otherwise paid or settled. In estimating the leave that is more likely than not to be used or otherwise paid or settled, a government should consider relevant factors such as employment policies related to compensated absences and historical information about the use or payment of compensated absences. However, leave that is more likely than not to be settled through conversion to defined benefit postemployment benefits should not be included in a liability for compensated absences.

This Statement requires that a liability for certain types of compensated absences—including parental leave, military leave, and jury duty leave—not be recognized until the leave commences. This Statement also requires that a liability for specific types of compensated absences not be recognized until the leave is used.

This Statement also establishes guidance for measuring a liability for leave that has not been used, generally using an employee's pay rate as of the date of the financial statements. A liability for leave that has been used but not yet paid

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

or settled should be measured at the amount of the cash payment or noncash settlement to be made. Certain salary-related payments that are directly and incrementally associated with payments for leave also should be included in the measurement of the liabilities.

With respect to financial statements prepared using the current financial resources measurement focus, this Statement requires that expenditures be recognized for the amount that normally would be liquidated with expendable available financial resources.

This Statement amends the existing requirement to disclose the gross increases and decreases in a liability for compensated absences to allow governments to disclose only the net change in the liability (as long as they identify it as a net change). In addition, governments are no longer required to disclose which governmental funds typically have been used to liquidate the liability for compensated absences.

The requirements of this Statement are effective for fiscal years beginning after December 15, 2023, and all reporting periods thereafter. Earlier application is encouraged.

GASB Statement 102 – Certain Risk Disclosures. The requirements of this Statement are effective as follows:

The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints.

This Statement defines a *concentration* as a lack of diversity related to an aspect of a significant inflow of resources or outflow of resources. A *constraint* is a limitation imposed on a government by an external party or by formal action of the government's highest level of decision-making authority. Concentrations and constraints may limit a government's ability to acquire resources or control spending.

This Statement requires a government to assess whether a concentration or constraint makes the primary government reporting unit or other reporting units that report a liability for revenue debt vulnerable to the risk of a substantial impact. Additionally, this Statement requires a government to assess whether an event or events associated with a concentration or constraint that could cause the substantial impact to have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued.

If a government determines that those criteria for disclosure have been met for a concentration or constraint, it should disclose information in notes to financial statements in sufficient detail to enable users of financial statements to understand the nature of the circumstances disclosed and the government's vulnerability to the risk of a substantial impact. The disclosure should include descriptions of the following:

- The concentration or constraint
- Each event associated with the concentration or constraint that could cause a substantial impact if the event had occurred or had begun to occur prior to the issuance of the financial statements
- Actions taken by the government prior to the issuance of the financial statements to mitigate the risk.

The requirements of this Statement are effective for certain risk disclosures made in fiscal years beginning after June 15, 2024, and all reporting periods thereafter. Earlier application is encouraged.

GASB Statement 103 – Financial Reporting Model Improvement. The requirements of this Statement are effective as follows:

The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

This Statement continues the requirement that the basic financial statements be preceded by management's discussion and analysis (MD&A), which is presented as required supplementary information (RSI). MD&A provides an objective and easily readable analysis of the government's financial activities based on currently known facts, decisions, or conditions and presents comparisons between the current year and the prior year. This Statement requires that the information presented in MD&A be limited to the related topics discussed in five sections: (1) Overview of the Financial Statements, (2) Financial Summary, (3) Detailed Analyses, (4) Significant Capital Asset and Long-Term Financing Activity, and (5) Currently Known Facts, Decisions, or Conditions. Furthermore, this Statement stresses that the detailed analyses should explain why balances and results of operations changed rather than simply presenting the amounts or percentages by which they changed. This Statement emphasizes that the analysis provided in MD&A should avoid unnecessary duplication by not repeating explanations that may be relevant to multiple sections and that "boilerplate" discussions should be avoided by presenting only the most relevant information, focused on the primary government. In addition, this Statement continues the requirement that information included in MD&A distinguish between that of the primary government and its discretely presented component units.

This Statement describes unusual or infrequent items as transactions and other events that are either unusual in nature or infrequent in occurrence. Furthermore, governments are required to display the inflows and outflows related to each unusual or infrequent item separately as the last presented flow(s) of resources prior to the net change in resource flows in the government-wide, governmental fund, and proprietary fund statements of resource flows.

This Statement requires that the proprietary fund statement of revenues, expenses, and changes in fund net position continue to distinguish between operating and nonoperating revenues and expenses. Operating revenues and expenses are defined as revenues and expenses other than nonoperating revenues and expenses. Nonoperating revenues and expenses are defined as (1) subsidies received and provided, (2) contributions to permanent and term endowments, (3) revenues and expenses related to financing, (4) resources from the disposal of capital assets and inventory, and (5) investment income and expenses.

In addition to the subtotals currently required in a proprietary fund statement of revenues, expenses, and changes in fund net position, this Statement requires that a subtotal for *operating income (loss) and noncapital subsidies* be presented before reporting other nonoperating revenues and expenses. Subsidies are defined as (1) resources received from another party or fund (a) for which the proprietary fund does not provide goods and services to the other party or fund and (b) that directly or indirectly keep the proprietary fund's current or future fees and charges lower than they would be otherwise, (2) resources provided to another party or fund (a) for which the other party or fund does not provide goods and services to the proprietary fund and (b) that are recoverable through the proprietary fund's current or future pricing policies, and (3) all other transfers.

This Statement requires governments to present each major component unit separately in the reporting entity's statement of net position and statement of activities if it does not reduce the readability of the statements. If the readability of those statements would be reduced, combining statements of major component units should be presented after the fund financial statements.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged.

GASB Statement 104 – Disclosure of Certain Capital Assets. The requirements of this Statement are effective as follows:

This Statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. Lease assets recognized in accordance with Statement No. 87, *Leases*, and intangible right-to-use assets recognized in accordance with Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, should be disclosed separately by major class of underlying asset in the capital as-sets note disclosures. Subscription assets recognized in accordance with Statement No. 96, *Subscription-Based Information*

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Technology Arrangements, also should be separately disclosed. In addition, this Statement requires intangible assets other than those three types to be disclosed separately by major class.

This Statement also requires additional disclosures for capital assets held for sale. A capital asset is a capital asset held for sale if (a) the government has decided to pursue the sale of the capital asset and (b) it is probable that the sale will be finalized within one year of the financial statement date. Governments should consider relevant factors to evaluate the likelihood of the capital asset being sold within the established time frame. This Statement requires that capital assets held for sale be evaluated each reporting period. Governments should disclose (1) the ending balance of capital assets held for sale, with separate disclosure for historical cost and accumulated depreciation by major class of asset, and (2) the carrying amount of debt for which the capital assets held for sale are pledged as collateral for each major class of asset.

The requirements of this Statement are effective for fiscal years beginning after June 15, 2025, and all reporting periods thereafter. Earlier application is encouraged.

Cash and Cash Equivalents

Cash and Cash equivalents are short-term, highly liquid investments and are classified as current assets. Cash equivalents may include commercial paper, money market funds, repurchase agreements, State Investment Pool holdings and any other investments, primarily U.S. treasury and agency securities, that have 90 or less days remaining to maturity at the time of purchase. Investment agreements are also classified as cash and cash equivalents.

Investments- Program Mortgage-backed Securities (or MBS) and Investment Securities- Other

The Agency generally carries investment securities at fair market value. Unrealized gains and losses on investment securities resulting from changes in market valuation are generally recorded as revenue. However, unrealized gains and losses on investments of multifamily development escrow funds resulting from changes in market valuation, as well as unrealized gains and losses on MBS held in the HOMES^{SM} Fund, are recorded as adjustments to funds held for others. Investments- program mortgage-backed securities, as previously described, are shown separately on the Statement of Net Position, and based on maturity date are classified as current and noncurrent.

Permitted Agency investments include government obligations, commercial paper, repurchase agreements, money market funds, guaranteed investment contracts (i.e., investment agreements), the State investment pool, corporate obligations, municipal bonds, and other investments consistent with requirements of safety and liquidity that comply with applicable provisions of the bond resolutions, state law and Board policy.

Loans Receivable, Net

Loans receivables are carried at their unpaid principal balances, net of an allowance for loan losses. Loans scheduled to mature or paid off in the coming fiscal year are considered current, the remaining loans are noncurrent.

The allowances for loan losses are established based on management's evaluation of the loan portfolio.

Generally, the Agency provides an allowance for loan losses for multifamily loans after considering the specific known risks: adequacy of collateral and projected cash flows; past experience; amount of federal or state rent subsidies, if any; the status and amount of past due payments, if any; the amount of deferred maintenance, if any; and current economic conditions.

For homeownership, monthly payment seconds (MP2nds) and home improvement loans, the Agency establishes varying amounts of reserves depending upon the number of delinquent loans, the estimated amount of loss per delinquent loan, the number of days delinquent and the type of insurance coverage in force, if any: FHA insurance, RD guarantee, VA guarantee, or private mortgage insurance. Actual gains and losses are posted to allowance for loan losses. Management believes the allowances for loan losses adequately reserve for probable losses inherent in the loan portfolios as of June 30, 2024.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Interest Receivable on Loans and Program Mortgage-Backed Securities

The Agency accrues interest on its amortizing loans until they become 90 days or more delinquent in the case of multifamily loans, until they become "real estate owned" (described below) for homeownership loans, or until they are classified by the Agency as inactive for home improvement loans.

FHA/VA Insurance Claims, Net

Mortgages that are FHA insured or VA guaranteed, and for which insurance claims have been filed, are included in this category. FHA/VA insurance claims receivable, net is carried at its estimated realizable value.

Real Estate Owned, Net

Real estate acquired through foreclosure is recorded at the lower of the investment in the loan or estimated fair market value less estimated selling costs. These properties may be RD guaranteed, uninsured or have private mortgage insurance. Real estate owned; net is carried at its estimated realizable value. The intent for holding real estate owned is to convert them to cash within a year, therefore are classified as a current asset.

Interest Rate Swap Agreements

Agency interest rate swap agreements with a positive fair value as of the end of fiscal year 2024 are recorded here as a noncurrent asset.

Capital Assets

Capital assets are recorded at cost and estimated historical cost and depreciated over their estimated useful lives (excluding salvage value). The Agency defines capital assets as assets with an initial cost of more than $2,000. Donated capital assets are recorded at their acquisition value at the date of donation. Estimated useful life is management's estimate of how long the asset is expected to meet service demands. Straight-line depreciation is used based on the following estimated useful lives: furniture and equipment five years and software two to five years. Statement No. GASB 87, right to use lease asset for our long-term building lease with a term of 10 years is included as a capital asset. Statement No. GASB 96, subscription-based information technology (SBITA) assets for contracts that convey control of the right to use another party's information technology software are also included in capital assets and are amortized over life of contract.

Other Assets

Other Assets include prepaid fees and fees receivable expected to be transacted within one year and Federal Financing Board (FFB) Mortgage Reserve expected to be held more than one year.

Deferred Loss on Refunding

The deferred loss on refunding, if any, results from the difference in the carrying amount of the refunded debt and its reacquisition price. The deferred loss on refunding is recognized as a component of interest expense over the shorter of the remaining life of the old debt or the life of the new debt.

Deferred Gain on Interest Rate Swap Agreements

The Agency's interest rate swap agreements all have a positive fair value as of the end of fiscal year 2024. Because these agreements have been determined to be effective hedges under applicable accounting guidance, the positive fair value is recorded as a deferred gain.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Deferred Pension and OPEB Expense

The deferred inflows and outflows of pension resources are amounts used under applicable accounting guidance in developing the annual pension expense. They arise with differences between expected and actual experience, investment differences, changes of assumptions and changes in proportions. The portion of these amounts not included in pension expense should be included in the deferred inflows or outflows of resources.

Bonds Payable

Bonds payable are carried at their unpaid principal balances. Principal balances scheduled to be paid within one year subsequent to year-end, mandatory pass-through redemptions and optional redemptions of bonds exercised before June 30, 2024, are reported as current liabilities. Because the Agency is the issuer of the state appropriation-backed bonds they are included in this category, but amounts held in funds securing those bonds are not pledged or available to secure other bondholders or creditors of Minnesota Housing.

Interest Payable

The interest payable represents interest payable on bonds, notes, and swaps as of end of fiscal year 2024 and are recorded as a current liability.

Net Pension and Total OPEB Liability

The net pension and total OPEB liability is the Agency's proportionate share of the liability of all employers and non-employer contribution entities to plan members for benefits provided through a defined benefit pension plan.

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Minnesota State Retirement System (MSRS), a multi-employer defined benefit plan in which Agency employees participate, and additions to/deductions from MSRS's fiduciary net position have been determined on the same basis as they are reported by MSRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

The total OPEB liability, deferred outflows of resources and deferred inflows of resources, OPEB expense are based on actuarial valuations performed as of July 1, 2022. The total OPEB liability was rolled-forward from the valuation date to the measurement date of June 30, 2023, using generally accepted actuarial principles, and have been determined on the same basis as they are reported by MSRS. For this purpose, MSRS recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value, except for money market investments and participating interest-earning investment contracts that have a maturity at the time of purchase of one year or less, which are reported at cost.

Accounts Payable and Other Liabilities

Accounts payable is comprised of short-term debt owed to suppliers. Other liabilities include the current and noncurrent portion of compensated absences, payroll accrual, Federal Financing Bank (FFB) loan liability and outstanding bridge loan liability.

Interfund Payable (Receivable)

Interfund payable (receivable) primarily reflects current pending transfers of cash and assets between funds. The more significant activities that flow through this fund may include funds advanced for purposes of optionally redeeming bonds when economically advantageous; funds advanced for loan warehousing; administrative fees receivable and payable between funds; non-operating transfers among the Housing Endowment Fund (Pool 1), the Pool 2, and the Pool 3; and certain mortgage payments received but not yet transferred to their respective funds.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Funds Held for Others

Funds held for others are primarily escrow amounts held by the Agency on behalf of multifamily housing developments where the Agency holds the first mortgages. These amounts are held under the terms of the related loans and federal regulations regarding subsidized housing. Investment income relating to these funds is credited directly to the escrow funds and is not included in the investment income of General Reserve. Escrows are classified between current and noncurrent based on the scheduled pay out dates.

Also included in funds held for others are unrealized gains and losses on investments of the multifamily housing development escrow fund investments, unrealized gains and losses on the mortgage-backed securities supporting HOMES^{SM} certificates, and funds held for, and reimbursable to, HUD, such as Section 8 payments. In addition, investment income on unspent Section 8 funds is credited directly to funds held for others and not included in the investment income of the Federal Appropriated Fund.

Lease Liability

On September 1, 2017, the Agency entered in a lease for 61,000 square feet of office space. The term of the lease is September 1, 2017 – August 31, 2027, with total lease payments over the life of the lease of $15,432,390, payable monthly, with incremental increases on September 1st of each year during the term of the lease. The lease liability was initially recorded at the present value of the future lease payments using an incremental borrowing rate of 5.11 percent and is being amortized using the effective interest method over the life of the lease.

Subscription Liability

On July 1, 2022, the Agency implemented *GASB 96, Subscription-Based Information Technology Arrangement (SBITAs).* The Agency's SBITAs generally consist of vendor Information Technology (IT) software license fees, application and service transaction fees, technology-based subscriptions such as cloud services and other services based on the contracts. The Agency has acquired several SBITAs where the terms of the assets are valued at over one year. The Agency has implemented an internal process and procedure to examine whether a SBITA is subject to GASB 96 thoroughly and to ensure the classification of such SBITAs complies with GASB 96. The classification process factors in the three stages of a SBITA during the preliminary, implementation stage, (including all ancillary charges associated with putting the asset in place, which are included in the initial asset amount), and the operational and additional implementation stages, are factored into our considerations. SBITAs with variable costs driven by volume and usage are exempted from the statement and excluded.

On June 30, 2024, FY24, the assets have an ending balance of $4.0 million, accumulated amortization of $1.9 million, and an ending subscription liability balance of $1.9 million. The subscription liability was initially recorded at the present value of the future lease payments using an incremental borrowing rate determined by the Agency's advance rates and is being amortized using the effective interest method over the life of the subscription terms.

Deferred Service Release Fees

The Agency's master servicer pays the Agency a fee for the right to service the loans backing mortgage-backed securities that are purchased and retained by the Agency. These fees are initially recorded as deferred inflows of resources and then amortized to fees earned and other income using the effective interest method over the expected life of the loans. These fees are reported consistent with loan origination fees under GASB No. 65 which requires points received by a lender in relation to a loan origination should be reported as a deferred inflow of resources and recognized as revenue in a systematic and rational manner over the duration of the related loan.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Deferred Pension and OPEB

The deferred inflows and outflows of pension resources are amounts used under GASB Statement No. 68 in developing the annual pension expense. Deferred inflows and outflows arise with differences between expected and actual experiences, changes of assumptions. The portion of these amounts not included in pension expense should be included in the deferred inflows or outflows of resources.

Fair Value Reporting

Minnesota Housing's investments are generally recorded at fair value as of June 30, 2024. GASB No. 72 *Fair Value Measurement and Application*, defines fair value as the price that would be received to sell an asset between market participants at the measure date. This statement establishes a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace.

A financial instrument's level within the fair value hierarchy is based on the highest level of any input that is significant to the fair value measurement. The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used for financial instruments measured at fair value on a recurring basis:

Level 1: Investments whose values are based on quoted prices (unadjusted) for identical assets (liabilities) in active markets that a government can access at measurement date.

Level 2: Investments with inputs–other than quoted prices included within Level 1 that are observable for an asset (liabilities), either directly or indirectly.

Level 3: Investments classified as Level 3 have unobservable inputs for an asset (liabilities) and may require a degree of professional judgement.

Restricted by Bond Resolution

The Restricted by bond resolution portion of net position represents the amount restricted within the respective bond resolution due to the specific provisions of the bond resolutions.

Restricted by Covenant

The Restricted by covenant portion of net position represents those assets in General Reserve and those assets that would otherwise be available to be transferred to General Reserve under the applicable bond resolutions. Under the Agency's bond resolutions, the Agency covenants that it will use the assets in General Reserve only for the administration and financing of programs in accordance with the policy and purpose of Minnesota Housing's enabling legislation, including reserves for the payment of bonds and notes and of loans made from the proceeds thereof, and will accumulate and maintain therein such balance of funds and investments as will be sufficient for the purpose. The Agency's Board establishes investment guidelines for these funds.

Restricted by Law

Undisbursed, recognized federal and state appropriations are classified as restricted by law.

Unrestricted – State Appropriation-backed Bonds

The deficit position of unrestricted by state appropriation-backed bond net position represents outstanding non-profit housing and housing infrastructure bonds that are not a general obligation of the Agency. Amounts held in funds securing those bonds are not pledged or available to secure other bondholders or creditors of Minnesota Housing.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Unrestricted – Other

Negative amounts are not allowed in any category of restricted net position. If related liabilities and net inflows of resources exceed the assets on hand, the "shortfall" by default is covered by unrestricted assets. The Agency has moved the negative net restricted amounts to unrestricted.

Net Investment in Capital Assets

This represents the balance of capital assets, net of depreciation and the lease and subscription liability.

Order of Net Position Used

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first and then unrestricted resources as they are needed.

Agency-wide Total

The Agency-wide total columns reflect the totals of the similar accounts of the various funds. Since the assets of certain funds are restricted by either the related bond resolutions or legislation, the totaling of the accounts, including assets therein, does not indicate that the combined assets are available in any manner other than that provided for in either the bond resolutions, Board resolutions or the legislation for the separate funds or groups of funds.

The financial statements include summarized prior-year comparative information. Such information does not include all of the information required or sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Agency's financial statements for the year ended June 30, 2023, from which such summarized information was derived.

Appropriations Received and Disbursed

Appropriations received represents revenue from grants and housing infrastructure bonds is recognized as revenue in the fiscal year in which all eligibility requirements have been satisfied.

Appropriations disbursed represents disbursement of grant awards in accordance with program guidelines.

Administrative Reimbursement

The largest source of funding for the Agency's administrative operations is a monthly transfer from each of the bond funds to General Reserve based on adjusted assets. Adjusted assets are defined as total assets excluding the reserve for loan loss, proceeds of limited obligation debt and unrealized appreciation and depreciation on investments including all mortgage-backed securities. Additional funding for the Agency's administrative operations is provided by a monthly transfer from Pool 2 based on a portion of the net gain on the sale of mortgage-backed securities held for sale.

For programs funded by state appropriations, the Agency recovers the cost of administering the programs but only to the extent of interest earnings on unexpended state appropriations.

For programs funded by federal appropriations, the Agency recovers the cost of administering programs through an approved federal indirect cost recovery rate but only to the extent that funds are available.

