

[The latest news for Minnesota Housing community development partners]

Manufactured Home Community Redevelopment Program 2021 RFP Technical Assistance

The Manufactured Home Community Redevelopment Program provides grants to fund infrastructure improvements or acquisition of manufactured home parks to assist the needs of aging manufactured home communities around Minnesota. The program will prioritize projects based on health, safety, and critical need improvements, as well as projects that leverage support from local municipalities, and/or projects converting a community to a cooperative ownership model.

Funds are available through an annual competitive request for proposals (RFP) process. **The 2021 RFP release date is August 16, 2021** and applications will be accepted through September 30, 2021.

If you would like to learn more about the program and how to complete an application, register for one of the Technical Assistance webinars:

- [Wednesday, August 18 from 2:00 - 4:00 p.m.](#)
- [Thursday, September 2 from 10:00 a.m. - 12:00 p.m.](#)

If you can't attend a live webinar, a recorded version will be posted online. Visit the [Manufactured Housing webpage](#) for more information.
