Reminder: AmeriNat Changes & Updates

AmeriNat, our Fix Up loan servicer, recently announced they are migrating to a new servicing system. With this change, borrowers will have different options for making their monthly Fix Up payments.

What Fix Up Borrowers Need to Know:

- Borrowers will no longer receive coupon booklets, they will receive monthly statements
- Borrowers may make online payments
- Borrowers may download and use a new Mobile App

The changes are expected to launch on October 5, 2021. AmeriNat will be closed on Friday, October 1 as they work through the transition. For more information, [please see AmeriNat's FAQ.](#)

Intermittent Closed Loan Package Upload Issues

Minnesota Housing's loan commitment system is experiencing intermittent issues when trying to upload a closed loan package. We are continuing to work with our vendor to resolve this issue. We apologize for any inconvenience this may be causing.

If you are experiencing upload issues:

1. Try clearing your Silverlight cache.
2. If you continue to have problems uploading the closed loan file, it is acceptable to not upload the closed loan package at this time. Please **make sure you are still completing the True & Certify process** in the system before the interest rate expires.