Certain other direct costs are also recovered. Total direct and indirect costs recovered from the federal government in the amount of $5.5 million are reflected as administrative reimbursement revenues in the General Reserve. Administrative reimbursements in the amount of $47.8 million between the Agency's funds have been eliminated from the respective administrative reimbursement revenues and expenses line items for purposes of presentation in the Agency-wide statement of activities.

Note 2 – Summary of Significant Accounting and Reporting Policies (continued)

Fees Earned and Other Income

Fees earned and other income consists mainly of fees related to the financing and administration of Section 8 properties, including administration of a HUD-owned Section 8 portfolio, acquisition fees earned from the sale of mortgage servicing rights, fees in connection with operating the federal Low Income Housing Tax Credits program, annual fees related to certain multifamily housing development loans, fees from the Low Income Rental Classification program, private contributions restricted to use in the Agency's Homeownership Education Counseling and Training Program, housing development operating subsidies received from other state agencies, fees received for reimbursement for the cost of issuance for certain bonds, and fees for issuing and monitoring conduit bonds. Fees earned and other income is recorded as it is earned.

Reduction in Carrying Value of Certain Low-Interest Rate Deferred Loans

The carrying value of certain Pool 3 loans and State Appropriated loans which are originated at below market interest rates and for which repayment is deferred for up to 30 years, is written down to zero at the time of origination by providing for a reduction in carrying value of certain low interest rate deferred loans because of the nature of these loans and the risks associated with them. Certain of these loans may be forgiven at maturity.

Non-operating Transfer of Assets Between Funds

Non-operating transfers occur as a result of bond sale contributions related to new debt issues; transfers between the Pool 1, the Pool 2, and the Pool 3 to maintain the Pool 1 required balance, and periodic transfers from the bond funds of assets in excess of bond resolution requirements.

Non-Cash Activities

Transfers from loans receivable to FHA/VA insurance claims receivable and real estate owned for fiscal year 2024 were $1.5 million in Residential Housing Finance.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, deferred inflows and outflows, statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Agency, as a component unit of the State of Minnesota, is exempt from federal and state income taxes. Accordingly, no provision for income taxes is necessary.

Rebatable Arbitrage

Arbitrage earnings that are owed to the United States Treasury are recorded in accounts payable and based on estimated calculations performed by an independent calculation specialist on an ongoing basis. Also included in this category is yield compliance liability.

Reclassifications

Certain amounts in the statement of activities and statement of revenue, expenses and changes in net position for the year ended June 30, 2023, have been reclassified to be consistent with the classifications for the year ended June 30, 2024.

Note 3 – Cash, Cash Equivalents and Investment Securities

Cash and Cash Equivalents

Cash and cash equivalents are generally stated at cost, which approximates fair value. The balances were composed of the following at June 30, 2024 (in thousands):

Funds	Deposits[1]	Money Market Funds	State Investment Pool (ITC)	Investment Agreements	Combined Totals
General Reserve Account	$ -	$ -	$ 84,132	$ -	$ 84,132
Rental Housing	4,640	38,544	-	-	43,184
Residential Housing Finance	797	343,868	-	231	344,896
Homeownership Finance Bonds	-	38,931	-	-	38,931
Multifamily Housing Bonds	-	2,134	-	-	2,134
State Appropriated Accounts	68	32,216	123,915	-	156,199
Federal Appropriated Accounts	35,421	4,572	38,611	-	78,604
Combined Totals	$40,926	$460,265	$246,658	$231	$748,080

[1] Deposits may be in Cash or Cash Equivalents.

Included in deposits was cash awaiting investment, consisting of interest earned on investments accrued at year end and certain federal emergency funds.

The ITC is an internal investment pool managed by the Minnesota State Board of Investments (SBI). The SBI invests in debt securities, including U.S. treasury securities, U.S. agency securities, bankers' acceptances, high grade corporates, and commercial paper. The investment objectives for investing state cash accounts are to preserve capital and to provide a level of current income consistent with the goal of preserving capital. This investment pool is unrated.

Generally, investment agreements are uncollateralized, interest-bearing contracts with financial institutions or corporations with variable liquidity features, which require a one-day to two-week notice for deposits and/or withdrawals and are invested in accordance with the restrictions specified in the various bond resolutions.

Interest Rate Risk – Investments

Interest rate risk is the risk that changes in market interest rates of debt investments will adversely affect the fair value of an investment. The Agency's Board Policy – *Investments and Cash Management* requires interest rate risk of variable rate debt to be hedged with interest rate swaps. Interest rate risk information is presented using the weighted average maturity method, which expresses investment time horizons, the period when investments become due and payable in years or months, weighted to reflect the dollar size of individual investments within investment type.

Concentration of Credit Risk – Investments

Concentration of credit risk is the risk of loss attributed to the magnitude of investment in a single issuer's debt or otherwise lack of diversification. The Agency does not have a formal policy regarding concentration of credit risk for rated corporate debt securities that are among the top four quality categories. For other types of investments, Minnesota Statutes 11A.24 established investment parameters.

Note 3 – Cash, Cash Equivalents and Investment Securities (continued)

Investment Securities

Investment securities (comprising U.S. Treasury securities, U.S. Agency securities, mortgage-backed securities, and municipal bonds) are recorded at fair market value and were allocated to the following funds at June 30, 2024 (in thousands):

Funds	Investment Securities-Other at Amortized Cost	Program Mortgage-backed Securities	Unrealized Appreciation (Depreciation)	Estimated Market Value
General Reserve Account	$ 13,150	$ -	$ -	$ 13,150
Rental Housing	18,898	-	(955)	17,943
Residential Housing Finance	70,634	3,545,898	(254,656)	3,361,876
Homeownership Finance Bonds	3,556	964,792	(110,888)	857,460
HOMES[SM]	4,245	-	(505)	3,740
State Appropriated Accounts	899,698	-	(248)	899,450
Combined Totals	$1,010,181	$4,510,690	$(367,252)	$5,153,619

U.S. Treasury securities, U.S. Agency securities, and municipal bonds in General Reserve, State Appropriated and Federal Appropriated are held by the State of Minnesota on behalf of the Agency. U.S. Treasury and U.S. Agency securities in the remainder of the funds are held by the trustees under the Agency's bond resolutions and bond indentures in the Agency's name.

Investment securities are subject to credit risk. The following table classifies investment securities, except certain U.S. Treasuries, by their lowest Standard & Poor's/Moody's rating. Investment securities' credit rating categories (without qualifiers) at June 30, 2024, were (in thousands):

Credit Ratings of Investment Securities

Type	Fair Value	AA+/Aaa	AA/Aa2/Not rated
U.S. Agencies	$4,244,239	$4,244,239	$ -
Municipal Bonds	6,775	-	6,775
Agency-wide Totals	4,251,014	4,244,239	6,775
U.S. Treasuries	902,605	902,605	
Agency-wide Totals	$5,153,619	$5,146,844	

Note 3 – Cash, Cash Equivalents and Investment Securities (continued)

Examining the weighted average maturities of the Agency's investment securities can reveal information about interest rate risk. Cash, cash equivalents and investment securities (excluding unrealized depreciation) of $367.3 million and net discount of $13.6 million, along with the weighted average maturities (in years) as of June 30, 2024, consisted of the following (in thousands):

		Fair Value of Investment Maturities (in years)			
Type	Fair Value	Less than 1 year	1-5 years	5-10 years	Greater than 10 years
Money market fund	$ 460,265	$ 460,265	$ -	$ -	$ -
ITC	246,658	246,658	-	-	-
Investment	231	-	-	-	231
US Agencies	4,244,239	-	19,169	1,056	4,224,014
US Treasuries	902,605	757,691	144,914	-	-
Municipals	6,775	-	-	-	6,775
Agency-wide Totals	$5,860,773	$1,464,614	$164,083	$1,056	$4,231,020

Investments in any one issuer, excluding $3.093 million of investments issued or explicitly guaranteed by the U.S. Government, that represent five percent or more of the fair value of total investments, as defined by GASB Statement No. 40, *Deposit and Investment Risk Disclosures – an amendment of GASB Statement No. 3*, as of June 30, 2024, were as follows (in thousands):

Investment Issuer	Amount
Federal National Mortgage Association and Federal Home Loan Mortgage Corporation, U.S. Agencies	$2,369,264

The Agency maintained certain deposits and investments throughout fiscal year 2024 that were subject to custodial credit risk. As of June 30, 2024, the amounts subject to this risk consisted of the following (in thousands):

	Amount
Deposits not covered by depository insurance and uncollateralized (including $460,265 in a money market fund and $246,658 in the ITC)	$ 747,849
Investment securities uninsured, uncollateralized.	5,093,636
Agency-wide Total	$5,841,485

Certain balances are required to be maintained under the various bond resolutions. These balances represent debt service and insurance reserves. The required balances at June 30, 2024, were as follows (in thousands):

Program Funds	Amount
Multifamily Housing Bonds	$ 479
Rental Housing	728
Residential Housing Finance	5,578
Combined Totals	$6,785

Note 3 – Cash, Cash Equivalents and Investment Securities (continued)

The following table summarizes Minnesota Housing's investments within the fair value hierarchy at June 30, 2024 (in thousands):

Investments (at fair value)	Level 1	Level 2	Level 3	Total
U.S. Agencies	$ 11,984	$4,232,255	$ -	$4,244,239
U.S. Treasuries	804,571	98,034	-	902,605
Municipals	-	6,775	-	6,775
Fair market value	$816,555	$4,337,064	$ -	$5,153,619

Note 4 – Loans Receivable, Net

Loans receivable, net at June 30, 2024, consisted of (in thousands):

Funds	Outstanding Principal	Allowance for Loan Losses	Loans Receivable, Net
Rental Housing	$ 174,027	$ (2,429)	$ 171,598
Residential Housing Finance	862,975	(14,727)	848,248
Multifamily Housing	12,718	(64)	12,654
State Appropriated	101,757	(3,270)	98,487
Federal Appropriated	3,178	(16)	3,162
Agency-wide Totals	$1,154,655	$(20,506)	$1,134,149

Substantially all loans in the table above are secured by first or second mortgages on the real property financed. A significant portion of the homeownership first mortgage loans in the Residential Housing Finance fund have either FHA insurance or a VA or RD guarantee. Insurance reduces, but does not eliminate, loan losses.

In addition to the loans in the table above, certain loans are carried at below-market interest rates and repayment is deferred for up to 30 years. These loans are generally in either a second or more subordinate mortgage position or may be unsecured. Given the nature of these loans and the risk associated with them, at the time of origination they are fully reserved resulting in a net carrying value of zero. The principal amount of loans with such characteristics originated during fiscal year 2024 aggregated $12.033 million in Pool 3, $0 in Rental Housing and $125.310 million in State Appropriated. Loans with net carrying values of $0 are excluded from the tables above and below. The Agency also has deferred and/or forgivable loans with net carrying values of $0 in the Federal Appropriated, HOMES[SM], National Housing Trust Fund (NHTF) and Housing Opportunities for Persons with Aids (HOPWA) programs. These loans are tracked for affordability by staff. The balance of these loans at June 30, 2024, was $70.6 million compared to $67.7 million on June 30, 2023.

Note 4 – Loans Receivable, Net (continued)

Loans receivable, net and gross in Residential Housing Finance at June 30, 2024, consist of a variety of loans as follows (in thousands):

Description	Net Outstanding Amount	Gross Outstanding Amount
Residential Housing Finance Bonds:		
Homeownership, first mortgage loans	$164,154	$164,625
Other homeownership loans, generally secured by a second mortgage	26,994	27,928
Alternative Loan Fund, Housing Investment Fund (Pool 2):		
Home Improvement loans, generally secured by a second mortgage	122,562	124,443
Homeownership, first mortgage loans	50,536	51,267
Other homeownership loans, generally secured by a second mortgage	73,342	75,611
Multifamily, first mortgage loans	278,591	281,947
Alternative Loan Fund, Housing Affordability Fund (Pool 3):		
Other homeownership loans, generally secured by a second mortgage	130,084	134,921
Multifamily, first mortgage loans	1,985	2,233
Residential Housing Finance Totals	$848,248	$862,975

The Agency is limited by statute to financing real estate located within the State of Minnesota. Collectability depends on, among other things, local economic conditions.

Note 5 – Capital Asset Rollforward, Right to Use – Lease, Subscription and Other Assets

Capital Assets Rollforward

A summary of capital asset activity for the year ended June 30, 2024, is as follows:

	Beginning Balance (as restated)	Increases	Decreases	Adjustments	Ending Balance
Capital assets, being depreciated:					
Furniture and equipment	$ 3,749	$ 92	$ (299)	$ -	$ 3,542
Software	7,640	1,692	(1,435)	(131)	7,766
Right to use - lease	9,739	-	-	-	9,739
Right to use - Subscription	3,872	-	-	177	4,049
Total capital assets, being depreciated	25,000	1,784	(1,734)	46	25,096
Less accumulated depreciation for:					
Furniture and equipment	(3,696)	-	441	-	(3,255)
Software	(6,305)	(1,439)	1,435	-	(6,309)
Right to use - lease	(4,077)	(1,359)	-	-	(5,436)
Right to use - Subscription	(1,373)	(543)	-	-	(1,916)
Total accumulated depreciation	(15,451)	(3,341)	1,876	-	(16,916)
Capital assets, net	$ 9,549	$(1,557)	$ 142	$ 46	$ 8,180

All depreciation expenses are reported under the *other general operating* expenses section of the financial statements.

Note 5 – Capital Asset Rollforward, Right to Use – Lease, Subscription and Other Assets (continued)

Other Assets

Other assets, including receivables, at June 30, 2024, consisted of the following (in thousands):

Funds	Receivables Due from the Federal Government	Other Assets and Receivables	Total
General Reserve Account	$2,736	$ 5	$ 2,741
Rental Housing	-	60	60
Residential Housing Finance	-	1,222	1,222
Homeownership Finance	-	19	19
State Appropriated	-	7,132	7,132
Federal Appropriated	866	-	866
Combined Totals	$3,602	$8,438	$12,040

Note 6 – Bonds, Notes and Line of Credit Payable

Summary of bonds, note and line of credit payable activity, at June 30, 2024, is as follows (in thousands):

Funds	June 30, 2023 Balance Outstanding	Issued	Repaid	Premium/ Discount/ VRD Fees Amortization	June 30, 2024 Balance Outstanding	Balance Due Within One Year
Rental Housing	$ 69,725	$ 23,250	$ 13,430	$ -	$ 79,545	$ 59,390
Residential Housing Finance	2,573,055	1,353,445	198,205	-	3,728,295	105,445
Homeownership Finance Bonds	1,028,934	-	81,133	-	947,801	6,357
Multifamily Housing Bonds	12,520	-	240	-	12,280	240
HOMES[SM]	4,760	-	515	-	4,245	-
2018 Index Bank Note	12,209	74,141	69,002	-	17,348	17,348
General Purpose Bonds	-	60,000	-	-	60,000	1,395
Total	$3,701,203	$1,510,836	$362,525	$ -	$4,849,514	$190,175
Bond premium/discount-Residential Housing Finance	35,673	18,170	-	12,146	41,697	17,507
State Appropriation-Backed Bonds	438,810	26,635	16,665	-	448,780	18,055
State Appropriated Premium	47,092	1,994	-	4,589	44,497	4,341
Revolving Line of Credit	45,000	1,582,500	1,599,300	-	28,200	28,200
Total Net	$4,267,778	$3,140,135	$1,978,490	$16,735	$5,412,688	$258,278

The drawdown Index Bank Note and the General Purpose Bonds are part of the Residential Housing Finance Fund. State appropriation-backed bonds are included in the State Appropriated fund.

Note 6 – Bonds, Notes and Line of Credit Payable (continued)

Bonds payable at June 30, 2024, were as follows (in thousands):

Series	Interest Rate	Final Maturity	Original Amount	Outstanding Amount
Rental Housing Bonds				
2013 Series A-1	4.875% to 5.30%	2049	$ 3,710	$ 3,260

The Agency uses special redemption provisions to retire certain bonds prior to their stated maturity from unexpended bond proceeds, if any, and revenues in excess of scheduled debt service resulting primarily from loan prepayments. Substantially all bonds are subject to optional redemption after various dates at an amount equal to 100% of the unpaid principal and accrued interest as set forth in the applicable series resolution.

Note 6 – Bonds, Notes and Line of Credit Payable (continued)

The following table summarizes the annual debt service requirements to maturity for bonds outstanding as of June 30, 2024, excluding optional calls known at June 30, 2024 (in thousands). The current portion of bonds payable reported in the statement of net position includes known optional calls as of June 30, 2024.

Residential Housing Finance Bonds Series 2015 Series D and 2015 Series G; 2016 Series F; 2017 Series C and 2017 Series F; 2018 Series D and 2018H; 2019 Series D and 2019 Series H; 2022 Series D, 2022 Series F, 2022 Series H, 2022 Series K; 2023 Series I, 2023 Series K, 2023 Series M, 2023 Series Q, 2023 Series T and 2023 Series V; 2024 Series C, 2024 Series E, 2024 Series I and 2024 Series K; (collectively, the Demand bonds) accrue interest at rates that change weekly as determined by a remarketing agent for such series based on market conditions. Effective December 29, 2023, the 2018 Index Bank Note accrues interest at a rate equal to SOFR (Secured Overnight Financing Rate) Index plus 0.65%. Future interest due for these bonds, as displayed above in the annual debt service requirements table, assumes that the respective rates in effect on June 30, 2024, continue for the term of the bonds. Variable rate bond interest payments will vary as general short-term interest rates vary. Associated interest rate swaps are not included in the annual debt service requirements table. See the Swap Payments and Associated Debt table below to view those amounts.

The income and assets of each of the bond funds, except for the HOMES[SM] fund, are pledged on a parity basis for the payment of principal and interest on the bonds issued, and to be issued, under the respective resolutions. All but one

Note 6 – Bonds, Notes and Line of Credit Payable (continued)

of the bond resolutions contains covenants that require the Agency to maintain certain reserves. The Agency believes that as of June 30, 2024, it is in compliance with those covenants in all material respects and the assets of all funds and accounts in the bond funds equaled or exceeded the requirements as established by the respective bond resolutions.

Call notices were issued on or before June 30, 2024, for the redemption of certain bonds thereafter. See Subsequent Events.

On June 30, 2024, the Agency had in place a revolving line of credit with the Federal Home Loan Bank of Des Moines with an outstanding balance of $25.0 million. Draws against the line of credit are required to be collateralized with mortgage-backed securities which reside in Pool 2.

On June 30, 2024, the Agency had in place a revolving line of credit with the Royal Bank of Canada (RBC) of $40.0 million with an outstanding balance of $3.2 million. The line of credit is secured by a general obligation pledge and can be used (1) to finance the purchase of mortgage-backed securities prior to the issuance of bonds under the Residential Housing Finance Bond Resolutions and/or the Homeownership Finance Bond Resolution and (2) to finance certain multifamily mortgage loans during the period between loan closing and purchase by the US Treasury's Federal Financing Bank

Note 7 – Demand Bonds

The Demand bonds are subject to purchase on the demand of the holder at a price equal to principal plus accrued interest with seven days' notice and delivery to the Agency's remarketing agent. The remarketing agent is authorized to use its best efforts to sell the bonds at a price equal to 100 percent of the principal amount. In the event the remarketing agent does not sell the bonds, the liquidity provider has agreed to purchase the bonds at a price equal to principal plus accrued interest. While held by the liquidity provider the bonds bear interest at a bank rate.

If the remarketing agent is unable to resell bonds purchased by the liquidity provider within one year of the purchase date the principal amount of these bonds together with interest at a bank rate will be payable to the liquidity provider in quarterly or semiannual installments payable over a five-year period that begins on the purchase date.

If the conditions of the preceding sentence are satisfied on such Term-Out Commencement Date, such Bank Bonds shall be subject to mandatory redemption in equal semiannual principal installments, the first such installment being payable on the first Business Day of the calendar month occurring at least 366 days after the Purchase Date (the "Term Out Commencement Date"), and on each six month anniversary thereafter so that such Bank Bonds are paid in full no later than the day that is the fifth anniversary of such Purchase Date (the date of each such redemption being a "Bank Bond Redemption Date").

FHLB payments are to be quarterly instead of semiannual.

Each Bank Bond subject to a Term Out Period, and the accrued interest thereon, shall be paid by or on behalf of the Issuer upon the occurrence of any of the events set forth in Section 3.1(a)(i) through and including Section 3.1(a)(v) above and shall, in addition thereto but subject to the sources described in Section 2.12 hereof, be repaid by or on behalf of the Issuer in equal quarterly payments of principal, the first of which will occur on the first Business Day on or following the 366th day after the Purchase Date and on the first Business Day of each third month thereafter so that such Bank Bonds are paid in full no later than the fifth (5th) anniversary of the Purchase Date.

The Agency is required to pay each liquidity provider a fee ranging from 0.20 to 0.29 percent per annum of the liquidity provider's available commitment (the outstanding principal amount of the bonds and approximately six months interest on the bonds at the rate of 12% per annum).

The Agency has paid $1.565 million to the liquidity providers for fiscal year 2024.

In addition, each remarketing agent receives a fee ranging from 0.060 to 0.1 percent of the outstanding principal amount of the bonds. The Agency has paid a fee of $0.460 million to the remarketing agents for fiscal year 2024.

Note 7 – Demand Bonds (continued)

[1] SBPA-Standby Purchase Agreement

Note 8 – Floating Rate Term Bonds and Derivative Instruments – Interest Rate Swaps

Floating Rate Term Bonds

On July 3, 2023, the Agency remarketed 2018 Series D and 2018 Series H bonds as Demand bonds and entered into a liquidity facility, expiring June 30, 2028, and a remarketing agreement with respect to each series of the bonds.

Derivative Instruments – Interest Rate Swaps

The Agency has entered into certain interest rate swap agreements that are considered to be fair value derivative instruments under GASB Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*, GASB 53. A consultant was engaged by the Agency to determine the fair value of these agreements and to evaluate their effectiveness as hedges as of June 30, 2024. The fair values approximate the termination payments that would have been due from the Agency, or payable to the Agency, had the swaps been terminated as of June 30, 2024. Under GASB 53, instruments, in whole or in part, such as interest rate swaps and similar transactions that fall under the definition

Note 8 – Floating Rate Term Bonds and Derivative Instruments – Interest Rate Swaps (continued)

of derivative instruments must be reported on the statement of net position, the classification of which depends on whether they represent assets or liabilities, and derivative instruments generally should be measured at "fair value". Fair values were determined pursuant to GASB 72. The fair value hierarchy of interest rate swap agreements is determined to be level 2. The fair values exclude accrued interest. As of June 30, 2024, all of the Agency's interest rate swap agreements have been determined to be effective hedges, as defined by GASB 53. The fair value is displayed on the statement of net position as asset named "interest rate swap agreements." The inception-to-date change in fair value as of June 30, 2024, is included under deferred outflows of resources as "deferred loss on interest rate swap agreements," or under deferred inflows of resources as "deferred gain on interest rate swap agreements."

Objective of Swaps

The Agency entered into interest rate swap agreements in connection with its issuance of variable rate mortgage revenue bonds under the Residential Housing Finance Bond Resolution from 2003 through 2009, 2015 through 2019, and 2022 through 2024. Using variable-rate debt hedged with interest-rate swaps reduced the Agency's cost of capital at the time of issuance compared to using long-term fixed rate bonds and, in turn, enabled the Agency to reduce mortgage rates offered to the Agency's low- and moderate-income, first-time home buyers.

Swap Payments and Associated Debt

Using rates as of June 30, 2024, debt service requirements of the Residential Housing Finance outstanding variable rate debt and net swap payments, assuming current interest rates remain the same for their term, are as follows (in thousands). As rates vary, variable rate bond interest payments and net swap payments will vary.

Fiscal Year	Principal	Interest	Interest Rate Swaps, Net	Total

Terms of Swaps

Terms of the swaps, the fair values, changes in fair values, and the credit ratings of the four counterparties thereto as of June 30, 2024, are contained in the four tables below (in thousands). All swaps are pay-fixed, receive-variable. Initial swap notional amounts matched original principal amounts of the associated debt except for 2022D and 2022F. The Agency's swap agreements contain scheduled reductions to outstanding notional amounts that are expected to approximate scheduled or anticipated reductions in outstanding principal amounts of the associated bond series. With respect to the outstanding swaps the Agency has also purchased the right, generally based upon a 300% PSA prepayment rate (The Standard Prepayment Model of The Securities Industry and Financial Markets Association and formerly the Public Securities Association) on the underlying mortgage loans, to further reduce the notional balances of the swaps as necessary to match the outstanding principal amount of the associated bond series and the right to terminate the swaps

Note 8 – Floating Rate Term Bonds and Derivative Instruments – Interest Rate Swaps (continued)

at par at approximately the 7-year anniversary date for the 2015D, 2015G, 2016F, 2017C, 2023M, 2023Q, 2023T, 2023V, 2024C, 2024E, 2024I and 2024K swaps, the 5-year anniversary date for the 2017F, 2018D , 2018H, 2019D, 2019H and 2023K swaps and the 9-year anniversary date for the 2022D, 2022F, 2022H and 2022K swaps. The Agency also has the right to terminate outstanding swaps in whole or in part at fair value at any time if it is not in default thereunder:

Note 8 – Floating Rate Term Bonds and Derivative Instruments – Interest Rate Swaps (continued)

Termination Risk

The swap contracts may be terminated by either party if the other party fails to perform under the terms of the contract or upon certain termination events. Upon termination at market, a payment is due by one party based upon the fair value of the swap even if the payment is owed to a defaulting party. The potential termination risks to the Agency are the liability for a termination payment to the counterparty or the inability to replace the swap upon favorable financial terms, in which event the variable rate bonds would no longer be hedged. To reduce the risk of termination, swap contracts generally limit counterparty terminations to the following Agency actions or events: payment default, other defaults that remain uncured for 30 days after notice, substantial impairment of credit ratings, bankruptcy, and insolvency.

Credit Risk

A swap potentially exposes the Agency to credit risk with the counterparty. The fair value of a swap represents the Agency's current potential credit exposure to the swap counterparty assuming the occurrence of a termination event. As of June 30, 2024, the Agency did not have a net credit risk exposure to any of its four counterparties because the Agency's respective combined swap positions to each counterparty had a positive net fair value, as set forth in the foregoing tables. Each of the swap agreements requires that, upon demand, a party post collateral to secure its obligation to make a termination payment to the extent the fair value exceeds a collateral threshold specified in the agreement. The collateral threshold for each counterparty and the Agency is $50 million if the ratings on the unsubordinated, unsecured long-term indebtedness of the counterparty, in the case of the counterparty, or the hedged bonds, in the case of the Agency, are not less than "AA-" and "Aa3" from Standard & Poor's and Moody's, respectively, $5 million if the ratings are not less than "A+" and "A1", $5 million if the ratings are not less than "A" and "A2", and $0, if either rating is lower. These bilateral requirements are established to mitigate potential credit risk exposure. As of June 30, 2024, neither the Agency nor any counterparty had been required to post collateral.

Amortization Risk

The Agency is subject to amortization risk because prepayments from the mortgage loan portfolio may cause the outstanding principal amount of variable rate bonds to decline faster than the amortization of the notional amount of the swap. To ameliorate amortization risk, termination options were structured within most of the outstanding swaps to enable the Agency to manage the outstanding balances of variable rate bonds and notional swap amounts. (See *Terms of Swaps*.) Additionally, the Agency may terminate outstanding swaps in whole or in part at fair value at any time if it is not in default thereunder.

Basis Risk

The potential for basis risk exists when variable interest payments on the Agency's bonds do not equal variable interest receipts payable by the counterparty under the associated swap. The variable rate the Agency pays on its bonds resets weekly, but the variable rate received on its swaps was based upon a specified percentage of the one-month taxable LIBOR, or the Secured Overnight Financing Rate (SOFR), plus, in some cases, a specified spread. Upon the cessation of LIBOR on June 30, 2023, the variable rate received by the Agency on all of its swaps with a LIBOR-based rate was converted to a rate based on a percentage of SOFR plus, in some cases, a specified spread. Basis risk will vary over time due to inter-market conditions. As of June 30, 2024, the interest rate on the Agency's variable rate tax-exempt debt ranged from 3.85% to 3.90% per annum while the variable interest rate on the associated swaps ranged from 3.65% to 3.74% per annum, and the interest rate on the Agency's variable rate taxable debt ranged from 5.35% to 5.40% while the variable interest rate on the associated swaps ranged from 5.34% to 5.45%.

In order to reduce the cumulative effects of basis risk on the swaps relating to tax-exempt variable rate debt, each of which were entered into prior to the cessation of LIBOR, the determination of the spread from one-month LIBOR payable by the counterparty under the swap was based upon a regression analysis of the long-term relationship between one-month LIBOR and the tax-exempt variable rate SIFMA index (which ordinarily would approximate the weekly variable rate

Note 8 – Floating Rate Term Bonds and Derivative Instruments – Interest Rate Swaps (continued)

on the Agency's tax-exempt variable rate bonds. The structure of the variable interest rate payments the Agency receives from its LIBOR based swap contracts, converted to SOFR based swap contracts, relating to tax-exempt variable rate bonds was based upon the historical long-term relationship between taxable and tax-exempt short-term interest rates. The Agency is exposed to interest rate risk on its interest rate swaps. If SOFR increases, the Agency's net payment on the swap increases. Alternatively, as SOFR or the SIFMA swap index decreases, the Agency's net payment on the swap increases.

Tax Risk

The structure of the variable interest rate payments the Agency receives from its SOFR-based swap contracts relating to tax-exempt variable rate bonds was based upon the historical long-term relationship between taxable and tax-exempt short-term interest rates. Tax risk represents the risk that may arise due to a change in the tax code that may fundamentally alter this relationship. The Agency chose to assume this risk at the time the swaps were entered into because it was not economically favorable to transfer that risk to the swap counterparties.

The Agency has entered into forward sales contracts for the future delivery of GNMA, FNMA and FHLMC securities. The contracts offset the financial impact to the Agency of changes in interest rates between the time of loan reservations and the securitization and sale of such loans as GNMA, FNMA and FHLMC securities. These contracts are considered investment derivative instruments and, accordingly, are recorded as a component of investments in the Statement of Net Position. Therefore, the change in value is reported as net appreciation (depreciation) in fair value on investments. Outstanding forward sales contracts, summarized by counterparty as of June 30, 2024, are as follows: (in thousands):

The To Be Announced (TBA) trades mitigate the interest-rate risk exposure of the mortgage loan pipeline.

Note 10 – State Appropriation-Backed Debt Obligation

The Agency has outstanding bonds under two indentures of trust that permit capital funding for loans for permanent supportive housing for long-term homeless households, preservation of federally assisted housing and other purposes. As of June 30, 2024, $448.8 million of bonds were outstanding. This debt is not a general obligation of the Agency and is not payable from any funds or assets of the Agency including any loan repayments. These bonds are payable solely from the appropriations the Agency receives from the State of Minnesota General Fund pursuant to standing appropriations made by the Legislature as authorized by state laws adopted in 2008, 2012, 2014, 2015, 2017, 2018, 2019, 2020, 2021, 2022, 2023 and 2024.

Note 10 – State Appropriation-Backed Debt Obligation (continued)

State Appropriation-backed Bonds at June 30, 2024, consisted of the following (in thousands):

Series	Interest Rate	Final Maturity	Original Amount	Outstanding Amount
State Appropriated				
2009 Series	3.50% to 4.00%	2029	$ 13,270	$ 4,385
2011 Series	5.00% to 5.25%	2031	21,750	11,525
2013 Series AB	3.50% to 5.00%	2033	15,460	8,480

2022 Series ABC	4.00% to 5.00%	2044	104,195	101,440
2023 Series AB	4.00% to 5.00%	2044	26,635	26,635
Bonds payable			$533,150	$448,780
Premium on Bonds Payable				44,497
Bonds Payable, Net				$493,277

State appropriation-backed bond debt service requirements at June 30, 2024, consisted of the following (in thousands):

	State Appropriated	
Fiscal Year	Principal	Interest
2025	$ 18,055	$ 19,247
2026	18,830	18,464
2027	19,710	17,605
2028	20,595	16,707
2029	21,510	15,800
2030-2034	118,165	63,590
2035-2039	126,440	35,666
2040-2044	99,150	11,154
2045-2049	6,325	136
Total	$448,780	$198,369

As the issuer of the state appropriation-backed debt, the Agency is required to record these bonds as bonds payable with the correlating reduction in net position.

As of fiscal 2024, the Agency recorded the Nonprofit Housing Bonds and Housing Infrastructure Bonds as bonds payable in State Appropriated. These are bonds backed solely by appropriations from the State of Minnesota. The premium income and finance costs associated with the HIB bonds are now recorded when incurred and amortized. The proceeds that have

Note 10 – State Appropriation-Backed Debt Obligation (continued)

not yet been disbursed and investment income on the proceeds are recorded in cash equivalents and will be reported as other program expense when disbursed. Debt service appropriated by the state is recorded in the appropriations received account.

Note 11 – Conduit Debt Obligation

On December 21, 2005, the Agency issued tax-exempt bonds on a conduit basis to assist a Minnesota nonprofit organization in preserving assisted elderly rental housing. The proceeds of the bonds were used by the organization to refinance certain HUD Section 202 elderly housing projects. The bonds were sold on a private placement basis. As of June 30, 2024, $19.435 million of the bonds were outstanding.

On March 1, 2016, the Agency issued a long-term tax-exempt multifamily revenue note on a conduit basis that was purchased by Freddie Mac under their Tax-Exempt Loan Program. The proceeds of the sale were lent to the owner to pay for a portion of the costs of the acquisition, construction, and equipping of a multifamily senior rental housing development. As of June 30, 2024, $19.538 million of the bonds were outstanding.

On April 20, 2016, and May 11, 2016, the Agency issued long-term tax-exempt multifamily revenue notes on a conduit basis that was purchased by Freddie Mac under their Tax Exempt Loan Program. The proceeds of the sales were lent to the owner to pay for a portion of the costs of the acquisition and rehabilitation of three HUD Section 8 multifamily housing developments. As of June 30, 2024, $29.082 million of the bonds were outstanding.

On December 28, 2017, the Agency issued long-term conduit tax-exempt revenue bonds and a short-term conduit tax exempt revenue note. The proceeds of the sales were used to finance the acquisition, rehabilitation and equipping of two multi-family rental housing development projects that will preserve units with federal rental assistance. As of June 30, 2024, $4.885 million of bonds were outstanding.

The total outstanding conduit debt as of June 30, 2024, was $72.940 million.

Neither the Agency, the State of Minnesota, nor any political subdivision thereof is obligated in any manner for repayment of these conduit bonds. The obligation of the Agency to pay principal of, prepayment premium, if any, and interest on the conduit bonds are not and never will become general obligations of the Agency but are special limited obligations of the Agency payable solely from payments required to be made by the private entity owners of the housing developments and secured solely by a pledge of the revenues of, and a security interest in, the housing developments financed by the conduit bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements.

Note 12 – Accounts Payable and Other Liabilities

Accounts payable and other liabilities at June 30, 2024, consisted of the following (in thousands):

Funds	Salaries, Compensated Absences and Employee Benefits	Arbitrage Payable	FFB Loans Liability	Other Liabilities and Accounts Payable	Total
General Reserve Account	$5,569	$ -	$ -	$ 1,066	$ 6,635
Rental Housing	-	-	-	1,739	1,739
Residential Housing Finance	-	202	64,326	1,617	66,145
Homeownership Finance	-	-	-	51	51
State Appropriated	-	3,893	-	2,850	6,743
Federal Appropriated	-	-	-	4,162	4,162
Combined Totals	$5,569	$4,095	$64,326	$11,485	$85,475

Note 12 – Accounts Payable and Other Liabilities (continued)

FFB loans have interest rates that fluctuate based on the daily Treasury rate. The Agency settles with FFB one month after closing the loan with the borrower, and the term will match the maturity date of the note. The FFB notes are secured by a first mortgage and HUD Risk Share insurance. FFB receives a passthrough monthly principal and interest payments.

FFB purchases 100% undivided participation interests in payments of principal and a portion of the interest on certain mortgage loans made by Minnesota Housing. All underlying loans are secured by a mortgage and insured by FHA Risk Share mortgage insurance. FFB sets the pass through interest rate offered to Minnesota Housing based on the amortization schedule, first payment date, and maturity date of the underlying loan.

The balance and changes in FFB other liabilities for the years ended June 30, 2024, and 2023 (dollars in thousands):

	2024	2023
Beginning of year balance	$59,158	$60,211
FFB Notes Issued	6,281	-
Principal Payments	(1,113)	(1,053)
End of year Balance	$64,326	$59,158
Current Portion	$ 1,226	$ 1,101
Noncurrent portion	63,100	58,057
Total	$64,326	$59,158

The table below provides a summary of FFB payment requirements for the next five years and in five year increments thereafter (dollars in thousands):

Fiscal Year Ending June 30	Principal	Interest	Total
2025	$ 1,226	$ 2,914	$ 4,140
2026	1,282	2,858	4,140
2027	1,341	2,799	4,140
2028	1,403	2,737	4,140
2029	1,467	2,673	4,140
2030-2034	8,411	12,288	20,699
2035-2039	10,404	10,175	20,579
2040-2044	12,650	7,578	20,228
2045-2049	12,594	4,605	17,199
2050-2054	9,016	2,001	11,017
2055-2059	4,119	506	4,625
2060-2064	413	11	424
Total	$64,326	$51,145	$115,471

Note 13 – Lease and Subscription Liability and Rollforward

Principal and interest payments due for the remaining lease arrangement as of June 30, 2024, consisted of the following:

Year Ending June 30	Principal Payments	Interest Payments	Total
2025	$1,437	$222	$1,659
2026	1,550	144	1,694
2027	1,656	62	1,718
2028	284	2	286
	$4,927	$430	$5,357

Principal and interest payments due for the remaining subscription arrangement as of June 30, 2024, consisted of the following:

Year Ending June 30	Principal Payments	Interest Payments	Total
2025	$ 424	$ 8	$ 432
2026	414	6	420
2027	405	3	408
2028	370	2	372
2029	310	1	311
	$1,923	$20	$1,943

Summary of Long-Term Liability Rollforward Schedule for the year ended June 30, 2024, is as follows:

	Beginning Balance (as restated)	Increases	Decreases	Ending Balance	Due in FY25 Balance
Governmental activities:					
Lease Liability	$6,260	$ -	$1,333	$4,927	$1,437
Subscription Liability	2,668	177	922	1,923	424
Total liabilities	$8,928	$177	$2,255	$6,850	$1,861

Note 14 – Interfund Balances and Transfers

Interfund balances displayed as Interfund Payable (Receivable) at June 30, 2024, consisted of the following (in thousands):

		Due from								
	Funds	General Reserve	Rental Housing	Residential Housing Finance	Homeownership Finance	Multifamily Housing	HOMES[SM]	State Appropriated	Federal Appropriated	Total
Due to	General Reserve	$ -	$ -	$ -	$ -	$ -	$ -	$5,216	$1,777	$ 6,993
	Rental Housing	-	-	17,301	-	-	-	-	-	17,301
	Residential Housing Finance	5,264	-	-	-	-	-	-		5,264
	Homeownership Finance	-	-	5,044	-	-	-	-	-	5,044
	Agency-wide Totals	$5,264	$ -	$22,345	$ -	$ -	$ -	$5,216	$1,777	$34,602

All balances resulted from the time lag between the dates that: (1) interfund goods or services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

Interfund transfers recorded in non-operating transfer of assets between funds for the year ended June 30, 2024, consisted of the following (in thousands):

		Transfer from								
	Funds	General Reserve	Rental Housing	Residential Housing Finance	Homeownership Finance	Multifamily Housing	HOMES[SM]	State Appropriated	Federal Appropriated	Total
Transfer to	General Reserve	$ -	$ -	$ 561	$ -	$ -	$ -	$ -	$ -	$ 561
	Rental Housing	-	-	175	-	-	-	-	-	175
	Residential Housing Finance	23,889	-	-	-	-	-	-	-	23,889
	Agency-wide Totals	$23,889	$ -	$ 736	$ -	$ -	$ -	$ -	$ -	$24,625

Interfund transfers recorded in non-operating transfer of assets between funds normally result from bond sale contributions to new debt issues in other funds, the transfer of assets to maintain Pool 1 requirement and periodic transfers from the bond funds of assets in excess of bond resolution requirements.

Note 15 – Net Position

Restricted by Bond Resolution

The restricted by bond resolution portion of net position represents those funds restricted within the respective bond resolution due to the specific provisions of the bond resolutions.

Restricted by Covenant

In accordance with provisions of the respective bond resolutions, the Agency may transfer excess money from bond funds to General Reserve. The Agency has pledged to deposit in General Reserve any such funds transferred from the bond funds, except for any amounts as may be necessary to reimburse the state for money appropriated to restore a deficiency in any debt service reserve fund. The Agency further covenanted that it will use the money in General Reserve (or any such transferred funds deposited directly in the Alternative Loan Fund) only for the administration and financing of programs in accordance with the policy and purpose of Minnesota Housing's enabling legislation, including reserves for the payment of bonds and of loans made from the proceeds thereof, and will accumulate and maintain therein such a balance of funds and investments as will be sufficient for that purpose. All interfund transfers are approved by the Board of the Agency.

Note 15 – Net Position (continued)

In order to provide financial security for the Agency's general obligation bonds, and to provide additional resources for housing loans to help meet the housing needs of low- and moderate-income Minnesota residents, the Agency's Board adopted investment guidelines. These guidelines are periodically evaluated in consideration of changes in the economy and in the Agency's specific risk profile.

The $560.5 million restricted by covenant portion of net position is restricted by a covenant made with bondholders authorized by the Agency's enabling legislation. Pool 1 is maintained in the restricted by covenant portion of net position of the General Reserve. Pool 2 and Pool 3 are maintained in the restricted by covenant portion of net position of the Residential Housing Finance fund.

The combined net position of the General Reserve and bond funds (exclusive of Pool 3, accumulated unrealized gains/losses on investments, and realized gains/losses in sale of investments between Agency funds) is required by Board investment guidelines to be not less than the combined net position of the same funds (exclusive of cumulative unrealized gains/losses on investments) as of the immediately preceding fiscal year end. That combined net position was $493.3 million as of June 30, 2024.

The following table describes the restricted by covenant portion of net position, including the balances to be maintained according to the Agency's Board investment guidelines, as of June 30, 2024 (in thousands):

Net Position — Restricted By Covenant	Certain Balances Maintained According to Agency's Board Guidelines	Unrealized Appreciation (Depreciation) in Fair Market Value of Investments	Total Net Position Restricted by Covenant
Housing Endowment Fund (Pool 1), General Reserve			
Pool 1 is an amount equal to 1% of gross loans outstanding (excluding Pool 3 and appropriation-funded loans) and must be invested in short-term, investment-grade securities at market interest rates	$ 9,116	$ -	$ 9,116
Subtotal, Housing Endowment Fund (Pool 1), General Reserve	9,116	-	9,116
Housing Investment Fund (Pool 2), Residential Housing Finance			
An amount that causes the combined net position in the General Reserve and bond funds (exclusive of: Pool 3, unrealized gains/losses on investments, and realized gains/losses from the sale of investments between Agency funds) to be at least equal to the combined net position of the same funds for the immediately preceding audited fiscal year end (after restatements, if any, required by generally accepted accounting principles). During fiscal year 2024, $15.0 million was transferred from Pool 2 to Pool 3 in compliance with these Board guidelines. Pool 2 is invested in investment-quality housing loans, as defined by the Agency, or investment-grade securities.	385,732	-	385,732
Unrealized appreciation in fair market value of investments	-	(3,915)	(3,915)
Subtotal, Housing Investment Fund (Pool 2), Residential Housing Finance	385,732	(3,915)	381,817
Housing Affordability Fund (Pool 3), Residential Housing Finance			
Funds in excess of the combined requirement of Pool 1, Pool 2 and General Reserve may be transferred to Pool 3. Assets are invested in deferred loans, zero percent and low interest-rate loans, other loans with higher than ordinary risk factors, or, pending use, investment-grade securities.	169,593	-	169,593
Unrealized appreciation in fair market value of investments	-	(27)	(27)
Subtotal, Housing Affordability Fund (Pool 3), Residential Housing Finance	169,593	(27)	169,566
Agency-wide Total	$564,441	$(3,942)	$560,499

Note 15 – Net Position (continued)

Restricted by Law

Undisbursed, recognized federal and state appropriations are classified as restricted by law under net position. The $76.6 million balance of restricted by law in the Federal Appropriated fund as of June 30, 2024, is restricted by federal requirements that control the use of the funds. The $987.3 million balance of Restricted by Law in the State Appropriated fund as of June 30, 2024, is restricted by the state laws appropriating such funds.

Unrestricted - State Appropriation-Backed Bonds

The $355.8 million balance of unrestricted deficit - State Appropriation-backed Bonds as of June 30, 2024, does not represent a general obligation of the Agency and is not payable from any funds or assets of the Agency. Deficits in State Appropriated are funded by future appropriations.

Unrestricted

The $338.9 million balance of unrestricted net position represents debit balances in the unrestricted by bond, law, and covenant net positions at June 30, 2024. The unrestricted net position deficit was primarily due to the unrealized losses on investments recorded at June 30, 2024. Deficits in Rental Housing, Residential Housing Finance and HFB will be funded by future operating interest income.

Note 16 – Defined Benefit Pension Plan

The Agency contributes to the MSRS, a multiple-employer public employee retirement system, which provides pension benefits for all permanent employees.

The State Employees Retirement Fund (SERF) is administered by the MSRS and is established and administered in accordance with Minnesota Statutes, Chapters 352 and 356. SERF includes the General Employees Retirement Plan (General Plan), a multiple-employer, cost-sharing defined benefit plan, and three single-employer defined benefit plans: the Military Affairs Plan, the Transportation Pilots Plan, and the Fire Marshals Plan. Only certain employees of the Department of Military Affairs, the Department of Transportation, and the State Fire Marshal's Division are eligible to be members of those plans, but all state of Minnesota employees who are not members of another plan are covered by the General Plan.

MSRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained at www.msrs.state.mn.us/financial-information; by writing to MSRS at 60 Empire Drive, #300, St. Paul, Minnesota, 55103; or by calling (651) 296-2761 or 1-800-657-5757.

Benefits Provided

MSRS provides retirement, disability, and death benefits through the SERF. Benefit provisions are established by state statute and can only be modified by the state legislature. Benefits are based on a member's age, years of credit, and the highest average salary for any sixty successive months of allowable service at termination of service. Benefit increases or decreases are provided to benefit recipients each January and are related to the funded ratio of the plan. Annuitants receive benefit increases of 2.0% each year through December 31, 2018, 1% January 1, 2019 – December 31, 2023, and 1.5% January 1, 2024, and thereafter. For retirements on or after January 1, 2024, the first benefit increase is delayed until the retiree reaches Normal Retirement Age (not applicable to Rule of 90 retirees, disability benefit recipients, or survivors). A benefit recipient who has been receiving a benefit for at least 12 full months as of the June 30 of the calendar year immediately before the adjustment will receive a full increase. Members receiving benefits for at least one month but less than 12 full months as of the June 30 of the calendar year immediately before the adjustment will receive a pro rata increase. Prior to 2002, members who retired under the laws in effect before July 1, 1973, received an additional lump sum payment each year. In 1989, this lump sum payment was the greater of $25 times each full year of allowable service or $400 per full year of service less any Social Security benefits received or annuity from a Minnesota public

Note 16 – Defined Benefit Pension Plan (continued)

employee pension plan. In each following year, the lump sum payment was increased by the same percentage increase that was applied to regular annuities paid from the Minnesota Post Retirement Investment Fund. Effective January 1, 2002, the annual lump sum payment was divided by 12 and paid as a monthly life annuity in the annuity form elected.

Contributions

Minnesota Statutes Chapter 352 sets the rates for employer and employee contributions. Eligible General Plan members contribute 5.5% and participating employers are required to contribute 6.25% of their annual covered salary in fiscal year 2024. The Agency's contribution to the General Plan for the fiscal year ending June 30, 2024, was $1.8 million. These contributions were equal to the contractually required contributions for each year as set by state statute.

Actuarial Assumptions

The Agency's net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25% per year
Active member payroll growth	3.00% per year
Investment rate of return	7.00%

Salary increases were based on a service-related table.

Mortality rates for healthy pre-retirement on Pub 2010 General Employee Mortality Table adjusted for mortality improvements using projection scale MP-2018. Rates are multiplied by a factor of 0.97 for males and 1.06 for females. Mortality rates for healthy post-retirement on Pub-2010 Healthy General Mortality Table, adjusted for mortality improvements using projection scale MP-2018. Rates are multiplied by a factor of 1.04 for males and 1.10 for females. Actuarial assumptions used in the June 30, 2022, valuation was based on the results of actuarial experience study, dated June 27, 2019, and a review of inflation and investment return assumptions dated June 29, 2023.

The long-term expected rate of return on pension plan investments is 7.00%. The rate assumption was selected as the result of a review of inflation and investment return assumptions dated June 29, 2023, and a recent liability study. The review combined the asset class target allocations and long-term rate of return expectations from the SBI.

The SBI, which manages the investments of MSRS, prepares an analysis of the reasonableness of the long-term expected rate of return on a regular basis using a building-block method. Best-estimates of expected future real rates of return are developed for each major asset class. These asset class estimates, and target allocations are combined to produce a geometric, expected long-term rate of return as summarized in the following table:

Asset Class	Target Allocation	SBI's Long-Term Expected Real Rate of Return (Geometric Mean)
Domestic Stocks	33.5%	5.10%
International Stocks	16.5%	5.30%
Private Markets	25.0%	5.90%
Fixed Income	25.0%	0.75%

Changes in Actuarial Assumptions

Liabilities for former vested members are increased by 4%, and liabilities for former, non-vested members are increased by 5% to account for the effect of some participants having eligibility for a Combined Service Annuity (2017). The Single Discount Rate was changed from 6.75% per annum to 7.00% per annum.

Note 16 – Defined Benefit Pension Plan (continued)

Single Discount Rate

A Single Discount Rate of 7.00% was used to measure the total pension liability. This Single Discount Rate was based on an expected rate of return on pension plan investments of 7.00%. The projection of cash flows used to determine this Single Discount Rate assumed that employee and employer contributions will be made at the current statutory contribution rates. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. As a result, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Net Pension Liability

At June 30, 2024, the Agency reported a liability of $6.694 million for its proportionate share of MSRS' net pension liability. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Agency's proportion of the net pension liability was based on the Agency's contributions received by MSRS during the measurement period July 1, 2022, through June 30, 2023, relative to the total employer contributions received from all of MSRS's participating employers. At June 30, 2023, the Agency's proportionate share of the entire plan was 0.69671% an increase of 0.011% over prior reporting period.

Pension Liability Sensitivity

The following presents the Agency's proportionate share of the net pension liability, calculated using the discount rate disclosed above, as well as what the proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1 percentage point lower or 1 percentage point higher than the current discount rate (in thousands):

	1% Decrease in Discount Rate (6.00%)	Discount Rate (7.00%)	1% Increase in Discount Rate (8.00%)
Agency proportionate share of the net pension liability (asset):	$22,566	$6,694	($5,492)

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the MSRS Comprehensive Annual Financial Report, available on the MSRS website (www.msrs.state.mn.us/financial-information).

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the year ended June 30, 2024, the Agency recognized pension expense of $1.546 million. At June 30, 2024, the Agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources (in thousands):

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 805	$ 46
Changes of assumptions	5,226	5,638
Net difference between projected and actual earnings on investments	-	668
Changes in proportion and differences between actual contributions and proportionate share of contributions	238	16
Contributions paid to MSRS subsequent to the measurement date	1,762	-
Total	$8,031	$6,368

Note 16 – Defined Benefit Pension Plan (continued)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Amounts reported as deferred outflows of resources related to pensions resulting from Agency's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2025. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows (in thousands):

Year Ended June 30:	Pension Expense Amount
2025	$ (263)
2026	(205)
2027	1,343
2028	(974)

Deferred Compensation Plan

The Minnesota Deferred Compensation Plan is a voluntary savings plan intended for long-term investing for retirement. The deferred compensation plan is offered to any full-time, part-time, or temporary Minnesota public employee.

Note 17 – Post-Employment Benefits Other Than Pensions

Other postemployment benefits (OPEB) are available to state employees and their dependents through a single-employer defined benefit healthcare plan, as allowed by Minnesota Statutes 43A.27, Subdivision 3, and Minnesota Statutes 471.61, Subdivision 2a, and required under the terms of selected employment contracts.

The Agency's employees participate in the State of Minnesota-sponsored hospital, medical, and dental insurance group. State statute requires that former employees and their dependents be allowed to continue participation indefinitely, under certain conditions, in the insurance that the employees participated in immediately before retirement. The former employees must pay the entire premium for continuation coverage. An implicit rate subsidy exists for the former participants that elect to continue coverage. That subsidy refers to the concept that retirees under the age of 65 (i.e. not eligible for Medicare) generate greater claims on average than active participants. The Agency's current year active participant count (employees only) for implicit subsidy is 251.

The state does not issue a separate financial report for its OPEB as the state does not fund an OPEB plan and operates on a pay-as-you-go basis. The State of Minnesota obtains an actuarial valuation from an independent firm of its postretirement medical benefits and to determine its OPEB liability. The state intends to fund the OPEB liability on a "pay as you go" basis. The total other postemployment benefit obligation for the Agency is $2.269 million for fiscal year 2024.

MSRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained at www.msrs.state.mn.us/financial-information; by writing to MSRS at 60 Empire Drive, #300, St. Paul, Minnesota, 55103; or by calling (651) 296-2761 or 1-800-657-5757.

Note 17 – Post-Employment Benefits Other Than Pensions (continued)

Total OPEB Liability

The total OPEB liability, OPEB expense, and certain sensitivity information shown are based on actuarial valuations performed as of July 1, 2022. The total OPEB liability was rolled-forward from the valuation date to the measurement date of June 30, 2023, using generally accepted actuarial principles. No significant events or material changes in benefit provisions occurred between the actuarial valuation date and the measurement date that required adjustment to roll-forward of the Total OPEB Liability.

Schedule of Total OPEB Liability
As of June 30, 2024
(dollars in thousands)

	2024 [1]
Total OPEB Liability	
Service cost	$ 123
Interest	79
Difference between expected and actual experience	19
Change in assumptions and other inputs	(109)
Net change in total OPEB liability	112
Total OPEB liability-beginning	2,157
Total OPEB liability-ending (a)	$2,269

[1] The Agency's total proportionate share is .326 percent

As of July 1, 2022, the following assumptions were used for the actuarial valuation.

Inflation	2.25% per year
Initial Medical Trend Rate	8.4% per year
Ultimate Medical Trend Rate	3.7%
Salary Increases	13.0% with one year of service to 3.0% with 30 or more years of service
Mortality Rate	Refer Pub-2010 General Employee Mortality Headcount-Weighted Table, adjusted for mortality improvements using projection scale MP-2021. Rates are multiplied by a factor of .97 for males and 1.06 for females
Experience Study Dates	2015-2019

The majority of the State of Minnesota employees are participants in the MSRS, Minnesota Teacher's Retirement Association (TRA), or the Minnesota Public Employees' Retirement System (PERA). For this reason, the aggregate payroll growth, individual salary increase, mortality, withdrawal, retirement, and age of spouse assumptions are based on the assumptions used for the respective plans' Actuarial Valuation Reports as of July 1, 2022.

OPEB Sensitivity Based on Trend Rate

The following presents the Agency's share of total OPEB, calculated using a discount rate disclosed above, as well as what the total OPEB calculated using 1 percentage point higher and 1 percentage point lower than the current trend rate, in thousands.

	1% Decrease in Trend Rate (2.7%)	Trend Rate (3.7%)	1% Increase in Trend Rate (4.7%)
Agency proportionate share of the total OPEB liability:	$2,039	$2,269	$2,538

Note 17 – Post-Employment Benefits Other Than Pensions (continued)

Single Discount Rate

Since the State's retiree health benefits are not funded by assets in a separate trust the discount rate will be based on the index rate for 20-year tax-exempt general obligation municipal bond index rate with an average rating of AA/Aa or higher as of the measurement date, as prescribed by GASB 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. The State of Minnesota elected to determine the discount rate using the Bond Buyer 20-Bond General Obligation Index. The discount rate was 3.54% as of June 30, 2023.

OPEB Sensitivity Based on Discount Rate

The following presents the Agency's share of total OPEB, calculated using a discount rate disclosed above, as well as what the total OPEB calculated using 1 percentage point higher and 1 percentage point lower than the current discount rate, in thousands.

	1% Decrease in Discount Rate (2.54%)	Discount Rate (3.54%)	1% Increase in Discount Rate (4.54%)
Agency proportionate share of the OPEB liability:	$2,441	$2,269	$2,107

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended June 30, 2024, the Agency recognized OPEB expense of $0.181 million. At June 30, 2024, the Agency reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources (in thousands):

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$121	$111
Changes of assumptions	130	144
Subsequent Contributions	139	
Total	$390	$255

Amounts reported as deferred outflows of resources related to OPEB resulting from Agency's contributions subsequent to the measurement date will be recognized as a reduction of the total OPEB liability in the year ended June 30, 2024.

Other amounts reported as deferred outflows and inflows of resources related to OPEB will be recognized in OPEB expense as follows (in thousands):

Year Ended June 30:	OPEB Expense Amount
2025	($17)
2026	4
2027	7
2028	(1)
2029	1
Thereafter	2

Note 18 – Risk Management

Minnesota Housing is exposed to various insurable risks of loss related to tort; theft of, damage to, or destruction of assets; errors or omissions; and employer obligations. Minnesota Housing manages these risks through State of Minnesota insurance plans including the State of Minnesota Risk Management Fund (a self-insurance fund) and through purchased insurance coverage.

Property, casualty, liability, and crime coverage is provided by the Minnesota Risk Management Fund which may also purchase other insurance from qualified insurers for Minnesota Housing's needs. Minnesota Housing bears a $2,500 deductible per claim for the following coverage limits (in thousands):

Type of Coverage	Coverage Limits
Real and personal property loss	$4,902
Business interruption/loss of use/extra expense	500
Bodily injury and property damage per person	500
Bodily injury and property damage per occurrence	1,500
Faithful performance/commercial crime	9,000
Employee dishonesty	306

Minnesota Housing retains the risk of loss, although there have been no settlements or actual losses in excess of coverage in the last three fiscal years.

The Agency participates in the State Employee Group Insurance Plan, which provides life insurance and hospital, medical, and dental benefits coverage through provider organizations.

Minnesota Housing participates in the State of Minnesota Workers' Compensation Program. Annual premiums are assessed by the program based on average costs and claims. Minnesota Housing workers compensation costs and claims have been negligible during the last three fiscal years.

Note 19 - Commitments

As of June 30, 2024, the Agency had approved, either finally or preliminarily, the purchase or origination of future loans or other housing assistance in the following amounts (in thousands):

Funds	Amount
Rental Housing	$ 140,015
Residential Housing Finance	444,326
State Appropriated	540,936
Federal Appropriated	59,276
Agency Wide Totals	$1,184,553

Board-approved selections of future loans or other housing assistance for housing projects are included in the above table although the approvals may only be preliminary. However, a preliminary approval is not a commitment but an expectation that the Agency will be able to make the loan to or provide the other assistance for the project if all underwriting or other criteria are met. The Agency may decline to proceed with a final approval of any loan or assistance that has not been formally and legally committed.

The Agency has cancellable lease commitments for office facilities through August 2027 and for parking through August 2027, totaling $6.417 million. Combined office facilities and parking lease expense for fiscal year 2024 was $1.629 million.

Note 20 - Litigation

The Agency is a party to various litigations arising in the ordinary course of business. While the ultimate effect of such actions cannot be predicted with certainty, the Agency expects that the outcome of these matters will not result in a material adverse effect on the financial position or results of operations of the Agency.

Note 21 – Subsequent Events

The Agency called for redemption or repayment subsequent to June 30, 2024, for the following bonds (in thousands):

Program	Retirement Date	Par
Residential Housing Finance	July 1, 2024	$35,395
Residential Housing Finance	July 11, 2024	39,590
Residential Housing Finance	August 1, 2024	11,180
Rental Housing	August 15, 2024	5,150
Residential Housing Finance	September 1, 2024	7,675
Residential Housing Finance	October 1, 2024	9,630
Rental Housing	October 14, 2024	10,495
Residential Housing Finance	November 1, 2024	10,925

On each of February 22, 2024, May 23, 2024, June 27, 2024, September 26, 2024, and October 24, 2024, the Board of the Agency adopted one or more series resolution authorizing the issuance of bonds for the purpose of providing funds for certain of the Agency's multifamily programs. The Rental Housing Bonds, 2024 Series B-1 and B-2, in the principal amount of $8.055 million were delivered on July 31, 2024, the Rental Housing Bonds, 2024 Series C-1 and C-2, in the principal amount of $9.820 million were delivered on August 20, 2024, and the Rental Housing Bonds, 2024 Series D, in the principal amount of $87.530 million were delivered on July 16, 2024. The Rental Housing Bonds, 2024 Series E-1 and E-2, in the maximum principal amount of $11.400 million, the Rental Housing Bonds, 2024 Series F-1 and F-2, in the maximum principal amount of $11.100 million,] the Rental Housing Bonds, 2024 Series G-1 and G-2, in the maximum principal amount of $13.920 million, and the Rental Housing Bonds, 2024 Series H-1 and H-2, in the maximum principal amount of $9.965 million, are anticipated to be issued not later than December 2024.

On July 21, 2022, the Board of the Agency adopted a resolution authorizing the issuance of additional State Appropriation Bonds (Housing Infrastructure) up to the aggregate principal amount of $100 million for the purpose of providing funds to make loans for certain statutory-authorized purposes and on July 25, 2024, approved additional loans to be financed by those bonds. The State Appropriation Bonds (Housing Infrastructure), 2024 Series A, in the aggregate principal amount of $12.960 million were delivered September 18, 2024, pursuant to that authorization.

On July 2, 2024, the Agency delivered its Residential Housing Finance Bonds, 2024 Series LMN, in the aggregate principal amount of $225 million; on August 29, 2024, the Agency delivered its Residential Housing Finance Bonds, 2024 Series OPQ, in the aggregate principal amount of $225 million; and on September 18, 2024, the Agency delivered its Residential Housing Finance Bonds, 2024 Series RS, in the aggregate principal amount of $75 million; and on November 13, 2024, the Agency sold its Residential Housing Finance Bonds, 2024 Series TUVW, in the aggregate principal amount of $250 million for delivery on December 12, 2024; each for the purpose of providing funds for certain of the Agency's homeownership programs. The issuance of these bonds was authorized pursuant to series resolutions adopted by the Board of the Agency on October 26, 2023, and May 23, 2024, each authorizing the issuance of fixed interest rate bonds in the aggregate principal amount of $600 million, and on December 14, 2023, and June 27, 2024, authorizing the issuance of variable interest rate bonds in the aggregate principal amounts of $100 million and $150 million, respectively.

On August 29, 2024, the Agency's tax-exempt bonds issued on December 21, 2005, on a conduit basis to assist a Minnesota nonprofit organization in preserving assisted elderly rental housing were paid in full and are no longer outstanding.

Note 21 – Subsequent Events (continued)

With respect to its Residential Housing Finance Bonds, 2019 Series H, outstanding as of July 1, 2024, in the aggregate principal amount of $39.590 million, on July 10, 2024, the Agency entered into a new remarketing agreement with a remarketing agent fee of 0.070%, and on July 11, 2024, the Agency entered into a replacement liquidity facility with a maturity of July 11, 2029, and a facility fee of 0.290%.

Per Board resolution 18-004 dated April 26, 2018, extension per Board resolution 20-055 on October 22, 2020, Board resolution 21-007 on February 2, 2021, and extension per Board resolution 21-070 on December 16, 2021, the Agency made, or has committed to issue, draws from the Index Bank notes subsequent to June 30, 2024, as shown in the table below (in thousands).

Program	Series	Advance Date	Par
Index Bank Note	2018 AMT	July 1, 2024	$ 9,751
Index Bank Note	2018 Non-AMT	July 1, 2024	21,071
Index Bank Note	2018 AMT	August 1, 2024	486
Index Bank Note	2018 Non-AMT	August 1, 2024	7,095
Index Bank Note	2018 AMT	September 3, 2024	236
Index Bank Note	2018 Non-AMT	September 3, 2024	5,483
Index Bank Note	2018 AMT	October 1, 2024	138
Index Bank Note	2018 Non-AMT	October 1, 2024	6,014
Index Bank Note	2018 AMT	November 1, 2024	113
Index Bank Note	2018 Non-AMT	November 1, 2024	5,946
Index Bank Note	2018 AMT	December 2, 2024	141
Index Bank Note	2018 Non-AMT	December 2, 2024	5,464

The Agency repaid $35.351 million of the Non-AMT Portion of the Index Bank Note on July 2, 2024, and $9.595 million of the Non-AMT Portion of the Index Bank Note on August 29, 2024.

The Agency has evaluated subsequent events through December 9, 2024, the date on which the financial statements were available to be issued.

APPENDIX B-2

FINANCIAL STATEMENTS OF CERTAIN FUNDS OF THE AGENCY
(EXCLUDING STATE APPROPRIATED AND FEDERAL APPROPRIATED FUNDS)
AS OF SEPTEMBER 30, 2024
AND FOR THE THREE MONTHS THEN ENDED (UNAUDITED)

[THIS PAGE INTENTIONALLY LEFT BLANK]

DISCLAIMER

The following information with respect to the General Reserve, Homeownership Finance, Multifamily Housing, Rental Housing, Residential Housing Finance ("RHFB") excluding Pool 3, and RHFB Pool 3 (the "Funds") as of September 30, 2024 and for the three-month period then ended was prepared by the Agency, and, in the opinion of the Agency, includes all accounting adjustments necessary for a fair statement of the financial position and results of operations of these Funds as of September 30, 2024 and for the three-month period then ended, subject to year-end adjustments.

State and federal appropriated funds are excluded from this presentation because assets and revenues of these funds are not pledged or available to support bonds or other obligations of the Agency or its general obligation pledge in respect thereof.

Financial results for RHFB Pool 3 are reported separately from other Funds' results because the Agency has made no commitment to retain any net position balance in that fund. This fund is not pledged to the payment of any debt obligations of the Agency but, to the extent net position are available in this fund, they are generally available to pay any debt obligation of the Agency.

This presentation excludes management's discussion and analysis which is required by generally accepted accounting principles. This information has not been reviewed by independent auditors and is not accompanied by any opinion from them. The information in this Appendix B-2 should be read in connection with the audited financial statements included in Appendix B, including the notes to those financial statements.

Total	$ 4,884,680	$ (212,836)	$ 4,671,844

*Mortgage-backed Securities Investments

Mortgage-backed securities (MBS) that are pledged as security for the payment of Agency bonds and are held in an acquisition account are presented as "Investments- program mortgage-backed securities" on the financial statements. The Agency may also hold non-program MBS which are included with "Investment securities-other." All investments, including program and non-program MBS, are reported at fair market value on the statement of net position. The difference between the fair market value and the amortized cost is presented as "unrealized gains (losses) on securities" on the statement of revenues, expenses and changes in net position.

APPENDIX C

SUMMARY OF CONTINUING DISCLOSURE UNDERTAKING

The following statements are extracted provisions of the Continuing Disclosure Undertaking to be executed by the Agency in connection with the issuance of the Series Bonds.

Purpose

This Disclosure Undertaking is executed and delivered by the Agency for the benefit of the holders and owners (the "Bondholders") and the Beneficial Owners of the Series Bonds and in order to assist the Participating Underwriter in complying with the requirements of the Rule. There is no obligated person other than the Agency that is a party to the Disclosure Undertaking.

Definitions

In addition to the definitions set forth in the Resolutions, which apply to any capitalized term used in this Disclosure Undertaking, the following capitalized terms shall have the following meanings:

"*Annual Financial Information*" means the following financial information and operating data (in addition to Audited Financial Statements): information about the Mortgage Loans and Developments of a type substantially similar to that in Appendix A in the Official Statement.

"*Annual Financial Information Disclosure*" means the dissemination of disclosure concerning Annual Financial Information and the dissemination of the Audited Financial Statements as described under the caption "Annual Financial Information Disclosure" herein.

"*Audited Financial Statements*" means the audited financial statements of the Agency, prepared pursuant to the standards and as described under the caption "Annual Financial Information Disclosure."

"*Beneficial Owners*" means (1) in respect of a Series Bond subject to a book-entry-only registration system, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Series Bond (including persons or entities holding Series Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Series Bond for federal income tax purposes, and such person or entity provides to the Trustee evidence of such beneficial ownership in form and substance reasonably satisfactory to the Trustee; or (2) in respect of a Series Bond not subject to a book-entry-only registration system, the registered owner or owners thereof appearing in the bond register maintained by the Trustee, as Registrar.

"*Commission*" means the Securities and Exchange Commission.

"*Exchange Act*" means the Securities Exchange Act of 1934, as amended.

"*Financial Obligation*" means a (i) debt obligation, (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or, (iii) guarantee of either (i) or (ii). The term "Financial Obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB pursuant to the Rule.

"*Listed Event*" means the occurrence of any of the events with respect to the Series Bonds set forth below:

1. Principal and interest payment delinquencies;

2. Nonpayment-related defaults, if material;

3. Unscheduled draws on debt service reserves reflecting financial difficulties;

4. Unscheduled draws on credit enhancements reflecting financial difficulties;

5. Substitution of credit or liquidity providers, or their failure to perform;

6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security;

7. Modifications to rights of security holders, if material;

8. Bond calls, if material, and tender offers;

9. Defeasances;

10. Release, substitution or sale of property securing repayment of the securities, if material;

11. Rating changes;

12. Bankruptcy, insolvency, receivership or similar event of the Agency (within the meaning of the Rule);

13. The consummation of a merger, consolidation or acquisition involving the Agency or the sale of all or substantially all of the assets of the Agency, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

14. Appointment of a successor or additional trustee or the change of name of a trustee, if material;

15. Incurrence of a Financial Obligation of the Agency, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Agency, any of which affect security holders, if material; and

16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Agency, any of which reflect financial difficulties.

"*Listed Events Disclosure*" means dissemination of a notice of a Listed Event as described under the heading "Listed Events Disclosure" in this Appendix C.

"*MSRB*" means the Municipal Securities Rulemaking Board.

"*Participating Underwriter*" means each broker, dealer or municipal securities dealer acting as an underwriter in any primary offering of the Series Bonds.

"*Prescribed Form*" means, with regard to the filing of Annual Financial Information, Audited Financial Statements and notices of Listed Events with the MSRB at www.emma.msrb.org (or such other address or addresses as the MSRB may from time to time specify), such electronic format, accompanied by such identifying information, as shall have been prescribed by the MSRB and which shall be in effect on the date of filing of such information.

"*Rule*" means Rule 15c2-12 adopted by the Commission under the Exchange Act, as the same may be amended from time to time.

"*Undertaking*" means the obligations of the Agency described under the headings "Annual Financial Information Disclosure" and "Listed Events Disclosure" in this Appendix C.

Annual Financial Information Disclosure

The Agency shall disseminate the Annual Financial Information and the Audited Financial Statements (in the form and by the dates set forth below) for each fiscal year of the Agency, commencing with the fiscal year ending June 30, 2025, by one of the following methods: (i) the Agency may deliver such Annual Financial Information and the Audited Financial Statements to the MSRB within 120 days of the completion of the Agency's fiscal year or (ii) delivery of an Official Statement of the Agency to the MSRB within 120 days of the completion of the Agency's fiscal year, but only to the extent such Official Statement includes such Annual Financial Information and Audited Financial Statements.

The Agency is required to deliver such information in Prescribed Form and by such time so that such entities receive the information by the dates specified.

If any part of the Annual Financial Information can no longer be generated because the operations to which it is related have been materially changed or discontinued, the Agency will disseminate a statement to such effect as part of its Annual Financial Information for the year in which such event first occurs.

If any amendment is made to this Disclosure Undertaking, the Annual Financial Information for the year in which such amendment is made (or in any notice or supplement provided to the MSRB) shall contain a narrative description of the reasons for such amendment and its impact on the type of information being provided.

All or a portion of the Annual Financial Information and the Audited Financial Statements may be included by reference to other documents which have been submitted to the MSRB or filed with the Commission. The Agency shall clearly identify each such item of information included by reference.

Annual Financial Information will be provided to the MSRB within 120 days after the last day of the Agency's fiscal year. Audited Financial Statements as described below should be filed at the same time as the Annual Financial Information. If Audited Financial Statements are not available when the Annual Financial Information is filed, unaudited financial statements shall be included, and Audited Financial Statements will be provided to the MSRB within 10 business days after availability to the Agency.

Audited Financial Statements will be prepared in accordance with generally accepted accounting principles in the United States as in effect from time to time.

If any change is made to the Annual Financial Information as permitted by the Disclosure Undertaking, including for this purpose a change made to the fiscal year-end of the Agency, the Agency will disseminate a notice to the MSRB of such change in Prescribed Form.

Listed Events Disclosure

The Agency hereby covenants that it will disseminate in a timely manner, not in excess of 10 business days after the occurrence of the event, Listed Events Disclosure to the MSRB in Prescribed Form. Notwithstanding the foregoing, notice of optional or unscheduled redemption of any Series Bonds or defeasance of any Series Bonds need not be given under this Disclosure Undertaking any earlier than the notice (if any) of such redemption or defeasance is given to the owners of the Series Bonds pursuant to the Resolution.

Consequences of Failure of the Agency To Provide Information

The Agency shall give notice in a timely manner, not in excess of 10 business days after the occurrence of the event, to the MSRB in Prescribed Form of any failure to provide Annual Financial Information Disclosure when the same is due hereunder.

In the event of a failure of the Agency to comply with any provision of this Disclosure Undertaking, the Bondholder or Beneficial Owner of any Series Bond may seek specific performance by court order to cause the Agency to comply with its obligations under this Disclosure Undertaking. A default under this Disclosure Undertaking shall not be deemed an Event of Default under the Resolution or any other agreement, and the sole remedy under this Disclosure Undertaking in the event of any failure of the Agency to comply with this Disclosure Undertaking shall be an action to compel performance.

Amendment; Waiver

Notwithstanding any other provision of this Disclosure Undertaking, the Agency may amend this Disclosure Undertaking, and any provision of this Disclosure Undertaking may be waived, if:

(i) The amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Agency or type of business conducted;

(ii) This Disclosure Undertaking, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) The amendment or waiver does not materially impair the interests of the Bondholders of the Series Bonds, as determined either by parties unaffiliated with the Agency (such as the Trustee) or by an approving vote of the Bondholders of the Series Bonds holding a majority of the aggregate principal amount of the Series Bonds (excluding Series Bonds held by or on behalf of the Agency or its affiliates) pursuant to the terms of the Resolution at the time of the amendment; or

(iv) The amendment or waiver is otherwise permitted by the Rule.

Termination of Undertaking

The Undertaking of the Agency shall be terminated when the Agency shall no longer have any legal liability for any obligation on or relating to the repayment of the Series Bonds. The Agency shall give notice to the MSRB in a timely manner and in Prescribed Form if this Section is applicable.

Additional Information

Nothing in this Disclosure Undertaking shall be deemed to prevent the Agency from disseminating any other information, using the means of dissemination set forth in this Disclosure Undertaking or any other means of communication, or including any other information in any Annual Financial Information Disclosure or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Undertaking. If the Agency chooses to include any information from any document or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Undertaking, the Agency shall not have any obligation under this Disclosure Undertaking to update such information or include it in any future disclosure or notice of the occurrence of a Listed Event.

Beneficiaries

This Disclosure Undertaking has been executed in order to assist the Participating Underwriter in complying with the Rule; however, this Disclosure Undertaking shall inure solely to the benefit of the Agency, the Bondholders and Beneficial Owners of the Series Bonds, and shall create no rights in any other person or entity.

Recordkeeping

The Agency shall maintain records of all Annual Financial Information Disclosure and Listed Events Disclosure, including the content of such disclosure, the names of the entities with whom such disclosure was filed and the date of filing such disclosure.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE BOND RESOLUTION

The Bond Resolution contains various covenants and security provisions, certain of which are summarized below. The summary does not purport to be comprehensive or definitive and is subject to all of the terms and provisions of the Bond Resolution, to which reference is hereby made, copies of which are available from the Agency or the Trustee.

Resolution Constitutes Contract with Trustee and Bondholders

Upon acceptance by the Trustee of the trusts created in the Bond Resolution and upon the purchase of Bonds by a Holder thereof, the Bond Resolution and applicable Series Resolution shall constitute a contract of the Agency with the Trustee and the Bondholders. The pledge made and security interests granted in the Bond Resolution are for the equal benefit, protection and security of all such Bondholders; all Bonds shall be of equal rank without preference, priority or distinction except as expressly provided or permitted in the Bond Resolution. The Agency covenants that it will cause to be deposited with the Trustee all proceeds of Bonds, all Mortgages, Mortgage Loans, and other securities purchased from Bond Proceeds and all income thereon. The pledge of the Agency is valid and binding from the time when made and all Mortgages, Mortgage Loans, securities and income thereon pledged and received by the Agency shall be subject to the lien thereof. The Agency pledges its full faith and credit for payment of principal, interest, and premium, if any, on the Bonds; the Bonds are a general obligation of the Agency. The State has pledged to and agreed with the Bondholders that it will not limit or alter the rights vested in the Agency nor impair the rights or remedies of the Bondholders until the Bonds, together with interest due, are fully paid.

Definitions

The following are definitions of certain terms used in the Bond Resolution and in this Official Statement (but not otherwise defined herein).

Accreted Value: for any Capital Accumulator Bond or Bonds, as of any date, the value (which may be rounded to the nearest dollar) resulting from the compounding of interest on the original principal amount and accretion thereof to principal on each prior Interest Payment Date at the approximate yield expressed in the Bond and provided in the applicable Series Resolution.

Agency Hedge Payment: a payment due to a Hedge Counterparty from the Agency pursuant to the applicable Hedge Agreement (excluding, however, payments in respect of any early termination of such Hedge Agreement)).

Alternative Loan Fund: The fund so designated in the RHFB Resolution that is maintained pursuant to Section 4.12 of the RHFB Resolution.

Bond Requirement: as of any particular date of calculation, the sum of (i) that amount of the interest to become due on each Series of Outstanding Bonds at its next Interest Payment Date the deposit of which, once each month between that and the last such Interest Payment Date (or if none, since the Issue Date), would produce a sum sufficient to pay such interest, (ii) that amount of the Principal Installment due on each Series of Outstanding Bonds at its next Principal Installment Date, the deposit of which, once each month between that and the last such Principal Installment Date (or if none, once each month for a period of twelve months prior to the next Principal Installment Date), would produce a sum sufficient to pay such Principal Installment; (iii) any amount referred to in clause (i) and (ii) which has not been deposited in the Bond Fund in any month preceding the date of calculation; (iv) any Principal Installment and interest due and unpaid before the date of calculation; and (v) interest accrued on any such Principal Installment and (to the extent lawful) on any such interest, at the same rate as that borne by the Principal Installment before its maturity; provided that if, as of the date of calculation, the interest rate on any Variable Rate Bonds cannot be determined for any period before the next Interest Payment Date therefor, the interest rate for such period shall be assumed to be the Maximum Rate for such Variable Rate Bonds.

Capital Accumulator Bond: any Bond the interest on which is not currently payable on Interest Payment Dates during each year of its term (or portion of its term) but accrues and is accreted to principal on each Interest Payment Date and is payable as part of the Accreted Value of the Bond at maturity, or at a prior date on which the Bond is duly called for redemption, as provided in the applicable Series Resolution.

Current Interest Bond: any Bond the interest on which is payable on Interest Payment Dates during each year of its term (or portion of its term), or to a prior date on which the Bond is duly called for redemption, as provided in the applicable Series Resolution.

Debt Service Reserve Requirement: as of any particular date of computation, an amount of money (or cash equivalent available under a letter of credit, insurance policy, surety bond or similar security instrument issued by an institution whose debt obligations at the time of such issuance are rated as high as or higher than the Bonds by a nationally recognized bond rating agency) equal to the sum of amounts computed for each Series of Outstanding Bonds, each in accordance with the applicable Series Resolution.

Development: a specific improvement or structure constituting residential housing as defined in the Act, containing units for possession pursuant to a leasehold estate or cooperative ownership, and financed in whole or in part by the issuance of Bonds or Notes.

Escrow Payment: any payment made in order to obtain or maintain mortgage insurance and fire and other hazard insurance, including payments for any Federal, state, local or private program intended to assist in providing Mortgages, and any payments required to be made with respect to Mortgages for taxes or other governmental charges or other similar charges to a Mortgagor customarily required to be escrowed, and payments or charges constituting construction or operating contingency, performance or completion or replacement reserves required pursuant to the applicable Mortgage Loan or any Subordinate Mortgage Loan.

Expense Requirement: such amount of money as may from time to time by Series Resolution or Supplemental Bond Resolution of the Agency be determined to be necessary for the payment of costs and expenses of the Agency pursuant to the Program (other than costs and expenses properly payable from a Cost of Issuance Account), and including any Agency Hedge Payments owing from time to time to a Hedge Counterparty pursuant to a Hedge Agreement and any fees or expenses owing from time to time to a person or entity providing credit or liquidity support or remarketing services in respect of any Bonds.

Hedge Agreement: a payment exchange agreement, swap agreement, forward agreement or any other hedge agreement between the Agency and a Hedge Counterparty, as amended or supplemented, providing for payments between the parties based on levels of, or changes in, interest rates or other indices, including, without limitation, interest rate exchange agreements, floors or caps, which allows the Agency to manage or hedge payment, rate, spread or similar risk with respect to any Bonds outstanding or proposed to be issued and which is entered into in accordance with the requirements described under the subheading "Hedge Agreements."

Hedge Counterparty: any person or entity with whom the Agency shall from time to time enter into a Hedge Agreement, as specified in a Series Resolution or other resolution of the Agency.

Hedge Counterparty Guarantee: a guarantee in favor of the Agency given in connection with the execution and delivery of a Hedge Agreement, as specified in a Series Resolution or other resolution of the Agency.

Housing Investment Fund: The portion of the Alternative Loan Fund, designated by the Net Asset Requirements Resolution as Pool 2 (Housing Investment Fund).

Interest Payment Date: each date on which interest on any Series of Bonds is required to be paid under the applicable Series Resolution.

Investment Obligation: any of the following, including puts and call options in future contracts traded on a contract market designated and regulated by a federal agency, which at the time are legal investments for Fiduciaries under the laws of the State for moneys held hereunder which are then proposed to be invested therein: (i) direct general obligations of the United States of America; (ii) obligations the payment of the principal of and interest on which, in the opinion of the Attorney General of the United States, is unconditionally guaranteed by the United States;

(iii) bonds, debentures, participation certificates, notes or other debt issued by any of the following: Bank for Cooperatives, Federal Financing Bank, Federal Land Banks, Federal Home Loan Banks, Federal Intermediate Credit Banks, Federal National Mortgage Association, Export Import Bank of the United States, Farmer's Home Administration, Federal Home Loan Mortgage Corporation or Government National Mortgage Association, or any other agency or corporation which has been or may hereafter be created by or pursuant to an Act of the Congress of the United States as an agency or instrumentality thereof or sponsored thereby; (iv) direct and general obligations of any state within the United States or of any political subdivision of the State of Minnesota, provided that at the time of purchase such obligations are rated in either of the two highest rating categories by each Rating Agency providing a Rating on Outstanding Bonds; (v) interest bearing deposit accounts in savings and loan associations or in state, national or foreign banks (including the Trustee and any Paying Agent), provided that either said deposits are insured by the Federal Deposit Insurance Corporation, are secured by obligations described in clauses (i) through (iii) above, or at the time the purchase is made the debt obligations of the depository are rated as high or higher than the Bonds by each Rating Agency providing a Rating on Outstanding Bonds; (vi) bankers' acceptances drawn on and accepted by commercial banks whose debt obligations at the time the purchase is made are rated as high or higher than the Bonds by each Rating Agency providing a Rating on Outstanding Bonds; (vii) commercial paper issued by United States corporations or their Canadian subsidiaries rated at the time the purchase is made in the highest rating category for commercial paper by each Rating Agency providing a Rating on Outstanding Bonds and maturing in 270 days or less; (viii) repurchase agreements and reverse repurchase agreements with banks which (1) are members of the Federal Deposit Insurance Corporation and (2) are rated in either of the two highest rating categories by each Rating Agency providing a Rating on Outstanding Bonds, or with government bond dealers reporting to and trading with the Federal Reserve Bank of New York, which agreements are secured by obligations described in the preceding clauses (i) through (iii) of this sentence; (ix) guaranteed investment contracts or similar deposit agreements with insurance companies with a claims paying rating from each Rating Agency providing a Rating on Outstanding Bonds at the time the contract or agreement is made at least equal to the respective Rating of the Bonds by the related Rating Agency, or with other financial institutions or corporations provided, at the time the contract or agreement is made, the debt obligations of any such financial institution or corporation are rated as high or higher than the Bonds by each Rating Agency providing a Rating on Outstanding Bonds or such contracts or agreements are secured by obligations described in clauses (i), (ii), (iii) and (viii) above; (x) shares in an investment company registered under the Federal Investment Company Act of 1940 whose shares are registered under the Federal Securities Act of 1933, or shares of a common trust fund established by a national banking association or a bank or trust company organized under the laws of any state with combined capital and surplus of at least $50,000,000, under the supervision and regulation of the Comptroller of the Currency pursuant to 12 C.F.R. 9, or any successor regulation, and whose only investments are qualified investments described in clauses (i), (ii), (iii) and (viii) above; (xi) notes, bonds, debentures or other debt issued or guaranteed by domestic corporations, provided that at the time of purchase such obligations are rated in either of the two highest rating categories by each Rating Agency providing a Rating on Outstanding Bonds; (xii) notes, bonds, debentures or other debt issued by the World Bank or the Inter-American Development Bank, provided that at the time of purchase such obligations are rated in either of the two highest rating categories by each Rating Agency providing a Rating on Outstanding Bonds; and (xiii) any other investment that as of the date made does not impair the Rating of any Outstanding Bonds.

Maximum Rate: in respect of any Variable Rate Bonds, the maximum interest rate that such Bonds may bear as specified in the Series Resolution authorizing the issuance of the Variable Rate Bonds.

Mortgage: a mortgage deed, deed of trust, or other instrument, which, except as otherwise provided in the Bond Resolution, shall constitute a first lien in the State on improvements and real property in fee simple, or on a leasehold under a lease having a remaining term which, at the time the Mortgage is acquired, does not expire for at least that number of years beyond the maturity date of the Mortgage Loan or Subordinate Mortgage Loan secured by such Mortgage which is equal to the number of years remaining until the maturity date of the Mortgage Loan or Subordinate Mortgage Loan.

Mortgage Loan: a loan by the Agency to a Mortgagor for the financing and/or refinancing of a Development for the purposes set forth in Section 101 of the Bond Resolution, secured by a Mortgage on the Development.

Mortgagor: a natural person, a public or private corporation, a partnership, a joint venture or other organization or entity, to the extent permitted by the Act and the rules of the Agency thereunder (including the Agency or any corporation, agency or instrumentality created or controlled by the Agency) .

Net Asset Requirements Resolution: Resolution No. MHFA 07-16 entitled "Resolution Amending Resolution No. MHFA 88-7 Regarding Net Asset Requirements and Investment Guidelines for General Reserve Account Assets" adopted April 26, 2007, as subsequently amended by Resolution No. MHFA 09-55 adopted September 24, 2009.

Outstanding: a reference as of any particular time to all Bonds theretofore delivered except (i) any Bond canceled by the Trustee, or proven to the satisfaction of the Trustee to have been canceled by the Agency or by any other Fiduciary, at or before that time, and (ii) any Bond for the payment or redemption of which either (a) money equal to the principal amount or Redemption Price thereof, as the case may be, with interest to the date of maturity or redemption date, or (b) Investment Obligations or money in the amounts, or the maturities and otherwise as described and required under the provisions of paragraph (B) or (D) of Section 1201 of the Bond Resolution, has been deposited with one or more Fiduciaries in trust (whether upon or prior to the maturity or redemption date of the Bond) and except in the case of a Bond to be paid at maturity, of which notice of redemption has been given or provided for in accordance with Article VII therein, and (iii) any Bond in lieu of or in substitution for which another Bond has been delivered pursuant to Section 605, 607 or 906 of the Bond Resolution.

Prepayment: any money received from a payment of principal on a Mortgage Loan or Subordinate Mortgage Loan in excess of the scheduled payments of principal then due, or from the sale of a Mortgage Loan or Subordinate Mortgage Loan pursuant to Section 313 of the Bond Resolution, other than money constituting a Recovery Payment.

Principal Installment: as of any particular date of calculation, an amount equal to the sum of (i) the principal amount of Outstanding Current Interest Bonds which mature on a single future date, reduced by the aggregate amount of any Sinking Fund Installments payable before that date toward the retirement of such Outstanding Current Interest Bonds, plus (ii) the amount of any Sinking Fund Installment payable on said future date toward the retirement of such Outstanding Current Interest Bonds, plus (iii) the Accreted Value, as of the same future date, of Capital Accumulator Bonds which mature or are required to be redeemed as a Sinking Fund Installment on such date.

Program: the Agency's program of making Mortgage Loans, including the payment when due of principal of and redemption premium, if any, and interest on Notes, for the purposes specified in Section 101 of the Bond Resolution.

Rating: with respect to any Bonds and as of any date, the rating issued by a Rating Agency then in force and prior to a proposed action to be taken by the Agency. An action does not "impair" the Rating with respect to any Bonds if the action will not cause the Rating Agency to lower or withdraw the rating it has assigned to such Bonds.

Record Date: for (i) payment of principal of and interest on the Bonds shall be the 15th day (whether or not a business day) of the month immediately preceding the payment date and (ii) for purposes of giving notice of redemption or other notice pursuant to the provisions of the Bond Resolution or Series Resolution, the last business day of the month preceding the month in which such notice is mailed.

Recovery Payment: any money received or recovered by the Agency, in excess of the expenses necessarily incurred by the Agency in collection thereof, from (i) the sale or other disposition of a Development acquired by the Agency, or (ii) condemnation of a Development or part thereof, or (iii) other proceedings taken in the event of default by the Mortgagor, or (iv) the sale or other disposition of a Mortgage in default for the purpose of realizing on the Agency's interest therein, or (v) mortgage insurance or guaranty or hazard insurance.

Redemption Price: when used with respect to a Bond or portion thereof, the principal amount of a Current Interest Bond or the Accreted Value of a Capital Accumulator Bond or any portion thereof plus the applicable premium, if any, payable upon redemption thereof in accordance with its terms.

Revenues: all payments, proceeds, rents, charges and other income derived by or for the account of the Agency from or related to the Program, including without limitation the scheduled amortization payments of principal of and interest on Mortgages (whether paid by or on behalf of the Mortgagor or occupants of the Development subject to the Mortgage) and any Counterparty Hedge Payments payable by or received from or on behalf of any Hedge Counterparty pursuant to a Hedge Agreement or a Hedge Counterparty Guarantee, but not including Prepayments, Recovery Payments or Escrow Payments, and not including inspection, financing, application, commitment or similar fees or charges of the Agency which are included in the original principal amount of a Mortgage.

RHFB Resolution: Resolution No. MHFA 95 82, adopted August 24, 1995 (which amended and restated in whole Resolution No. MHFA 76 32, adopted July 27, 1976, as amended), together with any amendments or supplements heretofore or hereafter adopted from time to time as permitted therein.

Sinking Fund Installment: any amount of money required by or pursuant to a Series Resolution as referred to in Section 202 of the Bond Resolution to be paid on a specified date by the Agency toward the retirement of any particular Term Bonds before their maturity.

Sinking Fund Installment Date: the date on which a Sinking Fund Installment is payable.

Subordinate Mortgage Loan: a Mortgage Loan, which may be junior and subordinate to other mortgage liens on a Development, made by the Agency pursuant to the authorization contained in Section 308 of the Bond Resolution.

Variable Rate Bonds: any Bonds the interest rate on which varies periodically such that the interest rate at a future date cannot be determined as of the date of calculation.

Authorization of Bonds

In order to provide sufficient funds for the Program, Bonds of the Agency designated as Rental Housing Bonds are authorized by the Bond Resolution to be issued from time to time without limitation as to amount except as provided in the Bond Resolution or as may be limited by law, and shall be issued subject to the terms, conditions and limitations established in the Bond Resolution. The full faith and credit of the Agency is pledged for the security of the Bonds, including interest and redemption premiums thereon, and the Bonds are general obligations of the Agency, payable out of any of its moneys, assets or revenues, subject to the provisions of any other resolutions, indentures or state laws now or hereafter pledging and appropriating particular moneys, assets or revenues to particular notes or Bonds.

Other Obligations

(A) Except as provided in Article II of the Bond Resolution, the Agency covenants that it will not create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a charge or lien on the Revenues or will be payable from any of the Funds or Accounts established and created by or pursuant to the Bond Resolution, including the Debt Service Reserve Fund. The foregoing provision shall not be construed as prohibiting the Agency from entering into hedging transactions, such as interest rate swaps, in connection with the issuance of any Series of Bonds, or in connection with the payment of any Series of Outstanding Bonds.

(B) The Agency expressly reserves the right to adopt one or more additional bond or note resolutions and reserves the right to issue other obligations so long as they are not a charge or lien prohibited by paragraph (A) of this Section of the Bond Resolution.

Pledge of the Resolution

The Agency in the Bond Resolution covenants that it will cause to be paid to and deposited with the Trustee, or to its credit with Depositories designated by the Agency, and pledges and grants to the Trustee a security interest in, all proceeds of Bonds, all Mortgages and Mortgage Loans and other securities made and purchased from such proceeds (or from the proceeds of Notes paid from the proceeds of Bonds), and all income and receipt therefrom. This pledge is intended to be valid and binding from the time when made, and the Bond proceeds, Mortgages, Mortgage Loans, other securities, income and receipts pledge and hereafter received by the Agency are immediately to be subject to the lien thereof without any physical delivery or further act, and the lien of such pledge is intended to be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Agency, whether or not such parties have notice thereof.

Custody and Application of Bond Proceeds

Each Series Resolution authorizing the issuance of a Series of Bonds is required to specify the purposes for which the proceeds of such Series of Bonds may be used and to provide for the disposition of the proceeds thereof. Purposes for which Bonds may be issued are (a) the making of Mortgage Loans, (b) the financing of Mortgage Loans

previously made from the proceeds of Notes, moneys in the Housing Investment Fund or moneys otherwise available to the Agency for purposes of making Mortgage Loans, (c) the refunding of Outstanding Bonds, and (d) incident to these purposes, the deposit of amounts determined by or pursuant to the Bond Resolution to be credited and paid into the Funds and Accounts referred to in the Bond Resolution.

Note Accounts. Money in any Note Account shall be held by the Trustee and applied as directed by the applicable Series Resolution to the payment of Notes upon receipt of an Officer's Certificate identifying them by title, date of issuance and maturity or redemption, interest rate and the person to whom payment is to be made and the amount thereof. All interest and other income received from the deposit and investment of money in the Note Account pending application to the payment of Notes, unless otherwise directed by the applicable Series Resolution, shall be transferred as received to the Revenue Fund. Upon receipt of evidence satisfactory to the Trustee that such Notes have been paid and canceled, the Trustee shall transfer any balance remaining in the Note Account to the appropriate Project Account.

Project Account and Mortgage Loan Accounts. Money in each Project Account and Mortgage Loan Account shall be held by the Trustee or a Depository as directed by an Officer's Certificate. The Trustee shall create specific Mortgage Loan Accounts within the Project Account to finance specific Developments and the Trustee shall from time to time pay out or permit the designated Depository to pay out money in any Mortgage Loan Account held for the purpose of making a Mortgage Loan, upon receipt by the Trustee (or by the Depository with a copy to the Trustee) of an Officer's Certificate as to each payment or withdrawal, stating:

(i) the name of the Mortgagor to, and Development for, which the payment is to be made;

(ii) the amount to be paid; and

(iii) that this amount, together with all prior withdrawals from said Mortgage Loan Account and all prior advances made by the Agency to the Mortgagor on account of the Mortgage Loan, will not exceed in the aggregate the authorized amount of the Mortgage Loan.

All interest and other income from time to time received from the deposit and investment of money in the Project Account or any Mortgage Loan Accounts shall be transferred as received to the Trustee for deposit in the Revenue Fund.

Promptly upon the fulfilling of its commitment to make a Mortgage Loan to a Mortgagor, or upon revocation of the commitment before any substantial disbursement of funds thereunder, the Agency will deliver to the Depository and the Trustee an Officer's Certificate stating such fact and the amount of money, if any, remaining in the applicable Mortgage Loan Account, and directing this amount to be transferred by the Depository to the Trustee and deposited by the Trustee in a designated Project Account or in one or more designated Mortgage Loan Accounts or the Redemption Fund.

Mortgage Provisions and Conditions

Each Mortgage Loan financed from the proceeds of Bonds or of Notes paid from the proceeds of Bonds or from amounts made available from the Redemption Fund, and the Mortgage securing it, shall conform to the following terms, conditions, provisions and limitations as well as those stated in "Program Covenants" herein, except to the extent, if any, that a variance therefrom is required by an agency or instrumentality of the United States guaranteeing, insuring, or otherwise assisting in the payment of the Mortgage Loans. In addition, the Agency may, solely from Excess Revenues under the Bond Resolution which could otherwise be withdrawn therefrom pursuant to Section 404(5) thereof, make Subordinate Mortgage Loans with respect to a Development upon such terms and conditions as the Agency may deem appropriate, and without regard to the following provisions.

Lien. With respect to each Mortgage Loan, the Mortgage and complementary financing statements and other necessary documents shall be executed, recorded and filed in accordance with the requirements of existing laws, so as to create and constitute a valid first mortgage lien on the real property or leasehold interest in real property of the Mortgagor which is the site of the Development and improvements thereon for which the Mortgage Loan is made, and a valid security interest in all personal property acquired with proceeds of the Mortgage Loan and attached to or used in the operation of the Development.

Title. Before the disbursement of Bond proceeds to make the Mortgage Loan or to pay Notes the proceeds of which were used to make it, the Mortgagor shall have acquired marketable title in fee simple to the site of the Development, or a leasehold interest therein sufficient as the subject of a Mortgage as defined in Section 103 of the Bond Resolution, subject only to liens and encumbrances which in the reasonable judgment of the Agency do not materially affect its value or usefulness for the intended use; and there shall be deposited with the Trustee, or with an agent (which may be the Agency) authorized by the Trustee to receive on its behalf and transmit to the Trustee, (i) the Mortgage; (ii) the note evidencing the Mortgage Loan; (iii) an acceptable title opinion or title insurance policy; and (iv) originals or photocopies of all other agreements and certificates of the Mortgagor relating to the Development.

Participation. The Agency may participate with another party or parties in the making of a Mortgage Loan for various purposes as set forth in the Resolution, if its mortgage lien and security interests, in proportion to its participation, is on a parity with or superior to that of all other parties, but the interest rate and time and rate of amortization of that part of the Mortgage Loan made by the Agency and that made by others need not be equal. The Agency may make an additional Mortgage Loan in certain circumstances on a parity of lien with the Mortgage then held by the Agency or subordinate thereto (but not junior or subordinate to a mortgage held by any other party unless permitted by the Resolution).

Prepayments. With respect to each Mortgage Loan, the Mortgage shall not permit a Prepayment of the Mortgage Loan without the consent of an Authorized Officer of the Agency, unless required by an agency of the United States as contemplated in this section; but the Agency may undertake in the Mortgage to give its consent if the following conditions with respect to Prepayment exist:

(a) the amount to be paid prior to satisfaction of the Mortgage equals, as of the date of the Prepayment:

(i) the unpaid principal balance of the Mortgage Loan: plus

(ii) accrued interest to the date of the Prepayment; plus

(iii) unless waived or modified by the Agency, a prepayment penalty calculated in accordance with the terms of the Mortgage; and

(b) an Authorized Officer determines that after such Prepayment (whether total or partial), the Agency will remain in compliance with its Revenue Covenant.

The Agency may consent to the Prepayment of any Subordinate Mortgage Loan upon such terms as it, in its sole discretion, deems appropriate.

Insurance and Escrow. With respect to each Mortgage Loan, the Mortgage or an accompanying document shall require the Mortgagor:

(a) to procure and maintain fire and extended coverage insurance on the Development in amount as determined by the Agency, payable to the Agency as its interest may appear;

(b) to pay all taxes, special assessments and other lawful governmental charges with respect to the Development before they become delinquent, and all claims for work done and materials furnished with respect thereto before they are filed as liens on the Development, except during any period for which payment of part or all thereof may be deferred, with the written consent of and upon such terms as are specified by an Authorized Officer, for the purpose of contesting the same; and

(c) to make monthly Escrow Payments to the Agency or a Servicer or a Depository sufficient to accumulate funds for taxes and other governmental charges and insurance premiums.

Disbursements. Before the disbursements of a Mortgage Loan from Bond proceeds the Mortgagor shall have completed the Development and paid all costs thereof in a manner approved by an Authorized Officer, or shall have:

(a) obtained all governmental approvals required by law for the acquisition and construction of the Development;

(b) obtained written approval by an Authorized Officer of final plans and specifications for the Development and provided, if required, assurance and documentation of a nature and in an amount sufficient in the opinion of an Authorized Officer, securing performance of the work in accordance therewith, provided that no disbursement of construction costs shall be made until such approval is given and such assurance furnished;

(c) deposited with the Trustee or a Depository cash or an irrevocable letter of credit or other valuable consideration satisfactory to an Authorized Officer, in any amount by which the cost of the Development as estimated by the Agency exceeds the authorized amount of the Mortgage Loan.

The Agency may impose additional disbursement requirements, or modify the foregoing requirements, to the extent required to comply with the rules, regulations or procedures of any agency or instrumentality of the United States guaranteeing, insuring or otherwise participating in the making of a Mortgage Loan or the repayment thereof.

Alienation. Except as provided below, with respect to each Mortgage Loan, the Mortgage shall not permit the sale, lease or encumbrance of the Development without the written consent of the Agency, by its Authorized Officer, which consent may be given (but need not be given) only in the cases of:

(a) receipt of full Prepayment conforming to the requirements stated below;

(b) grant of easements, licenses or rights-of-way over, under or upon the site of the Development which, in the opinion of the Officer, do not destroy or diminish its usefulness for the purpose intended;

(c) lease of the Development or a part thereof to a third party for the purpose of operation, provided that such lease is permitted by law and is subject to all of the terms, provisions and limitations of the Mortgage;

(d) sale or exchange of any improved or unimproved land which in the opinion of an Authorized Officer is not needed for the efficient operation of the Development, provided that an appraisal acceptable to the Agency is received showing that the Development, subsequent to such release, has an appraised value not less than 110% of the outstanding principal balance of the Mortgage;

(e) sale to another eligible Mortgagor approved by resolution of the Agency, who assumes all obligations of the original Mortgagor under the Mortgage and accompanying documents; in which case the Agency may release the original Mortgagor unless otherwise provided in the Mortgage;

(f) grant of a parity mortgage lien on the Development or a portion thereof if such parity mortgage lien is given to secure financing for the expansion, improvement or renovation of the Development or portion thereof; or

(g) grant of a subordinate mortgage lien on the Development or a portion thereof.

Enforcement. The Agency shall diligently enforce, and take all reasonable steps, actions and proceeding necessary for the enforcement, of all terms, covenants and conditions of Mortgages securing Mortgage Loans made by the Agency, including the prompt collection of Mortgage repayments and fees and charges and other Revenues.

Whenever it shall be necessary in order to protect and enforce the rights of the Agency under a Mortgage securing a Mortgage Loan and to protect and enforce the rights and interests of Bondholders under the Bond Resolution, the Agency shall commence foreclosure proceedings against each Mortgagor in default under the provisions of a Mortgage, shall bid for and purchase the Development covered by such Mortgage at the foreclosure or other sale thereof and shall acquire and take possession of such Development.

Upon foreclosure of a Mortgage securing a Mortgage Loan, or upon acquisition of the Development in lieu of foreclosure of a Mortgage in default, and so long as the Agency shall have title to or be in possession of the Development, the Agency shall, as the case may be, construct, operate and administer such Development in the place and stead of the Mortgagor in such manner as the Agency reasonably determines is in the best interests of the Bondholders. In so doing, the Agency, to the extent it may have money available for such purpose, including any

money on deposit in the Mortgage Loan Account relating to the Development, may complete the construction and development thereof if not already completed in such manner as the Agency reasonably determines is in the best interests of the Bondholders. From money provided by the Agency from the ownership and operation of the Development, to the extent such money is sufficient for the following purposes, the Agency shall first pay or make provision for payment of the costs and expenses of taxes, insurance, foreclosure fees, including appraisal and legal fees and similar expenses required to preserve or acquire unencumbered title to the Development, and after providing currently for these expenses shall pay the cost and expenses of operating the Development, including the repayments which the Mortgagor was obligated to pay pursuant to the terms and provisions of the Mortgage. The Trustee or other Depository of the Mortgage Loan Account established with respect to any Development foreclosed or otherwise acquired by the Agency prior to its completion shall be authorized to pay to the Agency upon its requisition any amount on deposit in the Mortgage Loan Account, upon receipt of an Officer's Certificate that such amount is required to pay an item that would have been included in the cost of the Development had the Agency not acquired the same. If the Agency determines that completion of the Development is not in the best interests of the Bondholders, the remaining funds in any such Mortgage Loan Account shall be disposed of in the same manner as set forth in the Bond Resolution for funds remaining in a Mortgage Loan Account upon completion of a Development or cancellation of a commitment to make a Mortgage Loan for a Development.

Upon or after foreclosure of a Development under a Mortgage securing a Mortgage Loan, or acquisition thereof from the Mortgagor in lieu of foreclosure:

(a) the Agency may resell the Development to an eligible Mortgagor and make a Mortgage Loan with respect thereto as if such eligible Mortgagor were the original Mortgagor, subject to all of the terms, provisions, conditions and limitations contained in this section and "Program Covenants" below; or the Agency may sell the Development to a party other than an eligible Mortgagor;

(b) the Agency shall not resell the Development for a price less than its fair market value as reasonably determined by the Agency through a solicitation of bids for the purchase of the Development or by an appraiser or other real estate consultant selected by the Agency and acceptable to the Trustee;

(c) subsequent to such sale the Agency must remain in compliance with its Revenue Covenant under the Bond Resolution; and

(d) all proceeds from the sale of any Development shall be considered a Recovery Payment and shall be deposited in the Suspense Account in the Redemption Fund.

The foregoing provisions regarding foreclosure of mortgages shall not apply to Mortgages securing Subordinate Mortgage Loans, and the Agency may proceed to protect and enforce the rights of the Agency under a Mortgage securing a Subordinate Mortgage Loan in such manner as the Agency, in its sole discretion, deems appropriate.

Modification. Except as otherwise permitted by the terms of the Bond Resolution, the Agency shall not consent to the modification of the security for or any terms or provisions of any Mortgage Loan or the Mortgage securing the same in a manner materially detrimental to Bondholders. No reduction in the interest rate or schedule of payments will be made which would result in a failure by the Agency to comply with its Revenue Covenant. Notwithstanding the foregoing, the Agency may consent to the modification of the terms of any Subordinate Mortgage Loan or Mortgage securing such loan in any manner and to any extent the Agency, in its sole discretion, deems appropriate.

Sale. The Agency may sell any Mortgage or other obligation securing a Mortgage Loan provided that after such sale an Authorized Officer determines the Agency will remain in compliance with its Revenue Covenant. The Agency may sell any Mortgage or other obligation securing a Subordinate Mortgage Loan upon such terms and conditions as the Agency, in its sole discretion, deems appropriate.

Program Covenants—Revenue Covenant

The Agency shall from time to time, with all practical dispatch and in a sound economical manner consistent in all respects with the Act as then amended and in effect and with the provisions of the Bond Resolution, use and

apply the proceeds of the Bonds, to the extent not required by the Bond Resolution for other Program purposes, to make Mortgage Loans pursuant to the Act and the Bond Resolution, and shall do all such acts and things as are necessary to receive and collect Revenues, Prepayments, Recovery Payments and Escrow Payments, consistent with sound practices and principles, and shall diligently enforce and take all steps, actions and proceedings reasonably necessary in the judgment of the Agency for the enforcement of all terms, covenants and conditions of the Mortgage Loans. The Agency shall also take all steps, actions and proceedings reasonably necessary in the judgment of the Agency for the enforcement of all terms, covenants and conditions of Subordinate Mortgage Loans.

There shall at all times be scheduled payments of principal and interest on Mortgage Loans pledged under the Bond Resolution which, when added to any other legally enforceable payments on Mortgage Loans or with respect to the Bond Resolution (including Counterparty Hedge Payments), and interest and other income estimated by the Agency to be derived from the investment or deposit of money available therefor in any Fund or Account created by the Bond Resolution, will be sufficient to pay the Principal Installments of and interest on all Outstanding Bonds (excluding from such calculations all amounts scheduled to be received pursuant to the provisions of Subordinate Mortgage Loans). In making a determination as of any date that the Agency is in compliance with this covenant, the Agency may make assumptions as to future events (including, as applicable, assumptions as to the amounts of Agency Hedge Payments and Counterparty Hedge Payments and the amount of interest payable on Variable Rate Bonds), which assumptions shall be based upon the Agency's reasonable expectations as of the date of such determination.

The Agency reserves the right:

(a) at the time of issuance of any Series of Bonds for the purpose of repaying notes or Bonds the proceeds of which were used to make a Mortgage Loan, to consent to a reduction of the interest on that Mortgage Loan, provided that the Agency will then be in compliance with the preceding paragraph;

(b) at any time, to forgive a portion of the interest on a Mortgage Loan by consenting to the establishment of scheduled payments of principal and interest lower than those required to amortize the Mortgage Loan during its then remaining term at the agreed interest rate, provided that (i) the scheduled payments of principal and interest on all Mortgage Loans, giving effect to that and all similar reductions then in effect, will in the aggregate be sufficient to comply with the preceding paragraph, and (ii) if it is subsequently determined by an Authorized Officer that such aggregate scheduled principal and interest payments will or may be insufficient for such compliance, such forgiveness may be terminated in whole or in part with respect to subsequent payments on that Mortgage Loan; and

(c) to consent to any modifications to a Subordinate Mortgage Loan, including forgiving all or a portion of principal thereof or interest thereon, as the Agency may determine in its sole discretion. The Agency reserves the right to withdraw any amount from its General Reserve Account and deposit it in the Bond Fund in payment and satisfaction of a corresponding amount of the scheduled principal or interest payments on any Mortgage Loan. The Agency shall be entitled to recover from the Mortgagor any amounts so advanced, together with interest thereon at the rate payable on the Mortgage Loan, or to enforce its right to such recovery under the Mortgage, but only after all other defaults thereunder have been cured.

Deposit of Revenues and Other Money

The Agency will collect and deposit or will require a Servicer to collect and deposit with the Trustee or a Depository, on the date of receipt so far as practicable, all Revenues, Prepayments, Recovery Payments and Escrow Payments receivable from Mortgagors, and will forward or require the Depository to forward promptly to the Trustee statements of each amount deposited except Escrow Payments. The Trustee shall be accountable only for moneys actually so deposited, other than Escrow Payments. All moneys so deposited shall be apportioned by the Agency or Servicer and paid into and credited on the books of the Depository and the Trustee as follows:

(a) Revenues to the Revenue Fund:

(b) Prepayments and Recovery Payments to the Redemption Fund; and

(c) Each Escrow Payment to an Escrow Account separately held by the Depository or the Agency.

Revenue Fund

As of the first and on or before the tenth day of each month after the first delivery of Bonds, on any Interest Payment Date or on any date as further provided in clause (d) below, from any moneys in the Revenue Fund then held by the Trustee and Depositories, the Trustee shall withdraw and pay into each of the following Funds the amount indicated in the following tabulation, or so much thereof as remains after first crediting to each Fund preceding it in the tabulation the full amount indicated for that Fund:

(a) to the Bond Fund (and such separate Accounts therein as may be designated by one or more Series Resolutions), the amount needed to increase the aggregate balance therein to the Bond Requirement;

(b) to the Debt Service Reserve Fund (and such separate Accounts therein as may be designated by one or more Series Resolutions), the amount needed to increase the aggregate balance therein to the Debt Service Reserve Requirement;

(c) to an Account in the Revenue Fund held by the Trustee at its Principal Office, the additional amount needed to make each of the payments which will be required under the foregoing clauses (a) and (b) to be made as of the first day of the following month:

(d) if payment of interest and Principal Installments, if any, then or theretofore due on all Outstanding Bonds has been made in full and the amounts on deposit in all Funds and Accounts referred to in clauses (a) to (c) equal or exceed the Requirements applicable thereto, to the Expense Fund, the amount then required to increase the balance therein to the Expense Requirement (provided that the Agency may elect to receive the Expense Requirement from time to time by payment directly from the Revenue Fund upon providing the Trustee with an Officer's Certificate as provided in the Bond Resolution); and

(e) when authorized by an Officer's Certificate, the Trustee may credit Revenues to the Bond Fund (and such separate Accounts therein as may be designated by one or more Series Resolutions) upon receipt, up to the amount of the current Bond Requirement, and in excess of that requirement if the current Debt Service Reserve and Expense Requirements, if any, have been met.

In the event that on any Interest Payment Date, after payment of all interest and Principal Installments then due, the amounts in all Funds and Accounts referred to in clauses (a) to (d) equal or exceed the Requirements applicable thereto, any amount then on hand in the Revenue Fund and any Revenues thereafter received in excess of the current requirements of all of said Funds and Accounts may be transferred to the Agency's General Reserve Account, and shall be so transferred upon request in writing by an Authorized Officer; provided that no such transfer shall be made unless, after giving effect to such transfer, total assets of the Bond Resolution shall exceed total liabilities, determined in accordance with generally accepted accounting principles and evidenced by an Officer's Certificate.

The Agency reserves the right, in its sole and absolute discretion, to deliver to the Trustee from time to time funds not constituting Revenues or otherwise subject to the pledge of the Bond Resolution and an Officer's Certificate directing the Trustee to credit such funds to one or more Funds or Accounts hereunder, and the Trustee is authorized to credit such funds in accordance with the directions of the Officer's Certificate and such funds shall thereupon become subject to the lien and provisions of the Bond Resolution, as applicable.

Bond Fund

(a) The Trustee shall withdraw from the Bond Fund, prior to each Interest Payment Date an amount equal to the unpaid interest due on the Outstanding Bonds on or before that date, and shall cause it to be applied to the payment of said interest when due, or shall transmit it to one or more Paying Agents who shall apply it to such payment as provided in Series Resolutions.

(b) If the withdrawals required under (a) above on the same and every prior date have been made, the Trustee shall withdraw from the Bond Fund, prior to each Principal Installment Date and Sinking Fund Installment Date, an amount equal to the principal amount or Accreted Value of the outstanding Bonds, if any, maturing or subject to mandatory redemption on or before that date and shall cause it to be applied to the payment of the principal or Accreted Value of said Bonds when due or transmit it to Paying Agents who shall apply it to such payment.

(c) Each withdrawal from the Bond Fund under (a) and (b) above shall be made not earlier than five (5) days prior to the Interest Payment or Principal Installment Date or Sinking Fund Installment Date to which it relates, and the amount so withdrawn shall be deemed to be part of the Bond Fund until the Interest Payment Date or Principal Installment Date or Sinking Fund Installment Date.

(d) The Trustee shall apply money in the Bond Fund to the purchase or the redemption of Outstanding Term Bonds subject to mandatory redemption in the manner provided in this paragraph and Section 702 of the Bond Resolution, provided that no such Bond shall be purchased during the period of thirty (30) days next preceding the Date of a Sinking Fund Installment established for such Bonds. The price paid by the Trustee (excluding accrued interest but including any brokerage and other charges) for any Bond purchased pursuant to this paragraph shall not exceed the Redemption Price applicable on the next date on which such Bond could be redeemed in accordance with its terms as part of a Sinking Fund Installment. Subject to the limitations set forth and referred to in this paragraph, the Trustee shall purchase Bonds at such times, for such prices, in such amounts and in such manner (whether after advertisement for tenders or otherwise) as the Agency may determine in an Officer's Certificate furnished to the Trustee.

(e) As soon as practicable after the forty-fifth and before the thirtieth day prior to the Date of each Sinking Fund Installment, unless a different notice period is required by the applicable Series Resolution, the Trustee shall call for redemption on that date the principal amount or Accreted Value of the remaining Bonds entitled to said Installment, and on that date the Trustee shall apply the money in the Bond Fund to the payment of the Redemption Price of the Bonds so called for redemption.

(f) If, on any Interest Payment Date for Bonds that are subject to a Hedge Agreement, payment of interest and Principal Installments, if any, then or theretofore due on all Outstanding Bonds has been made in full and the amounts on deposit in all Funds and Accounts referred to in clauses (a) to (c) under the heading "Revenue Fund" equal or exceed the Requirements applicable thereto, then any amounts on hand in the Bond Fund in excess of the Bond Requirement on such date shall be transferred to the Expense Fund upon the written request of an Authorized Officer if required to increase the balance therein to the Expense Requirement in respect of Agency Hedge Payments and credit or liquidity support or remarketing fees then owing.

(g) No amount is to be withdrawn or transferred from or paid out of the Bond Fund except as described in this Section.

Debt Service Reserve Fund

(a) If at any time there is not a sufficient amount in the Bond Fund to provide for the payment when due of Principal Installments of and interest on the Outstanding Bonds, the Trustee shall withdraw from the Debt Service Reserve Fund and pay into the Bond Fund the amount of the deficiency then remaining. The Trustee shall notify the Agency in writing ten (10) days prior to any such withdrawal from the Debt Service Reserve Fund.

(b) In addition to the payments made into the Debt Service Reserve Fund pursuant to Section 404 of the Bond Resolution or otherwise, the Agency shall deposit in the Debt Service Reserve Fund any money appropriated and paid to the Agency by the State pursuant to the Act for the purpose of restoring the Debt Service Reserve Fund to the Debt Service Reserve Requirement.

(c) If as of the first day of any month the amount in the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement, the Trustee within ten (10) days thereafter shall withdraw any amount therein in excess of the Debt Service Reserve Requirement, and pay the same into the Revenue Fund.

(d) The Agency shall at all times maintain the Debt Service Reserve Fund and will do and perform or cause to be done and performed each and every act and thing with respect to the Debt Service Reserve Fund provided to be done or performed by or on behalf of the Agency or the Trustee under the terms and provisions of Article IV of the Bond Resolution and of the Act.

(e) In order to better secure the Bonds and to make them more marketable and to maintain in the Debt Service Reserve Fund an amount equal to the Debt Service Reserve Requirement, and in accordance

with the provisions of Section 22, Subdivision 8 of the Act, the Agency shall cause the Chairperson, annually, on or before December 1 of each year, to make and deliver to the Governor of the State a certificate stating (a) the amount, if any, that is necessary to restore the Debt Service Reserve Fund to an amount equal to the Debt Service Reserve Requirement (but not exceeding the maximum amount of principal and interest to become due and payable in any subsequent year on all Bonds and Notes which are then Outstanding and secured by the Debt Service Reserve Fund) and (b) the amount, if any, determined by the Agency to be needed in the then immediately ensuing fiscal year, with other funds pledged and estimated to be received into the Revenue Fund during that year, for the payment of the principal and interest due and payable in that year on all then Outstanding Bonds and Notes secured by the Debt Service Reserve Fund. All moneys received by the Agency from the State in accordance with the provisions of Section 22, Subdivision 8 of the Act pursuant to any such certification shall be paid to the Trustee for deposit in and credit to the Debt Service Reserve Fund or Revenue Fund, as provided in the Bond Resolution.

(f) No amount is to be withdrawn from or paid out of the Debt Service Reserve Fund except as described in this Section.

Expense Fund

(a) Money deposited in the Expense Fund, if any, shall be disbursed for the payment of continuing expenses of the Program (including operating and maintenance expenses of Developments in the possession of the Agency), any Agency Hedge Payments owing from time to time to a Hedge Counterparty pursuant to a Hedge Agreement and any fees or expenses owing from time to time to a person or entity providing credit or liquidity support or remarketing services in respect of any Bonds upon receipt of an Officer's Certificate stating the name of the party to be paid, the amount to be paid and the purpose of the payment.

(b) Income received or other money held in the Expense Fund in excess of the Expense Requirement shall be credited by the Trustee to the Revenue Fund.

(c) No amount is to be withdrawn, transferred or paid out of the Expense Fund except as described in this Section.

Redemption Fund

(a) The Trustee shall establish a Suspense Account in the Redemption Fund, to which it shall credit all Prepayments and Recovery Payments, and all surplus amounts transferred from Mortgage Loan Accounts under Section 307(G) of the Bond Resolution; each of which shall be used and applied as directed by an Officer's Certificate, either (i) to provide additional funds to a Mortgage Loan Account for an increase in the amount of a Mortgage Loan authorized by the Agency, or (ii) for the establishment of one or more Mortgage Loan Accounts for new Mortgage Loans made by the Agency, or (iii) for the purchase or redemption of Outstanding Bonds, or (iv) if no Bonds of a Series are Outstanding and Prepayments have been received from one or more Mortgage Loans financed by Bonds of the Series, any such remaining Prepayments, for the payment of any Agency Hedge Payments under, or any amounts payable by the Agency upon early termination of, a Hedge Agreement relating to such Series of Bonds; provided that as of the first day of each month while any Prepayment or Recovery Payment is held in the Suspense Account, the Trustee shall transfer from that Account to the Bond Fund the scheduled monthly payment of principal of the Mortgage Loan with respect to which the Prepayment or Recovery Payment was received, less the amount of any payment of principal actually received with respect to such Mortgage Loan, if such transfer is required in order to meet the Bond Requirement.

(b) By Officer's Certificate the Agency may authorize the increase of any Mortgage Loan or the making of a new Mortgage Loan as contemplated above, and for that purpose may appropriate any money at the time available in or transferred to the Redemption Fund in accordance with the provisions of Article IV of the Bond Resolution to one or more designated Mortgage Loan Accounts for disbursement pursuant to Section 307 of the Bond Resolution. Upon the filing with the Trustee of the Officer's Certificate, the Trustee shall withdraw from the Redemption Fund and deposit the amount authorized in each Mortgage Loan Account designated in the Certificate.

(c) Upon receipt of the Officer's Certificate referred to in Section 702 of the Bond Resolution, the Trustee shall apply money in the Redemption Fund not otherwise applied in accordance with paragraphs (a) and (b) above to the purchase of Bonds designated in the Certificate at the most advantageous price obtainable with due diligence. Bonds not so purchased may be redeemed at a Redemption Price determined by Series Resolution at the time and in the manner provided in Article VII of the Bond Resolution. Bonds shall not be purchased pursuant to this paragraph during the period of forty-five (45) days next preceding a redemption date from money to be applied to the redemption of Bonds on such date.

(d) Notwithstanding the foregoing, any Prepayment or Recovery Payment received with respect to a Subordinate Mortgage Loan may be used and applied, as directed by an Officer's Certificate, in such manner as the Agency, in its sole discretion, may determine.

(e) Income from the investment of the Redemption Fund shall be credited as received to the Revenue Fund.

(f) No amount is to be withdrawn or transferred from or paid out of the Redemption Fund except as described above.

Escrow Accounts

Escrow Payments received by the Agency or a Servicer, whether separately or as part of some other payment, shall be deposited in an Escrow Account and shall be promptly applied by the Agency or Servicer to the purpose for which such payments were received, and any such payments received by the Trustee or a Depository, whether separately or as part of some other payment, shall immediately be paid to the Agency and applied by the Agency to the purpose for which they were received.

General Reserve Account

All amounts authorized in Article IV of the Bond Resolution to be withdrawn from the Revenue Fund and deposited in the General Reserve Account of the Agency shall be free and clear of any lien or pledge created by the Bond Resolution and may be used for any purpose authorized by the Act, subject to the provisions of Section 102, clauses (6) and (7) of the Bond Resolution.

Investment and Deposit of Funds

(a) Subject to instructions from time to time received from an Authorized Officer (which need not be in writing), and with the objective of assuring the maximum yield reasonably possible on money held in each Fund, each Fiduciary shall keep all money held by it invested and reinvested, as continuously as reasonably possible, in Investment Obligations defined in Section 103 of the Bond Resolution (including interest-bearing time deposits and certificates of deposit). All Investment Obligations shall mature or be redeemable (at the option of the holder) and bear interest payable at the times and in the amounts estimated to be necessary to provide funds for Mortgage Loan disbursements and for the payment of the principal and Accreted Value of and interest and premium, if any, on Bonds when due or when scheduled for redemption pursuant to applicable Series Resolutions. The maturity date of a security purchased under a repurchase agreement shall be deemed to be the agreed repurchase date. The maturity date of a time deposit or certificate of deposit shall be deemed to be any date on which, with such notice as may be required, the deposit may be withdrawn without loss of interest.

(b) Money in separate Funds may be commingled for the purpose of investment or deposit, subject to instructions from an Authorized Officer, to the extent possible in conformity with the provisions of paragraph (a) of this Section. Moneys in separate funds or series accounts may be invested in common trust funds or pools of which such money forms a part pursuant to the terms of which each Fund or series account is allocated a share of a pooled security proportionate to the amount contributed to the purchase price of the pooled security, subject to the provisions of paragraph (a) of this Section and to the restrictions on Investment Obligations imposed by each Series Resolution. Investments shall be sold at the best price obtainable, and amounts held in certificates of deposit or time deposits shall be withdrawn, whenever necessary in order to make any disbursement or repurchase of Mortgage Loans, payment of expenses of debt

service. Investment Obligations need not be disposed of to make required transfers from one Fund or Account to another, but one or more Investment Obligations or portions thereof may be transferred in lieu of cash.

(c) Subject to approval by an Authorized Officer, the Trustee or another Fiduciary may apply money pertaining to any Fund or Account created by or pursuant to the Bond Resolution to the purchase of Investment Obligations owned by it or its individual capacity, and may sell to itself in its individual capacity Investment Obligations held by it in any such Fund or Account as such Fiduciary.

Additional Bonds

The Bond Resolution provides that after authorization by a Series Resolution and compliance with such requirements as are set forth therein, Bonds of any Series may be delivered upon the following, among other, conditions:

The Agency shall furnish to the Trustee:

(a) copies of the Bond Resolution and the applicable Series Resolution, certified by an Authorized Officer;

(b) a Counsel's Opinion that:

(i) the Bond Resolution and the applicable Series Resolution have been duly adopted by the Agency and are valid and binding upon it and enforceable in accordance with their terms;

(ii) the Bond Resolution creates the valid pledge which it purports to create; and

(iii) the principal amount of the Bonds to be issued and other obligations theretofore issued by the Agency does not exceed any legal limitation;

(c) an Officer's Certificate stating:

(i) the amounts to be deposited in all Funds and Accounts;

(ii) that the issuance of the Bonds will have no material adverse effect on the ability of the Agency to pay the Principal Installments of and interest on all Bonds (including the Outstanding Bonds and the Bonds then to be issued);

(iii) that after such issuance there will be scheduled payments of principal and interest on Mortgage Loans then held by the Agency or to be made or purchased by the Agency from the proceeds of such Series of Bonds (or from the proceeds of Notes paid or to be paid from the proceeds of the Bonds) which, with any other legally enforceable payments with respect to such Mortgage Loans or with respect to the Bond Resolution (including Counterparty Hedge Payments), and with interest or other income estimated by the Agency to be derived from the investment or deposit of money available therefor in all Funds and Accounts created by the Bond Resolution, will be sufficient to pay the Principal Installments of and interest on the Bonds then Outstanding and the additional Series of Bonds on their Principal Installment and Interest Payment Dates (excluding from such calculations the amounts to be received by the Agency pursuant to any Subordinate Mortgage Loans); provided that, in making such statement the Authorized Officer may set forth the assumptions upon which the statement is based (including, without limitation, assumptions as to the amounts of Agency Hedge Payments and Counterparty Hedge Payments and the amount of interest payable on Variable Rate Bonds), which assumptions shall be based upon the Agency's reasonable expectations as of the date of such Officer's Certificate; and

(iv) that the balance in the Debt Service Reserve Fund immediately prior to the issuance of such Bonds is not less than the Debt Service Reserve Requirement computed with reference to the Outstanding Bonds (except Outstanding Bonds which are to be refunded by the additional Bonds); and

(d) if the Bonds to be issued are Variable Rate Bonds or are the subject of a Hedge Agreement, written confirmation from each Rating Agency that the issuance of such Bonds will not impair the Rating on any Bonds then Outstanding.

The Trustee shall determine and certify:

(a) that it is has received the documents listed above; and

(b) that the amount of Bond proceeds or other funds of the Agency to be deposited in the Debt Service Reserve Fund is sufficient to increase the amount in the Fund to the Debt Service Reserve Requirement effective after the issuance of the Bonds, as computed by the Trustee.

Hedge Agreements

The Agency may from time to time enter into one or more Hedge Agreements with respect to any Series of Bonds outstanding or proposed to be issued on the terms and conditions and subject to the limitations set forth in this section and elsewhere in the Bond Resolution. The Agency shall not enter into a Hedge Agreement unless (1) as of the date the Agency enters into the Hedge Agreement, either the Hedge Counterparty or the person or entity executing a Hedge Counterparty Guarantee relating thereto has outstanding unsecured long-term debt obligations rated by, or other applicable rating given by, as high as or higher than the Rating on the Outstanding Bonds; and (2) if the Hedge Agreement relates to Outstanding Bonds, the Trustee receives written confirmation from each Rating Agency that the execution and delivery of the Hedge Agreement by the Agency will not impair the Rating on any Bonds then Outstanding. To secure its obligation to make Agency Hedge Payments to a Hedge Counterparty pursuant to a Hedge Agreement, the Agency may grant to the Hedge Counterparty a subordinate and junior pledge and security interest (subordinate and junior to the pledge and security interest granted to the Bondholders) in all or any of the Revenues, Prepayments, Recovery Payments or any other moneys, securities, Funds or Accounts hereunder; provided, however, that the payment of Agency Hedge Payments shall not be secured by the Debt Service Reserve Fund. Nothing in this Section 205 is intended to prohibit the Agency from securing any payments it is obligated to make in respect of the early termination of a Hedge Agreement by the full faith and credit of the Agency, by amounts to be transferred to the General Reserve Account pursuant to the last sentence of the first paragraph under the heading "Revenue Fund" or by other moneys, assets or revenues of the Agency not pledged to the payment of Outstanding Bonds under the Bond Resolution.

Amendments of the Bond Resolution

Amendments of or supplements to the Bond Resolution may be made by a Supplemental Bond Resolution (a "Supplemental Resolution").

Supplemental Resolutions may become effective upon filing with the Trustee if they add restrictions on the Agency, add covenants by the Agency, surrender privileges of the Agency, authorize additional Bonds and fix the terms thereof or affect only Bonds not yet issued.

Supplemental Resolutions become effective upon consent of the Trustee if they concern only curing or clarifying an ambiguity, omission, defect or inconsistency, or make any other change which, in the judgment of the Trustee, is not prejudicial to the Trustee and which does not adversely affect the interests of Bondholders. Other Supplemental Resolutions become effective only with consent of the Holders of at least a majority in principal amount and Accreted Value of the Outstanding Bonds affected thereby.

However, no amendment shall permit a change in the terms of redemption or maturity of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Accreted Value thereof or the Redemption Price thereof or the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentage of the Holders the consent of which is required to effect any such amendment, without unanimous consent of the Bondholders.

Any amendment may be made with unanimous consent of the Bondholders, except that no amendment shall change any of the rights or obligations of any Fiduciary without the consent of the Fiduciary.

Defeasance

If the Agency shall pay or cause to be paid to the Holders of the Bonds, the principal, Accreted Value and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in the Bond Resolution, then, unless there shall be an Officer's Certificate delivered to the Trustee to the contrary, the pledge of the Revenues, Prepayments, Recovery Payments and other moneys, securities and funds pledged by the Bond Resolution and the covenants, agreements and other obligations of the Agency to the Bondholders thereunder shall be discharged and satisfied.

Bonds and interest thereon for the payment or redemption of which moneys shall have been deposited with the Trustee shall be deemed to have been paid, provided that, if any of such Bonds are to be redeemed prior to the maturity thereof, provision satisfactory to the Trustee shall have been made for the giving of notice of redemption thereof. Moneys so held by the Trustee shall be invested by the Trustee, as directed by the Agency, in Investment Obligations which are direct obligations of the United States or guaranteed by the United States. If the maturing principal of such Investment Obligations and the interest to fall due thereon at least equal the amount of money required for the payment on any future date of the interest on and principal of or Redemption Price on such Bonds, the Bonds shall be deemed to have been paid.

Events of Default

Each of the following shall constitute an event of default under the Bond Resolution: (a) interest on any of the Bonds is not paid on any date when due, or the principal, Accreted Value or Redemption Price of any of the Bonds is not paid at maturity or at a Redemption Date at which the Bonds have been called for redemption; (b) Bonds subject to redemption by operation of Sinking Fund Installments shall not have been redeemed and paid in the amount required in the applicable Series Resolution on any date; (c) a default shall be made in the observance or performance of any covenant, contract or other provision in the Bonds, the Bond Resolution, or applicable Series Resolution contained and such default shall continue for a period of ninety (90) days after written notice to the Agency from a Bondholder or from the Trustee specifying such default and requiring the same to be remedied; or (d) certain acts of bankruptcy, insolvency or reorganization by the Agency.

Remedies

Upon the happening and continuance of an event of default, the Trustee may, and shall upon the request of the Holders of twenty-five percent (25%) in principal amount and Accreted Value of the Bonds then Outstanding affected by an event of default described in clause (a) or (b) of "Events of Default" above, or twenty-five percent (25%) in principal amount and Accreted Value of all Bonds then Outstanding if the event of default is one described in clauses (c) or (d) of "Events of Default" above, proceed to protect and enforce the rights of the Bondholders under the laws of the State of Minnesota or under the Bond Resolution. No Bondholder shall have the right to institute any proceedings for any remedy under the Bond Resolution unless the Trustee, after being so requested to institute such proceedings and offered satisfactory indemnity, shall have refused or neglected to comply with such request within a reasonable time and unless the proceeding is brought for the ratable benefit of all Holders of all Bonds. However, nothing in the Bond Resolution contained is intended to affect or impair the right of any Bondholder to enforce the payment of the principal or Accreted Value of and interest on his Bonds at the time and place expressed in the Bonds.

APPENDIX E

BOOK-ENTRY-ONLY SYSTEM

General

The Depository Trust Company, New York, New York ("DTC"), is to act as securities depository for each series of the Series Bonds. The ownership of one fully registered Series Bond for each maturity of the Series Bonds in the aggregate principal amount of that maturity and series will be registered in the name of Cede & Co., DTC's partnership nominee. *So long as Cede & Co. or another nominee designated by DTC is the registered owner of the Series Bonds, references herein to the Bondholders, Holders or registered owners of Series Bonds will mean Cede & Co. or the other nominee and will not mean the Beneficial Owners (as hereinafter defined) of the Series Bonds.*

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of beneficial ownership interests in the Series Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series Bonds on DTC's records. The ownership interest of each actual purchaser of each Series Bond (the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series Bonds, except in the event that use of the Book-Entry System for the Series Bonds is discontinued as described below.

To facilitate subsequent transfers, all Series Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or another name as may be requested by an authorized representative of DTC. The deposit of Series Bonds with DTC and their registration in the name of Cede & Co. or other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Series Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers. For every transfer and exchange of beneficial ownership in the Series Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to DTC. If less than all of the Series Bonds of a series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Series Bonds of the series to be redeemed.

Neither DTC nor Cede & Co. (nor other DTC nominee) will consent or vote with respect to any Series Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the bond issuer as soon as possible after the Record Date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series Bonds are credited on the Record Date.

Payment of the principal, redemption price, and interest on the Series Bonds will be made to Cede & Co., or another nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the bond issuer or trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of the Participant and not of DTC, the Trustee or the Agency, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of principal, redemption price, and interest to Cede & Co. (or other nominee as may be requested by an authorized representative of DTC), is the responsibility of the Trustee, disbursement of payments to Direct Participants will be the responsibility of DTC, and disbursement of payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

Under the Resolutions, payments made by or on behalf of the Agency to DTC or its nominee satisfy the Agency's obligations to the extent of the payments so made.

The above information contained in this section "Book-Entry-Only System" is based solely on information provided by DTC. No representation is made by the Agency or the Underwriter as to the completeness or the accuracy of that information or as to the absence of material adverse changes in that information subsequent to the date hereof.

The Agency, the Underwriter and the Trustee cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series Bonds (i) payments of principal of or interest and premium, if any, on the Series Bonds, (ii) certificates representing an ownership interest or other confirmation of beneficial ownership interest in Series Bonds, or (iii) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series Bonds, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities Exchange Commission, and the current "Procedures" of DTC to be followed in dealing with Direct Participants are on file with DTC.

Neither the Agency, the Underwriter nor the Trustee will have any responsibility or obligation to any Direct Participant, Indirect Participant or any Beneficial Owner or any other person with respect to: (1) the Series Bonds; (2) the accuracy of any records maintained by DTC or any Direct Participant or Indirect Participant; (3) the payment by DTC or any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the Series Bonds; (4) the delivery by DTC or any Direct Participant or Indirect Participant of any notice to any Beneficial Owner that is required or permitted under the terms of the Resolutions to be given to Holders of Series Bonds; (5) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of Series Bonds; or (6) any consent given or other action taken by DTC as a Bondholder.

Discontinuation of Book-Entry System

DTC may discontinue its book-entry services with respect to one or both series of the Series Bonds at any time by giving notice to the Agency and discharging its responsibilities with respect thereto under applicable law. Under those circumstances, the Series Bonds of that series are required to be delivered as described in the Resolutions. The Beneficial Owner, upon registration of Series Bonds held in the Beneficial Owner's name, will become the Bondholder.

The Agency may determine to discontinue the system of book entry transfers through DTC (or a successor securities depository) for one or both series of the Series Bonds. In that event, the Series Bonds of that series are to be delivered as described in the Resolutions.

APPENDIX F

FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

_____, 2025

Minnesota Housing Finance Agency
St. Paul, Minnesota 55102

Minnesota Housing Finance Agency
Rental Housing Bonds
2025 Series A-1
2025 Series A-2

Ladies and Gentlemen:

We have acted as bond counsel to the Minnesota Housing Finance Agency (the "Agency") in connection with the authorization, issuance and delivery by the Agency of its Rental Housing Bonds, 2025 Series A-1, in the aggregate principal amount of $2,580,000 (the "2025 Series A-1 Bonds") and its Rental Housing Bonds, 2025 Series A-2, in the aggregate principal amount of $7,300,000 (the "2025 Series A-2 Bonds" and, together with the 2025 Series A-1 Bonds, the "2025 Series A Bonds"), each series of which are issuable only as fully registered bonds of single maturities in denominations of $5,000 or any integral multiple thereof.

The 2025 Series A Bonds are dated, mature on the dates, bear interest at the rates and are payable as provided in the Series Resolution referenced below. The 2025 Series A Bonds are subject to optional, mandatory and special redemption prior to maturity, including special redemption at par, as provided in the Series Resolution referenced below.

As bond counsel, we have examined certified copies of resolutions and proceedings of the Agency and other documents we considered necessary as the basis for this opinion, including the Agency's Bond Resolution adopted February 25, 1988, as amended and supplemented (the "Bond Resolution"), and the Series Resolution relating to the 2025 Series A Bonds adopted October 24, 2024 (the "Series Resolution"). As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

From such examination, and assuming continuing compliance by the Agency and the owner of the Development financed by the 2025 Series A Bonds with the covenants contained in the Bond Resolution, the Series Resolution and the loan documentation relating to the Development, it is our opinion that, under existing law as of the date hereof: (1) the Agency is a public body corporate and politic, having no taxing power, duly organized and existing under Minnesota Statutes, Chapter 462A, as amended; (2) the Bond Resolution and Series Resolution have been duly and validly adopted by the Agency and are valid and binding upon it in accordance with their terms, and create the valid pledge and security interest they purport to create with respect to the Mortgage Loans, Revenues, moneys, securities and other Funds held and to be set aside under the Bond Resolution and Series Resolution; (3) the 2025 Series A Bonds are duly and lawfully authorized to be issued and are valid and binding general obligations of the Agency in accordance with their terms, entitled to the benefits granted by and secured by the covenants contained in the Bond Resolution and Series Resolution, and are payable out of any of its moneys, assets or revenues, subject to the provisions of other resolutions or indentures now or hereafter pledging and appropriating particular moneys, assets, or revenues to other bonds or notes, and federal or state laws heretofore enacted appropriating particular funds for a specified purpose, but the State of Minnesota is not liable thereon and the 2025 Series A Bonds are not a debt of the

State; (4) in the Bond Resolution the Agency has created a Debt Service Reserve Fund for the security of the 2025 Series A Bonds and other bonds issued or to be issued under the Bond Resolution, to be maintained in an amount specified therein, and has agreed to certify annually to the Governor the sum, if any, necessary to restore the Fund to this amount for inclusion in the next budget submitted to the Legislature, and the Legislature is legally authorized, but is not legally obligated, to appropriate such amount to such Debt Service Reserve Fund; and (5) the interest payable on the 2025 Series A Bonds is not includable in gross income of owners thereof for federal income tax purposes or in taxable net income of individuals, trusts and estates for State of Minnesota income tax purposes, but such interest is includable in the income of corporations and financial institutions for purposes of the Minnesota franchise tax; provided, however, interest on any 2025 Series A Bond is not excluded from gross income for federal income tax purposes of any holder of such bonds who is a "substantial user" of a development financed by such 2025 Series A Bond or a "related person" thereto, as such terms are defined in Section 147(a) of the Internal Revenue Code of 1986, as amended (the "Code").

Interest on the 2025 Series A Bonds will not be treated as an item of tax preference in calculating the alternative minimum tax imposed under the Code with respect to individuals; however, interest on the 2025 Series A Bonds is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations. Interest on the 2025 Series A Bonds will not be treated as an item of tax preference for purposes of calculating the Minnesota alternative minimum tax imposed on individuals, trusts and estates. We express no opinion regarding other federal, state or local tax consequences arising from the ownership or disposition of the 2025 Series A Bonds. All owners of 2025 Series A Bonds (including, but not limited to, insurance companies, financial institutions, Subchapter S corporations, United States branches of foreign corporations, applicable corporations as defined in Section 59(k) of the Code relating to the alternative minimum tax imposed on corporations and recipients of social security and railroad retirement benefits) should consult their tax advisors concerning other possible indirect tax consequences of owning and disposing of the 2025 Series A Bonds.

Noncompliance by the Agency or the owner of the Development financed by the 2025 Series A Bonds with their covenants in the Bond Resolution, Series Resolution or applicable loan documentation relating to the Development may result in inclusion of interest in federal gross income and Minnesota taxable net income retroactive to the date of issuance of the 2025 Series A Bonds.

The opinions expressed above are qualified only to the extent that the enforceability of the 2025 Series A Bonds, the Bond Resolution and the Series Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Respectfully yours,

MINNESOTA HOUSING FINANCE AGENCY • RENTAL HOUSING BONDS, 2025 SERIES A-1 (NON-AMT) AND 2025 SERIES A-2 (NON-AMT)
